*Broken (Book One Broken Series)* Kelly Elliott,2013-11 Layton Morris and his brother Mike grew up not knowing what it would be like to live in a normal home. With no running water or electricity in their home, no parents around to protect them, they quickly learned how to survive and depend only on each other. When a tragic accident takes Mike away from Layton, and the only other person that he ever let into his heart walked away from him, leaving his heart shattered, Layton focuses all of his time and energy into the ranch he and his brother dreamed of. He makes a vow to himself to never let love in again. The last thing Layton needed or wanted was more heartache. Whitley Reynolds grew up in a privileged home in upstate New York. When she landed the star football player in high school no one was surprised, not even Whitley. She dreamed of a life with Roger living in New York City and happily followed him there. The first time Roger hit her for arguing with him about a dinner party, she forgave him. The more it happened, the further Whitley withdrew from her friends and family. One fateful day things go to far. Whitley makes a promise to herself and finds the courage to do the one thing she thought she'd never be able to do. Fleeing with her best friend Courtney, Whitley was determined to put her past behind her and start a new life in the small town of Llano, Texas, where no one would ever find out about her past. Will they both ever learn to trust and love again, or will their pasts come back to haunt them, keeping them both alone and... Broken. For readers 18+

**Thank You Notes** Jimmy Fallon,the Writers of Late Night,2011-05-23 Jimmy Fallon is very thankful. And in this first book to come from his TV show, he expresses his gratitude for everything from the light bulb he's too lazy to replace to the F12 button on his computer's keyboard. He thanks microbreweries for making his alcoholism seem like a neat hobby. He thanks the name Lloyd for having two L's. Otherwise it would just sound like Loyd. He thanks the slow-moving family walking in front of him on the sidewalk. Without this barricade of idiots, he might never have been forced to walk in the street and risk getting hit by a car in order to get around them. He's thankful to you, the person reading this right now. It means you're considering buying this book. You should do it. You will be thankful that you did.

*Twelve Years a Slave* Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Antifascisms David Ward,1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.
