**White Light** Ronald J. Friis, 2021-11-12 White Light: The Poetry of Alberto Blanco examines the interplay of complementary images and concepts in the award-winning Mexican writer's cycle of poems from 1979 to 2018. Blanco's poetic trilogy A la luz de siempre is characterized by its broad range of form and subject and by the poet's own eclectic background as a chemist, maker of collages, and musician. Blanco speaks the language of the visual arts, science, mathematics, music, and philosophy, and creates work with deep interdisciplinary roots. This book explores how polarities such as space and place, reading and writing, sound and silence, visual and verbal representation, and faith and doubt are woven through A la luz de siempre. These complements reveal how Blanco's poetry, like the phenomenon of white light, embraces paradox and transforms into something more than the sum of its disparate and polychromatic parts.

**Homeland of My Body** Richard Blanco, 2023-10-24 A rich, accomplished, intensely intimate collection with 2 full sections of new poems bookending Blanco's selections from his 5 previous volumes "An engineer, poet, Cuban American . . . his poetry bridges cultures and languages—a mosaic of our past, our present, and our future—reflecting a nation that is hectic, colorful, and still becoming."—President Joe Biden, conferring the National Humanities Medal on Richard Blanco, 2023 "What a gift, this new gathering of poems from the singular Richard Blanco. A cause for rejoicing!"—Krista Tippett, author of Being Wise and host of On Being "Blanco's poems are journeys to a homeland within the heart, a welcome homecoming earned from a lifetime's wise voyaging."—Sandra Cisneros "A triumphant anthem to a rich life in all its ages and awakenings."—Naomi Shihab Nye In this collection of over 100 poems, Richard Blanco has carefully selected poems from his previous books that represent his evolution as a writer grappling with his identity, working to find and define "home," and bookended them with new poems that address those issues from a fresh, more mature perspective, allowing him to approach surrendering the pain and urgency of his past explorations. Pausing at this pivotal moment in mid-career, Blanco reexamines his life-long quest to find his proverbial home and all that it encompasses: love, family, identity and ultimately art itself. In the closing section of the volume, he has come to understand and internalize the idea that "home" is not one place, not one thing, and lives both inside him and inside his art. The poems range in form, voice, and setting, showcasing his command of craft, but in essence they are one continuous reflection on the existential question at the core of all of Blanco's poetry: how can we find our place in the world. All are characterized by his keen eye, deep sensibility, and polished craft, without pretense. This volume is a gift to Blanco's many readers but even more to those who have yet to discover that they can understand, and fall in love with poetry, that a poet can speak to them about his own and their own lives so profoundly, and that this poet, as Barack Obama discovered, can speak for all of us. Richard Blanco has been justly celebrated for his poetic gifts and his command of the many forms poetry can take, from the finely structured to the prose poem formats. His previous volumes have been praised by Patricia Smith, Eileen Myles, Sandra Cisneros, Elizabeth Alexander, and many others. His poems have appeared in The New Yorker, The Atlantic, and dozens of other publications.

**Breaking the Mold** Blanca Blanco, 2022-01-02 Blanca Blanco is the very definition of self-made; coming from nothing to reach her success, with hard work, tenacity and intelligence. Her compelling, beautiful, motivational, story told in Breaking the Mold, tells her background story, the woman behind the award-winning actress and fashion model, with graduate degrees in psychology and social work. Blanca reveals her past, born in the US., then as a Latina immigrant, from Mexico, who at 9 years old with her family of seven, was forced to live in a garage for 2 years with no hot running water and no heating, weathering the frigid winters of Washington State. Blanca tells her secret, following a promise she made to herself to become successful, while freezing cold in that garage. She never allowed a terrible childhood, being bullied, an abusive father, learning to speak English and living in poverty, to stop her reaching her dreams. Her remarkable resilience and her strategies, are shared here in her book, Breaking the Mold, she shares the tools she used to become an international success. She describes her harrowing near death drive through the devastating Woolsey Wildfire which destroyed her beautiful Malibu home. Then, just 2 weeks later, she is back on the red carpet in Marrakesh to, Climb back on the horse. She deals with the tragic loss of her beloved mother, the anchor in her life, who unexpectedly passed away while Blanca was writing this book. Breaking the Mold will help all who read it, by using the tools Blanca describes, showing how to overcome the tragedies of life, in order to reach success. Despite all that life threw at her, Blanca became the very description of self-made and is an international success. Breaking the Mold is an inspiration to all who read it.

**One Today** Richard Blanco, 2015-11-03 One Today is a poem celebrating America. President Barack Obama invited Richard Blanco to write a poem to share at his second presidential inauguration. That poem is One Today, a lush and lyrical, patriotic commemoration of America from dawn to dusk and from coast to coast. Brought to life here by beloved, award-winning artist Dav Pilkey, One Today is a tribute to a nation where the extraordinary happens every single day.

**Blanco. Novel** Allen Wier, 1978-01-01 Violence and loneliness tinge the lives of a Texas mother and her two grown children whose family ties suffer under their individual secrets and inability to communicate with one another.

**City of a Hundred Fires** Richard Blanco, 1998-10-15 Richard Blanco, a Cuban raised in the United States, records his threefold burdens: learning and adapting to American culture, translating for family and friends, and maintaining his own roots. . . . Blanco is already a mature, seasoned writer, and his powers of description and determination to get every nuance correct are evident from the first poem. . . . Absolutely essential for all libraries. --Library Journal As one of the newer voices in Cuban-American poetry, Blanco writes about the reality of an uprooted culture and how the poet binds the farthest regions of the world together through language. . . . This book describes the price of exile and extends beyond the shores of America and the imagined shores of home. --Bloomsbury Review Unlike most contemporary minority poetry, City of a Hundred Fires, introduces readers to the fullness and richness of ethnic life, and not only the frustration and isolation so often associated with it. Richard Blanco exquisitely portrays the triumphs and defeats of a land and a people that have just barely survived revolution and time, and, without sentiment or cliché, affirms the ability within us all to achieve wholeness. --Indiana Review Blanco is a fine young poet, and this poetry, the bread and wine of our language of exile, is pure delight. May he continue to produce such a heavenly mix of rhythm and image—these poems are more than gems, they are the truth not only about the Cuban-American experience, but of our collective experience in the United States, a beautiful land of gypsies. --Virgil Suarez Richard Blanco was, as he says, made in Cuba, assembled in Madrid, and imported to the United States, meaning he was conceived in Cuba, born in Madrid, and arrived in the United States as an infant able to claim citizenship in three different countries. His work has appeared in many journals, magazines, and anthologies, including the Nation, Michigan Quarterly, TriQuarterly, and Indiana Review. Blanco is a graduate of the MFA program in creative writing at Florida International University and also works as a civil engineer.

*The Blanco River* Wes Ferguson, 2017-02-22 For eighty-seven miles, the swift and shallow Blanco River winds through the Texas Hill Country. Its water is clear and green, darkened by frequent pools. Wes Ferguson and Jacob Botter have paddled, walked, and waded the Blanco. They have explored its history, people, wildlife, and the natural beauty that surprises everyone who experiences this river. Described as “the defining element in some of the Hill Country’s most beautiful scenery,” the Blanco flows both above and below ground, part of a network of rivers and aquifers that sustains the region’s wildlife and millions of humans alike. However, overpumping and prolonged drought have combined to weaken the Blanco’s flow and sustenance, and in 2000—for the first time in recorded history—the river’s most significant feeder spring, Jacob’s Well, briefly ceased to flow. It stopped again in 2008. Then, in the spring of 2015, a devastating flood killed twelve people and toppled the huge cypress trees along its banks, altering not just the look of the river, but the communities that had come to depend on its serene presence. River travelers Ferguson and Botter tell the remarkable story of this changeable river, confronting challenges and dangers as well as rare opportunities to see parts of the river few have seen. The authors also photographed and recorded the human response to the destruction of a beloved natural resource that has become yet another episode in the story of water in Texas. *How to Love a Country* Richard Blanco, 2019-03-26 A timely and moving collection from the renowned inaugural poet on issues facing our country and people—immigration, gun violence, racism, LGBTQ issues, and more. Through an oracular yet intimate and accessible voice, Richard Blanco addresses the complexities and contradictions of our nationhood and the unresolved sociopolitical matters that affect us all. Blanco digs deep into the very marrow of our nation through poems that interrogate our past and present, grieve our injustices, and note our flaws, but also remember to celebrate our ideals and cling to our hopes. Charged with the utopian idea that no single narrative is more important than another, this book asserts that America could and ought someday to be a country where all narratives converge into one, a country we can all be proud to love and where we can all truly thrive. The poems form a mosaic of seemingly varied topics: the Pulse nightclub massacre; an unexpected encounter on a visit to Cuba; the forced exile of 8,500 Navajos in 1868; a lynching in Alabama; the arrival of a young Chinese woman at Angel Island in 1938; the incarceration of a gifted writer; and the poet’s abiding love for his partner, who he is finally allowed to wed as a gay man. But despite each poem’s unique concern or occasion, all are fundamentally struggling with the overwhelming question of how to love this country.

*The Prince of Los Cocuyos* Richard Blanco, 2014-09-30 “In this vibrant memoir, Obama-inaugural poet Richard Blanco tenderly, exhilaratingly chronicles his Miami childhood amid a colorful, if suffocating, family of Cuban exiles, as well as his quest to find his artistic voice and the courage to accept himself as a gay man.” — O, The Oprah Magazine A poignant, hilarious, and inspiring memoir from the first Latino and openly gay inaugural poet, which explores his coming-of-age as the child of Cuban immigrants and his attempts to understand his place in America while grappling with his burgeoning artistic and sexual identities. Richard Blanco’s childhood and adolescence were experienced between two imaginary worlds: his parents’ nostalgic world of 1950s Cuba and his imagined America, the country he saw on reruns of *The Brady Bunch* and *Leave it to Beaver*—an “exotic” life he yearned for as much as he yearned to see “la patria.” A prismatic and lyrical narrative rich with the colors, sounds, smells, and textures of Miami, Richard Blanco’s personal narrative is a resonant account of how he discovered his authentic self and ultimately, a deeper understanding of what it means to be American. His is a singular yet universal story that beautifully illuminates the experience of “becoming;” how we are shaped by experiences, memories, and our complex stories: the humor, love, yearning, and tenderness that define a life.

*Blanco's Overview of Alpha-1 Antitrypsin Deficiency* Ignacio Blanco, 2017-04-28 Blanco’s Overview of Alpha-1 Antitrypsin Deficiency: History, Biology, Pathophysiology, Related Diseases, Diagnosis, and Treatment is a robust introduction to topics associated with Alpha-1 Antitrypsin Deficiency (AATD). Included are topics ranging from the history of the disease, biology, pathophysiology, related diseases, including the two major manifestations of the disease (liver disease and lung disease), and diagnosis and treatment. The book provides increased awareness and understanding of the condition to improve diagnosis rates and enhance patient care. This book is an essential tool and reference, beneficial to clinicians who screen and treat AATD patients, as well as research scientists working in the AATD field at junior and senior levels. Presents the fundamental theoretical and practical aspects of Alpha-1 Antitrypsin Deficiency (AATD) based on scientific evidence Provides evidence to show that AATD is a rarely diagnosed condition, rather than a rare condition Contains current research and future perspectives from Dr. Ignacio Blanco, a worldwide expert in the field of alpha-1 antitrypsin and lung and liver disease associated with the deficiency of this antiprotease Provides resources to current registries and patient associations

The Shewing-up of Blanco Posnet and Fanny's First Play Dan Laurence,George Bernard Shaw,1994-05-26 ‘A tearing, flaring, revivalist drama’ was how Desmond MacCarthy described The Shewing-up of Blanco Posnet. Set in America’s Wild West and aptly subtitled ‘A Sermon in Crude Melodrama’, this single-act play concerns the conversion of a horse thief desperate to ‘keep the devil’ in him and die game. Published in 1909, it brought Shaw into conflict with the Lord Chamberlain of England, who banned it on the grounds of alleged blasphemy, and it was twelve years before the play was performed in a London theatre. In an interview Shaw commented, ‘I am sorry that Fanny’s First Play has destroyed the cherished legend that I am an unpopular playwright ... for the first time I have allowed a play of mine to run itself to death ... And the worst of it is it will not die.’ First performed in 1911, the play is a delightful farce in which Shaw debates some of his favourite subjects: middle-class morality, marriage, parents and children and women’s rights. And, deliberately concealing his authorship, Shaw took the opportunity to satirize contemporary drama critics who, he claimed, ‘do not know dramatic chalk from dramatic cheese when it is no longer labelled for them.’

**The Shewing-up of Blanco Posnet** Bernard Shaw,2019-11-27 The Shewing-up of Blanco Posnet is a one-act play by George Bernard Shaw. Shaw was an Irish dramatist, critic, essayist and political activist. Excerpt: It was pointed out by Charles Dickens in Little Dorrit, which remains the most accurate and penetrating study of the genteel littleness of our class governments in the English language, that whenever an abuse becomes oppressive enough to persuade our party parliamentarians that something must be done, they immediately set to work to face the situation and discover How Not To Do It. Since Dickens's day the exposures effected by the Socialists have so shattered the self-satisfaction of modern commercial civilization that it is no longer difficult to convince our governments that something must be done, even to the extent of attempts at a reconstruction of civilization on a thoroughly uncommercial basis. Consequently, the first part of the process described by Dickens: that in which the reformers were snubbed by front bench demonstrations that the administrative departments were consuming miles of red tape in the correctest forms of activity, and that everything was for the best in the best of all possible worlds, is out of fashion; and we are in that other phase, familiarized by the history of the French Revolution, in which the primary assumption is that the country is in danger, and that the first duty of all parties, politicians, and governments is to save it. But as the effect of this is to give governments a great many more things to do, it also gives a powerful stimulus to the art of How Not To Do Them: that is to say, the art of contriving methods of reform which will leave matters exactly as they are.
