Learn How to Read Your Astrological Birth Chart James David Rockefeller, Do you believe that the planets and their interplay with our Earth influence our lives, whether past, present, or future? Do you believe that the positioning of the planets at the time of your birth actually determines the life you have led so far and the life you will have in the future? Do you wish there was a way to actually know how the positioning of the planets influences you and your life, and how you could use that knowledge to your advantage? If yes, then look no further because the answer lies in astrology. Astrology is the study of the patterns and relationships of the planets in motion and the earth. Astrologers believe it to be a science, although it falls more under the category of metaphysics, that is, it studies something which lies beyond the physical. In this book, you will be able to learn what astrology is all about as well as about the different parts of your astrological horoscope or birth chart.

**Beginners Guide to Vedic Astrology** Fahad Khan,2015-02-12 It is said that everything is written even before the birth of the child. His destiny is written and we are but a puppet in hands of God. God has made this universe indeed and set rules that we may not know fully because God alone is the all knowing. He in all probability has millions of rules and laws such as law of gravitation, vaastu, fengshui, Chinese astrology, vedic astrology, numerology, dowsing and not denying some sciences that we developed like Chemistry, Physics. God has set a path to run this world and these hidden knowledge were discovered only when God allowed. This book teaches basics of understanding one of many rules and laws which we term as Vedic Astrology.
