Bingo For All

90s Bingo ,2020-04-14 This tongue-in-cheek bingo board game is a pop-cultural time capsule, which celebrates and relives the '90s in all its tacky glory. Name a more '90s-esque pastime than bingo! This flat-pack bingo game is a flashback to the iconic pop-cultural moments of the, like, totally greatest decade ever. Yes, this is history at its most irreverent. Any millennial will say that the '90s were the best decade--even though many were still in diapers at the time. Regardless, and putting the whole '90s-kid debate aside for a moment, they're right. Much of 90s culture dictates ours today. Can we imagine a universe without Oprah? And without Friends or Seinfeld, would our world even turn? If Nirvana hadn't made it big, would grunge have ever reached the masses? We doubt it, and this bingo game just about proves it. This box set contains a game board, 16 bingo cards, 48 tokens, 150 counters and detailed game instructions.

Bowie Bingo ,2020-10-13 A bingo game celebrating the enduring legacy of David Bowie, the interplanetary icon who's missed around the world, every single day. This flat-pack bingo game is a perfect gift for the true David Bowie fan (i.e. any person who can hear, love, and/or think). This box contains: 1 giant game

board, 8 double-sided (and randomized) bingo cards, 48 tokens, and 150 counters, all bursting with Bowie references. Designed to be played with 1-7 people, and certainly with your favorite Bowie record blasting in the background. Have fun picking a favorite! (Bowie Bingo includes more detailed instructions on how to play.)
