Blackburn Rovers - A Football Odyssey Frank Burns,2007-03-30 The story of the history of Blackburn Rovers FC by a lifelong supporter.

Rovers Revolution John Duerden,2019-11-28 In June 1991, Blackburn Rovers chairman Bill Fox announced that his club wanted to sign the England captain Gary Lineker from Tottenham Hotspur. The news shocked Spurs, while the agent of the striker, who just a year before had nearly led England to World Cup glory, thought it was a publicity stunt. Why was this club in the second tier of English football, a club that hadn't won a major trophy since before World War Two, chasing the country's most famous striker? The answer lay in events that had taken place in January of the same year: local businessman Jack Walker had taken full control of the club. A few months later, Kenny Dalglish, the most famous football manager in the country, took charge at Ewood Park. The club were still in the Second Division, but the joke was over. Promotion followed, and in that summer Alan Shearer, the hottest young property in English football, joined for a British transfer record. Two years later, after finishing runners-up to Manchester United, Blackburn broke that record again to sign Chris Sutton, and then went one better and won the Premier League title. 25 years on from that monumental moment, lifelong fan John Duerden examines Blackburn's triumph and how it changed English football forever. Rovers may not have stayed at the top of English football for long, but their legacy remains. In *Rovers Revolution*, Duerden also reflects on the impact of that success on Blackburn as a club and as a town. He dissects in detail the seasons and events that led up to that point and the events that made sure it would never happen again.

They, along with every player who has played for Blackburn Rovers since 1945, are profiled in this remarkable book. Club That Jack Built Charles Lambert,2001-08-10 No man has had a greater influence on modern British football than Jack Walker. His love affair with his hometown club - Blackburn Rovers - and his extraordinary determination to see them win the ultimate prize changed the face of soccer. He took a middling northern side and turned it into a financial powerhouse that signed the best players and paid the highest wages. He also built and sold a steel empire and became one of the UK's richest men. Includes interviews with many of the major figures that have shaped the teams and club profile. Illustrated with b/w photographs.

Agents, Rovers and Cricket Loving Owners Michael Blackburn,2012-08-01 In November 2010 Venky's completed the purchase of Blackburn Rovers Football Club. The Premier League wasn't an obvious step for an Indian family who had made their fortune in the international poultry market and within 18 months the club was back in the second tier of English football. Questions regarding the role of the manager and his agent persisted and the fans who initiated protests during the 2011/12 season had now joined forces with MPs to voice their concerns in Parliament. The owners had disposed of GBP40 million worth of playing talent, with further sales inevitable. The woman believed to be the main decision maker hadn't been seen at a game for 15 months. How had it come to this?

Carroll,2016-11-22 The ULTIMATE 'Secret Santa' gift, for the avid football fan. The book contains absolutely nothing, just the title on each page throughout the 130 pages! The book is blank and sold as a joke for people who dislike the team or a joke to play on people who absolutely love and adore their team - would make an ideal Christmas Present and is available for many, many football teams. Just wait until they open their present to find a book on their favourite or least favourite football team! Watch them look annoyed or laughing with joy as they flick through the quality blank pages!! The book would be ideal to use as a notebook and will amuse and thrill your family and friends!!
