Spirit of the Century The Blind Boys of Alabama, 2024-03-19 An insider history of the Blind Boys of Alabama, the longest running group in American music, and the untold story of their world, written with band members and key musical colleagues, drawing from the group's private archive The Blind Boys of Alabama are the quintessential Gospel vocal group, and the longest-running musical institution in America. Their story intersects with pivotal moments and issues in American history and is an ideal prism through which to trace music, culture, history, and race in America. *Spirit of the Century* invites readers to follow along the Blind Boys' eight-decade journey together from a segregated trade school, through the rough and tumble indie record game and grinding tour schedule of the golden age of gospel, to starring in an iconic Broadway musical, performing at the White House for three presidents twice, collaborating with Tom Petty, Lou Reed, and Ben Harper, among others, singing the theme song for *The Wire*, and winning five Grammys. More than just a story of the Blind Boys' illustrious career, *Spirit of the Century* also sheds new light on the larger world of African American gospel music, its origins, and the colorful characters at its center. Though there have been several iterations of the group over the decades, *Spirit of the Century* rounds up all surviving members of the group as contributors to the telling of their own story, and as a result, the book offers a unique and intimate perspective on the group's enduring success. Current drummer and road manager Rickie McKinney

has been with the group throughout its renaissance, while guitarist Joey Williams, the group's sighted member, has been the eyes of the Blind Boys since 1992. Octogenarian Jimmy Lee Carter has a fascinating history, as a fellow student of the original but deceased Blind Boys Clarence Fountain, George Scott, Olice Thomas, Johnny Fields, J.T. Hutton, and Velma Traylor at the Talladega school. Carter is one of a few performers who have been in both the Blind Boys of Alabama and Mississippi. He fronts the Alabama group today as a classic quartet leader and fiery preacher. Along with extensive interviews of Fountain, these legendary musicians provide this book with the voice, firsthand perspective, and authenticity that bring their story the same inspirational power that you hear in their songs. Thought-provoking, heartfelt, and deeply inspiring, *Spirit of the Century* is a fascinating and one-of-a-kind read that you won't be able to put down.

Boys of Alabama Genevieve Hudson, 2021-05-18 In this bewitching debut novel, a sensitive teen, newly arrived in Alabama, falls in love, questions his faith, and navigates a strange power. While his German parents don't know what to make of a South pining for the past, shy Max thrives in the thick heat. Taken in by the football team, he learns how to catch a spiraling ball, how to point a gun, and how to hide his innermost secrets. Max already expects some of the raucous behavior of his new, American friends—like their insatiable hunger for the fried and cheesy, and their locker room talk about girls. But he doesn't expect the comradery—or how quickly he would be welcomed into their world of basement beer drinking. In his new canvas pants and thickening muscles, Max feels like he's "playing dress-up." That is until he meets Pan, the school "witch," in Physics class: "Pan in his all black. Pan with his goth choker and the gel that made his hair go straight up." Suddenly, Max feels seen, and the pair embarks on a consuming relationship: Max tells Pan about his supernatural powers, and Pan tells Max about the snake poison initiations of the local church. The boys, however, aren't sure

whose past is darker, and what is more frightening—their true selves, or staying true in Alabama. Writing in verdant and visceral prose that builds to a shocking conclusion, Genevieve Hudson “brilliantly reinvents the Southern Gothic, mapping queer love in a land where God, guns, and football are king” (Leni Zumas, author of *Red Clocks*). *Boys of Alabama* becomes a nuanced portrait of masculinity, religion, immigration, and the adolescent pressures that require total conformity.

The Gospel at Colonus Lee Breuer, 1989 I've been in a lot of shows in my life, and I've thought a lot of 'em were pretty good, but this is a masterpiece. -Morgan Freeman An ancient drama explodes into a hand-clapping, soul-stirring gospel musical. -Chicago Tribune One of the most marvelous shows the decade... Colonus is a triumph of reconciliation, bringing together black and white, pagan and Christian, ancient and modern in a sunburst of joy that seems to touch the secret heart of civilization itself. -Jack Kroll, Newsweek Writing at the end of his own long life, in Oedipus at Colonus Sophocles depicted his doomed hero's final hours; at the moment of his death the aged Oedipus is free at last. Envisioning this rarely performed meditation on mortality as a rousing service in a black church, Lee Breuer has created a remarkable text based on Robert Fitzgerald's splendid translation. Rearranging, simplifying, cutting here and enhancing there, Breuer has above all honored the spirit and the poetry of Sophocles's lovely work, giving it a new life in this time and place. Inspired by the joyous faith at the heart of African-American Christianity, Breuer and composer Bob Telson have turned a momentary wish of Sophocles' chorus into a central desire of Oedipus himself. I wish the wind would lift me, he sings, so I could look with the eyes of the angels. The fundamental action of The Gospel of Colonus is to lift him up - at the hour of Oedipus' death to celebrate his life, to journey through grief to triumphal resurrection. Man, says lead actor Morgan Freeman, this is what theatre is all about. Lee Breuer is a

founding member of the acclaimed avant-garde company Mabou Mines. He has written and directed many groundbreaking works for theatre including a trilogy of Animations, A Prelude to Death in Venice and Haji. Sister Suzie Cinema, a cinema collection of his poems and performances, was previously published by TCG. Bob Telson's recent projects include collaborating with Breuer on The Warrior Ant and composing the score for the film Bagdad Café.

Extraordinary Measures Joseph N. Straus, 2011-03-24 *Extraordinary Measures* studies the impact of disability and concepts of disability on composers, performers, and listeners with disabilities, as well as on discourse about music and works of music themselves. It shows that music (its composers, performers, listeners, critical traditions, and exemplary works) both embodies and constructs disability.
