How to Use Your Business Cards for Success G. Lee Mikules, 2003 Your business card is usually the first tangible thing a customer/client will take with him or her after meeting you. Does it communicate the message you want it to? G. Lee Mikules offers guidelines on how to get the most from your card- from design to distribution. Everyone is concerned about what is important to them before they are concerned about anything else. And you, as the one who hands them out, must realize that your ego will clash with that of the person who receives your card...The person you hand your card to does not care about your name or the fact that you have been in business for 25 years, or that you have every credential possible, and so forth. The only thing he is interested in is what your business, product, or service can do for him. Will it save or make him money? Will it feed his ego? You have to distill the essence of what your business is, and, most importantly, what it can do for your customer into a concise, benefit-oriented, hard-hitting sales message. Then put that message front and centre on your card!

Here's My Card Bob Popyk, 2000-04-22 A sales and marketing expert shows how to use the simple business card as a networking tool, from the first introduction to closing the deal. Illustrations throughout.

The Little Book of Business Cards David E. Carter, 2005-04-26 The business card has taken on a new level of importance in recent years. In an age where the business letter has been replaced by email, the personal contact evoked by a business card is more crucial than ever. Your card is often the one item taken away from a meeting, defining how people view your business long after any face-to-face meeting has faded from memory. Whether you're a businessperson trying to develop your own letterhead set or a graphic designer trying to come up with that next great idea, your challenge is to communicate the look and feel of your company in the space your card and letterhead allows. The Little Book of Business Cards presents an unparalleled source of inspiration. In these pages, David E. Carter has gathered more than 260 representative examples of effective business cards and matching letterhead sets. Learn how to get the most from your choice of fonts, color, size, layouts, and logos -- and even what to do when you don't have a logo! As an extra bonus feature, David E. Carter provides informative and instructional annotations to the featured business cards -- valuable lessons for you to apply to your own designs. With The Little Book of Business Cards in your library, you'll be sure to have a business-building design in no time.

The MX Book of New Sherlock Holmes Stories - Part VI: 2017 Annual David Marcum,2017-04-27 2017 is the 130th anniversary of the publication of A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring stories set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, the popularity has only continued to grow. Two more volumes were released in 2016, and this the first of two planned for 2017 - with no end in sight! The thirty-five stories in this volume - now bringing the total number of narratives and participating authors in this series to well over one-hundred! - represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as the best and wisest ... whom I have ever known. All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle. Part VI: 2017 Annual features contributions by: Bob Byrne, Julie McKuras, Derrick Belanger, Robert Perret, Deanna Baran, G.C. Rosenquist, Hugh Ashton, David Timson, Shane Simmons, Stephen Wade, Mark Mower, David Friend, Nick Cardillo, Roger Riccard, S. Subramanian, Carl L. Heifetz, Geri Schear, S.F. Bennett, Jennifer Copping, Jim French, Carla Coupe, Narrelle Harris, Arthur Hall, Craig Janacek, Marcia Wilson, Tracy Revels, Molly Carr, Keith Hann, David Ruffle, David Marcum, Thomas A. Turley, Jan Edwards, C. Edward Davis, Tim Symonds, and Daniel D. Victor, with a poem by Bonnie MacBird, and forewords by David Marcum, Nicholas Utechin, Roger Johnson, Steve Emecz, and Melissa Farnham.

The MX Book of New Sherlock Holmes Stories - Part XXXVIII David Marcum,2023-06-27 Featuring Contributions by: Ian Ableson, Gordon Linzner, Craig Janacek, I.A. Watson, Margaret Walsh, Tracy J. Revels, David Marcum, David MacGregor, Arthur Hall, Sonya Kudei, Jen Matteis, Geri Schear, Charles Veley and Anna Elliott, Peter Coe Verbica, Michael Mallory, Carlos Orsi, Susan Knight, and Tim Newton Anderson, with a poem by Joseph W.

Svec III, and forewords by Michael Sims, Roger Johnson, Emma West, Steve Emecz, and David Marcum 59 New Traditional Canonical Holmes Adventures Collected in Three Companion Volumes In 2015, the first three volumes of The MX Book of New Sherlock Holmes Stories arrived, containing over 60 stories in the true traditional Canonical manner, revisiting Holmes and Watson in those days where it is always 1895 . . . or a few decades on either side of that. That was the largest collection of new Holmes stories ever assembled, and originally planned to be a one-time event. But readers wanted more, and the contributors had more stories from Watson's Tin Dispatch Box, so the fun continued. Now, with the release of Parts XXXVII, XXXVIII, and XXXIX, the series has grown to over 800 new Holmes adventures by over 200 contributors from around with world. Since the beginning, all contributor royalties go to the Undershaw school for special needs children, located at one of Sir Arthur Conan Doyle's former homes, and to date the project has raised over \$110,000 for the school. This new collection of 59 adventures features Holmes and Watson carrying out their masterful investigations from the early days of their friendship in Baker Street to the post-War years during Holmes's retirement. Along the way, Our Heroes are involved in dozens of fascinating mysteries - some relating Untold Cases, sequels to Canonical adventures, and a number or others that progress along completely unexpected lines. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as the best and wisest . . . whom I have ever known.
