Racing to the Finish Dale Earnhardt Jr.,2018-10-16 Dale Earnhardt Jr.'s only authorized book revealing the inside track on his final year of racing and retirement from the driver's seat. "Time was running out on my charade... My secrets were about to be exposed to the world." It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes, no two are the same. And recovery can be brutal, and lengthy. When NASCAR star Dale Earnhardt Jr. retired from professional stock car racing in 2017, he walked away from his career as a healthy man. But for years, he had worried that the worsening effects of multiple racing-related concussions would end not only his time on the track but his ability to live a full and happy life. Torn between a race-at-all-costs culture and the fear that something was terribly wrong, Earnhardt tried to pretend that everything was fine, but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle: suffering injuries on Sunday, struggling through the week, then recovering in time to race again the following weekend. For the first time, he shares these notes and fully reveals the physical and emotional struggles he faced as he fought to close out his career on his own terms. In this candid reflection, Earnhardt opens up about his frustration with the slow recovery, his admiration for the woman who stood by him through it all, and his determination to share his own experience so that others don't have to suffer in silence. Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life.

**Shadow of the Flame** Chris Pierson,2013-06-11 Explore the far-off continent of Taladas in the exciting conclusion to The Taladas Chronicles! As war and devastation spread across the continent of Taladas, a small band of heroes has just suffered a devastating loss in a fight to determine the world's fate. Barreth Forlo, their leader, has been possessed by the spirit of Maladar the Faceless, a sorcerer-king who seeks to return to power, by whatever means necessary. Now Shedara and Hult, Forlo's companions, must push on without him, bound for the safety of the distant Rainward Isles. Pitted against their friend, they must find a way to stop Maladar from raising his ancient empire from the ashes of history --and the answer may well lie in Forlo's own son, who carries a secret even he doesn't understand.

**Augustino and the Choir of Destruction** Marie-Claire Blais,2007-05-01 In Augustino and the Choir of Destruction literary legend and three-time winner of the Governor General's Literary Award Marie-Claire Blais delivers the third volume in the prize-winning series (These Festive Nights, Thunder and Light, Augustino and the Choir of Destruction, and Rebecca, Born in the Maelstrom) acclaimed as one of the greatest undertakings in modern Quebec fiction. Augustino and the Choir of Destruction is set on an island in the Gulf of Mexico that is home to the full spectrum of humanity: the rich, the poor, the powerful, the humble, artists, criminals. With her unique, signature use of punctuation, Marie-Claire Blais manages to brilliantly show in one flashing stroke men and women; victims and tormentors; child kamikaze pilots and petty thieves from Bahama Street; Charles, a great poet cut down by AIDS; Cinderella, a transvestite prostituting himself to a customer at the Porte du Baiser saloon; Caroline, an artist and photographer

who has seen all the hidden treasures of the world; and Augustino, a clairvoyant child-writer. These individual destinies combine in Blais' vision to form a single harmonic texture.

To Reach the Clouds Philippe Petit, 2002 A high-wire artist traces his six years of planning and training to walk a wire between the towers of the nearly completed World Trade Center in 1974 and describes the history-making realization of his goal eight times in the course of an hour.

**33 лучшие программы для ноутбука. Популярный самоучитель (+CD)** Пташинский Владимир Сергеевич, 2008-04-18

Перед ним регулярно встает масса задач: оптимизация энергопотребления ноутбука, мониторинг уровня заряда аккумуляторов, регулярная настройка сетевых подключений разных типов (в том числе и таких экзотических, как GPRS и Wi-Fi), настройка различных режимов работы экрана, CD/DVD-приводов, жестких дисков... *Camion Blanc* Dominique Grandfils, 2017-02-17 À n'en pas douter, non content de régner dans l'Hexagone depuis des décennies mais aussi de s'exporter avec bonheur, le rock français méritait qu'on lui rendît un juste hommage. Chose faite avec cet ouvrage au contenu quasi encyclopédique. Plus de 920 groupes ou artistes répertoriés et plus de 5000 techniciens cités s'invitent dans ces pages. L'amateur de rock français y trouvera ses artistes préférés et y croquera inévitablement certains qu'il ne connaît pas ou aurait oubliés. Cette anthologie prend pied dans les fifties et nous emporte dans la vertigineuse spirale des décennies suivantes jusqu'à nos jours. À lire ou à consulter au gré de chacun mais à détenir très certainement. Le livre de référence du rock français.

**Sea of Thunder** Evan Thomas, 2007-11-06 Drawing on oral histories, diaries, correspondence, postwar testimony from both American and Japanese participants, and interviews with survivors, Thomas provides this riveting account of the Battle of Leyte Gulf in 1944, the culminating battle of the war in the Pacific. Photos.

**Man on Wire** Philippe Petit, 2008-11-17 More than a quarter-century before September 11, 2001, the World Trade Center was immortalized by an act of unprecedented daring and beauty. In August 1974, a young Frenchman named Philippe Petit boldly—and illegally—fixed a rope between the tops of the still-young Twin Towers, a quarter mile off the ground. At daybreak, thousands of spectators gathered to watch in awe and adulation as he traversed the rope a full eight times in the course of an hour. In *Man on Wire*, Petit recounts the six years he spent preparing for this achievement. It is a fitting tribute to those lost-but-not-forgotten symbols

of human aspiration—the Twin Towers.

Black Rain Falling Jacob Ross, 2021-01-28 This novel delves deeply into issues of family, class, friendship and loyalty, and asks just how far a person should go to protect those they love. On the Caribbean island of Camaho, forensics expert Michael 'Digger' Digson is in deep trouble. Miss Stanislaus, his friend and fellow CID detective, kills a man in self-defence, but their superiors believe it was murder, and he's given just six weeks to prove otherwise - six weeks in which Digger catches a shocking roadside murder and the Justice Minister attempts to break up the unit, and with it bury the pair and their unconventional boss, DS Chilman. As Digger and Miss Stanislaus delve further into the tangled mesh of murders on the island, they discover a thread of crime, cruelty and corruption that suggests a storm is due to break over Camaho at any moment.

The Eleventh Day Anthony Summers, Robbyn Swan, 2011-07-19 FINALIST FOR THE PULITZER PRIZE For most living Americans, September 11, 2001, is the darkest date in the nation's history. But what exactly happened on 9/11? Could it have been prevented? And what remains unresolved? Here is the first panoramic, authoritative account of that tragic day—from the first brutal actions of the hijackers to our government's flawed response; from the untruths told afterward by U.S. officials to the "elephant in the room" of the 9/11 Commission's report—the clues that point to foreign involvement. New York Times bestselling authors Anthony Summers and Robbyn Swan write with access to thousands of recently released official documents, raw transcripts, fresh interviews, and the perspective that can come only from a decade of research and evaluation. Riveting, revelatory, and thoroughly sourced, *The Eleventh Day* is updated for this edition—with new reporting on a development that the former cochairman of Congress's 9/11 probe calls the most important in years. This is the essential one-volume work, required reading for us all. "Essential."—*The Wall Street Journal* "Meticulous, comprehensive . . . an extraordinary synthesis."—John Farmer, 9/11 Commission senior counsel "This wide-angle look . . . examines the personalities behind the terror plot, U.S. intelligence blunders, the toxic environmental impact on first responders, the march to war, [and] gray areas in the 9/11 Commission Report."—*The Washington Post* "The best available general account of 9/11—soberly written, judiciously weighed, meticulously sourced."—*The Sunday Times*

**Bogart** Ann Sperber, 2011-11-29 Bogart paints an indelible portrait of a complex man, from the privilege and abuse he experienced in childhood to his triumphant 1935 acting breakthrough in *The Petrified Forest* to his classic roles as the cynical idealist Rick of *Casablanca* and the drunken yet lovable Charlie Allnut in *The African Queen*. Based on more than two hundred interviews, years of research, and documents ranging from Warner Brothers script reports to an extensive FBI file, this is the definitive account of the immortal actor, painted against a backdrop of studio politics during Hollywood's Golden Age and the witch-hunts of the McCarthy era. Bogart is engrossing and unforgettable—a biography as towering as the legend at its heart.
