Redcoat-Bluecoat Norman Davis,2003-06 Disillusioned with Cornwallis's scorched earth policy in South Carolina, and to win the love of the passionately patriotic Media Gant DeVoe, Tory Sergeant Buck McCalister turns his coat and becomes a spy for General Francis Marion, the Swamp Fox. As the war draws to a close, with Media's love still in the balance, McCalister is sent to capture the notorious Nehemiah Youngblood, his former commanding officer, and the last Tory Militia Colonel still fighting in South Carolina. But to get to Youngblood, McCalister must first confront his bitterest enemy, Tory Lieutenant Zachariah Trae.

Bluecoat, Liverpool Bryan Biggs,John Belchem,2020-05-23 Bluecoat is a unique and much-loved Liverpool institution, its oldest city centre building. This book tells the fascinating story of its transformation from charity school to contemporary arts centre, the UK's first. Its early 18th century origins shed light on the religious and maritime mercantile environment of the growing port, whose merchants supported the school. Echoes from then are revealed in themes explored by artists in the 20th century, including slavery and colonial legacies. The predominant focus is on an inclusive building for the arts, starting with colourful bohemian society, the Sandon, who established an artistic colony in 1907, hosting significant exhibitions by the Post-Impressionists and many leading modern British artists. Bluecoat Society of Arts emerged as the building's custodians, paving the way for the arts centre which, despite financial struggles and wartime bomb damage, survived and continues to play a prominent role in Liverpool's and the UK's culture. Bluecoat is described as where 'village hall meets the avant-garde'. In its rich story, Picasso, Stravinsky, Yoko Ono, Captain Beefheart, Simon Rattle and the inspirational Fanny Calder are just some of the names encountered, as key strands, including music, visual art, performance and the building's tenants, are traced.

Operation Bluecoat Ian Daglish,2010-04-19 After seven weeks of bitter fighting there was a desperate need to break out of the Normandy bridgehead. In late July 1944 Lieutenant-General Sir Miles Dempseys Second Army moved two entire corps from the Caen sector to the relatively quiet countryside around Caumont. Here, the British XXX Corps prepared to give battle, with VII Corps advancing in support on the right flank between XXX Corps and the American first Army. The offensive did not go to plan. While the XXX Corps attack stalled, VIII Corps surged ahead. With the experienced 11th Armoured and 15th Scottish Divisions in the lead and Guards Armoured close behind, a deep penetration was made, threatening to take the pivotal city of Vire and unhinge General Haussers German Seventh Army.The main narrative of this book will span the initial break-in from Caumont on 30 July, through the armored battles of the following days, to the desperate German counter-attacks of 4 6 August, the no less desperate German defense of Estry up to the middle of the month, and the final withdrawal from Normandy. The book also examines Montys refusal to seize Vire, the disputed Anglo-American border and the Operations impact on the German Mortain offensive.

Bluecoat and Pioneer John Benton Hart,2019-01-17 In 1918, urged on by his son Harry, John Benton Hart began to tell stories of a three-year period in his youth. He recalled his days as a trooper in the Eleventh Kansas Cavalry, fighting in Missouri and on the frontier, and his time as a civilian jack-of-all-trades doing risky work for the U.S. Army on the Wyoming-Montana Bozeman Trail in the middle of the Indian resistance campaign known as Red Cloud's War. Once started, John Benton Hart became an enthusiastic raconteur, describing events with an almost cinematic vividness, while his son, an aspiring writer, documented his father's testimony in what became several manuscripts. Compiled and reproduced here, edited by historian John Hart, John Benton Hart's great-grandson, this memoir is a singular document of living history. As a young Kansas cavalryman, John Benton Hart participated in two momentous episodes of the Civil War era—Sterling Price's Missouri Expedition of 1864, including the Battle of Westport, and such engagements in the Plains Indian Wars as the Battle of Platte Bridge in July 1865 and the Hayfield Fight near Fort C. F. Smith in 1867. In the engaging style of a natural storyteller, Hart re-creates these events as he experienced them, giving readers a rare glimpse at moments of historical import from the point of view of the "ordinary" soldier. In arresting detail, he also tells of crossing the Plains as a bullwhacker, carrying the mail between the beleaguered forts on the Bozeman Trail, and befriending scout Jim Bridger and Mountain Crow Chief Blackfoot. Framed and supplemented with the editor's biographical, historical, and explanatory notes, Hart's memoir offers a new perspective on events long fixed in the historical imagination. As history writ large or on a personal scale, *Bluecoat and Pioneer* tells a remarkable story.

Blue Coat Renegade Dale Graham,2007 Envy of a fellow officer based at Fort Leavenworth in Kansas is eating away at Lieutenant Chadwick Stanton. This, combined with an insatiable urge to pursue a lifestyle he can ill afford, sets the scene for a sequence of events that would have devastating repercussions.

Operation Bluecoat Ian Daglish,2002-06-30 After two months of bitter combat in Normandy, Operation Bluecoat transformed the campaign into a war of movement. British and German armoured divisions were flung against one another. Over the rugged terrain of the 'Suisse Normande', thrust met with counter thrust in a rapidly changing mobile battle. This is the story of the breakthrough begun on 30th July by 11th Armoured Division, Guards Armoured Division, and 15th (Scottish) Division. This was initially opposed by 21. Panzer Division, and later by the Germans' most powerful divisions in the west: 9. SS-Panzer 'Hohenstaufen' and 10. SS-Panzer 'Fruindsberg'. The story of Bluecoat includes examples of virtually every type of Second World War armoured combat: from

infantry tanks to specialised flame-throwers and minesweeping tanks; from light armoured reconnaissance units to the heaviest battle tanks of the Second World War. The experiences of both sides, German as well as British, are related as the story of a swirling armoured Melle is played out under the hot summer sun between Caumont and Vire.

Blue Coat or Powdered Wig Stewart R. King,2011-07-01 By the late 1700s, half the free population of Saint Domingue was black. The French Caribbean colony offered a high degree of social, economic, and physical mobility to free people of color. Covering the period 1776-1791, this study offers the most comprehensive portrait to date of Saint Domingue’s free black elites on the eve of the colony's transformation into the republic of Haiti. Stewart R. King identifies two distinctive groups that shared Saint Domingue’s free black upper stratum, one consisting of planters and merchants and the other of members of the army and police forces. With the aid of individual and family case studies, King documents how the two groups used different strategies to pursue the common goal of economic and social advancement. Among other aspects, King looks at the rural or urban bases of these groups’ networks, their relationships with whites and free blacks of lesser means, and their attitudes toward the acquisition, use, and sale of land, slaves, and other property. King’s main source is the notarial archives of Saint Domingue, whose holdings offer an especially rich glimpse of free black elite life. Because elites were keenly aware of how a bureaucratic paper trail could help cement their status, the archives divulge a wealth of details on personal and public matters. Blue Coat or Powdered Wig is a vivid portrayal of race relations far from the European centers of colonial power, where the interactions of free blacks and whites were governed as much by practicalities and shared concerns as by the law.

The Bluecoats - Volume 2 - The Navy Blues Raoul Cauvin,Lambil,2013-01-22T00:00:00+01:00 This humorous series on the American Civil War centres around two cavalrymen in the Unionist Army: Cornelius Chesterfield, a zealous and devoted sergeant and Corporal Blutch, a reluctant soldier, highly critical of authority and who always tries to eschew yet another senseless battle. This highly comical duo does what it can to escape the often obtuse military mindset, absurd orders and the madness of war. In this volume, the Sergeant obeys the Captain for the first time and ends up in the Marines...
