Basketball on Paper Dean Oliver, 2020-02-15 Journey inside the numbers for an exceptional set of statistical tools and rules that can help explain the winning, or losing, ways of a basketball team. Basketball on Paper doesn't diagram plays or explain how players get in shape, but instead demonstrates how to interpret player and team performance. Dean Oliver highlights general strategies for teams when they're winning or losing and what aspects should be the focus in either situation. He describes and quantifies the jobs of team leaders and role players, then discusses the interactions between players and how to achieve the best fit. Oliver conceptualizes the meaning of teamwork and how to quantify the value of different types of players working together. He examines historically successful NBA teams and identifies what made them so successful: individual talent, a system of putting players together, or good coaching. Oliver then uses these statistical tools and case studies to evaluate the best players in history, such as Magic Johnson, Wilt Chamberlain, Bill Russell, and Charles Barkley and how they contributed to their teams' success. He does the same for some of the NBA's oddball players—Manute Bol, Muggsy Bogues, and Dennis Rodman—and for the WNBA's top players. Basketball on Paper is unique in its incorporation of business and analytical concepts within the context of basketball to measure the value of players in a cooperative setting. Whether you're looking for strategies or new ideas to throw out while watching the ballgame at a sports bar, Dean Oliver's Basketball on Paper will give you amazing new insights into teamwork, coaching, and success.

Outside Shot Keith O'Brien, 2013-01-15 A reporting tour de force and an utterly gripping account... Outside Shot unmistakably triumphs, with the reader rooting hard for the Cardinals—and delighted that O'Brien has brought his considerable skills to telling their story. —Wayne Coffey, New York Times Book Review The Cardinals of Scott County High School were beloved once—and with good reason. For years, the boys and their legendary coach gave fans in central Kentucky, deep in the heart of basketball country, just what they wanted: state titles, national rankings, and countless trips to Kentucky's one-of-a-kind state tournament, where winning and losing can change a young man's life. But in 2009, with the economy sputtering, anger rising, and Scott County mired in a two-year drought, fans had begun to lose faith in the boys. They weren't the heroes of Scott County anymore; they were mini-athlete gods, haunted by dreams, burdened by expectations, and desperate to escape through the only means they knew: basketball. In Outside Shot, Keith O'Brien takes us on an epic journey, from the bluegrass hills and broken homes of rural America, to inner-city Lexington, to Kentucky's most hallowed hall: Rupp Arena, where high school tournament games are known to draw twenty-thousand people, and where, for the players and their fans, it feels like anything is possible. The narrative follows four of the team's top seniors and their coach as they struggle to redeem themselves in the face of impossible odds: once-loyal fans now turned against them, parents who demand athletic greatness, and scouts who weigh their every move. It delves deep inside the lives of the boys, their families, and their community—divided along lines of race, politics, religion, and sports. And it chronicles not only the high-stakes world of Kentucky basketball, but the battle for the soul of small-town America. A story of inspiration and poignancy, filled with moments of drama on and off the court, Outside Shot shows that if it's hard to win basketball games, it can be even harder to win at life itself.

Basketball and Life 2 Herb Turetzky, 2016-03-24 As his beloved affair with the game of basketball, ingrained in him as a young boy growing up in the gritty Brownsville section of Brooklyn, grew into a life-long journey around the world, Herb Turetzky suddenly found himself returning to his roots, at the newly-opened Barclays Center, just ten subway stops on the IRT New Lots line from his boyhood home. With the Brooklyn Nets' new home in his home borough, a short five-minute walk from his alma mater, Long Island University, and a thirty minute drive from his Bayside, Queens home, his almost fifty year Nets' career was rejuvenated, enabling Herb to envision continuing his amazing career while, at the same time, finding his memory of so many greats of the game rekindled. This lifetime fascination, coupled with his long-standing relationships with close boyhood friends and even closer family members, including the recent birth of his first grandchild, have enabled Herb to put together this autobiographical collection of original poetry, a strongly suggested read for followers of basketball, Brooklyn, the historic Brownsville and those with a hearty admiration of family ties.

Big Ten Basketball, 1943-1972 Murry R. Nelson, 2017-02-03 From the time conference play began in 1905, the Big Ten was the Western force in collegiate basketball. Minnesota, Wisconsin and Purdue were the first powers in the league, with a combined 23 titles by 1930. Purdue was dominant in the '30s, with seven titles under Coach Piggy Lambert, including a national title in 1935 led by player of the year John Wooden. The creation of a national tournament in 1939 showed the league's early dominance, as a different Big Ten team went to the Final Four in each of the first three years, with two wins. Over the next 30 years, the league produced some of the top teams in the country, led by Hall of Fame coaches like Branch McCracken, Walter Meanwell, Dutch Lonborg, Harold Olsen and Fred Taylor. Top players emerged from the conference, like Jerry Lucas, Cazzie Russell, John Havlicek, Terry Dischinger, Walt Bellamy, Johnny Green, Lou Hudson, Archie Clark and a host of others. This book provides the first-ever basketball history of the Big Ten.

Chasing Perfect Bob Hurley, 2013 The famed basketball coach of St. Anthony's High School in Jersey City traces his decades-long career, citing his championship coaching strategies and memorable players from the team's seven undefeated seasons.

Win 'em All Dennis Gaub, 2016-09-09 March 15, 1969: a dozen overachieving teenagers, none taller than 6-foot-2, made Montana high school history. The Laurel Locomotives toppled the larger (in terms of school enrollment and lineup size) Kalispell Braves, in overtime to finish 26-0 and capture their school's first state basketball championship. The dramatic showdown drew the biggest crowd ever for a Treasure State basketball game. Nearly 11,000 spectators filled the Montana State University Fieldhouse in Bozeman almost to the rafters. A month later, school administrators ended what made it possible for Laurel and two other smaller schools to defeat larger rivals for the state crown three times in six years. The vote to end Big 32 classification ignored its Montana Hoosiers-like appeal to fans. But serious fans haven't forgotten that period, capped by Laurel's accomplishment. Now, painstaking research and interviews of former players shed new light on events a half-century ago. Hop on the train and watch the Locomotives Win 'Em All. -- back cover.

Big Game, Small World Alexander Wolff, 2010-05-30 Alex Wolff canvasses the globe and travels to 16 different countries (and 10 states in the U.S.) to find out exactly why basketball has become a worldwide phenomenon. Whether it's in a pick-up game on the Royal court in Bhutan, in the heart of a former female college player of the year turned cloistered nun, in the tragedy of the legendary junior national team in war-torn Yugoslavia, or in the life's work of one of the greatest players to ever play in the NBA, Alex Wolff discovers that basketball can define an individual, a race, a culture, and in some instances even a country. Fusing John Feinstein's talent for finding the human drama behind sport with Bill Bryson's travelogue style, Wolff shows how the power and love of basketball extends to the four corners of the earth and engages people of all cultures, races, genders, and generations.

Winning Basketball Fundamentals Lee Rose, 2012-09-21 Lee Rose has been one of basketball's most knowledgeable and respected coaches over the past 50 years at the high school, college, and professional levels. Winning Basketball Fundamentals presents his proven program for success, the same one he used in taking teams from two different colleges to the Final Four. From offense to defense to transition play and special situations, Rose covers every tactical facet of the game and adds his insights for improving execution in each. He presents popular offensive systems—the Triangle, LA, Flex, Dribble Drive, and Motion—as well as man-to-man and zone defensive schemes, with suggestions for when and how to deploy and adjust them. Rose also teaches all the essential individual skills required for performing those tactics proficiently and consistently, with special tips for executing when the game is on the line.

Perimeter- and post-specific instruction and drills will help players build on their skills through practice. Coach Rose also shares his Performance Rating System—a tool he’s used time and again to develop some of the game’s top players. Rose explains not only how to identify strengths and weaknesses but also how to use that information to maximize the potential of individual players and the team. Flashy and fluke plays might be fun to watch, but you can’t build a successful season or career on them. Winning Basketball Fundamentals is the proven formula for developing the solid individual skills and team tactics you can count on game after game.

A Coaching Life Gary Blair,Rusty Burson,2017-01-27 “It’s still difficult to describe the scene after the final buzzer sounded, because the moment was just so damned surreal,” writes head coach Gary Blair following the conclusion of the title game of the 2011 NCAA Division I women’s basketball tournament. “So many things happened that I will never forget . . . kissing my wife on the floor of Conseco Fieldhouse . . . looking toward the stands, where my grandson was . . . flashbulbs popping as the Aggie Band played triumphantly . . . our players and coaches wildly celebrating the biggest win in women’s basketball history at Texas A&M . . . tears streaming down the faces of former players . . . I remember thinking that I wished I could somehow stop time.” This memory and countless others form the greatest treasure of Coach Blair’s life, as he makes clear in this engaging, inspiring memoir, written with veteran sports journalist and author Rusty Burson. Indeed, as Blair says, “What I cherish the most are the memories of these players and coaches.” Beyond the trophies, beyond the impressive won-lost record compiled over more than four decades of coaching, beyond even the ungrudging professional respect he has achieved among his peers in a fiercely competitive occupation, Gary Blair values the images, moments, and memories collected during a life spent doing what he loves most: coaching and mentoring young women on the basketball court. In *A Coaching Life*, Coach Blair offers readers a “freeze-frame” view of a storied career. He serves up more than a few of his favorite memories with wit, grace, and humility. In the process, he invites readers to reflect on life’s wins and losses and, most importantly, what both have to teach us.

Basketball Big Shots Jake Maddox,2021 Includes three previously published graphic basketball stories, where young teens confront problems and discover themselves through sports.

Philadelphia Big 5 M. Earl Smith,2018-10-29 In the City of Brotherly Love, there are few things taken as seriously as local bragging rights. In a city that lives and dies with its sports heroes, basketball is no exception. This volume traces the lore and history behind Philadelphia's Big 5, an informal basketball league that features five of the area's most prestigious colleges: LaSalle University, Temple University, Saint Joseph's University, Villanova University, and the University of Pennsylvania. Formed in 1955, the Big 5 pulls teams from the Ivy League, the Big East, the American Athletic Conference, and, in the case of both LaSalle and Saint Joseph's, the Atlantic 10. With a round-robin format, each team plays the other once and best record takes home the trophy. In a sport that has become a nationwide sensation, the spirit of Philadelphia lives on, led by the most loyal and passionate fans in the world.

The Big O Oscar Robertson,2003-11-15 The basketball star offers an account of his life on and off the court, detailing his accomplishments in college and in professional sports, the inherent racism in sports, and his tenure as president of the NBA Players Union.

The Big Dance Barry Wilner,Ken Rappoport,2012 Covered by four networks, allowing every game to be televised, March Madness has become an American phenomenon. This is the story of the tournament, from its beginnings seventy-three years ago as an eight-team bracket to today's sixty-eight-team format--from Cinderella teams, to perennial powerhouses, to buzzer-beaters, upsets, and dynasties.

A Priest, A Dog, and small college basketball--the Zany and Winning Antics of Two Elderly Coaches Kirby Whitacre,2022-08-23 When the priest-president of a financially-strapped, small Catholic college turns to two elderly coaches to resurrect his men’s basketball program, the results are a zany combination of unorthodox recruiting and player hijinks. The often hilarious situations and outcomes lead to an unusual success story and an inspiring formula for human connection, inclusion, and friendship. Kirby Whitacre is a retired educator, athletic administrator, and basketball coach. He is an avid amateur historian whose last novel, *The Spirit Traveler*, *The Northwest Indian War in the Ohio Country*, is an exciting adventure detailing the 1790-95 Indian War in the Northwest Territory. Kirby is a student of Mahayana Buddhism and has published the book, *Buddhism, A Westerner’s Compendium*. He has attended several teachings by His Holiness, The Dalai Lama. Kirby also served as the ghostwriter for the autobiography of Calvin Swan, *Faith of An Unwanted Child*. Gene Keady Gene Keady,2005 Respected for getting the most from his hard-working players, Gene Keady possesses a fiercely competitive drive which he learned from his father, Lloyd, while growing up in Larned, Kan. For the past 25 seasons, Keady's Purdue Boilermakers were among the Big Ten Conference's most difficult opponents, winning 512 of 772 games, including six Big Ten championships and a pair of trips to the NCAA tournament's Elite Eight. While many know Keady for his fiery sideline demeanor and classic fist pump in a moment of athletic passion, this former national coach of the year has a softer side, which includes an honest respect for the media and a terrific sense of humor. Within the pages of *The Truth and Nothing But the Truth*, the recently retired Purdue coach talks about everything from his relationship with Texas Tech coach Bob Knight, who was Keady's rival for 20 seasons at Indiana, to how the Boilermakers were able to successfully recruit 1994 National Player of the Year Glenn Robinson out of Gary Roosevelt High School in Lake County, Ind.Keady, 68, explains details how his father?a boxer turned wholesale florist?instilled a deep-seeded love for athletics, which Keady parlayed into a successful playing career at Larned High School, Garden City (Kan.) Junior College and then Kansas State University. Keady was signed by the National Football League's Pittsburgh Steelers in the summer of 1958, but a knee injury cut his pro football career short. He returned to Kansas, accepting a teaching/coaching position at Beloit High School, where basketball?not football?was the only coaching post available. The rest is history. In April, 1980, Keady accepted then-Purdue athletic director George King's offer to replace Lee Rose, who left West Lafayette for a South Florida job. Keady rolled up his sleeves and put Purdue on the college basketball map in a state where Bob Knight and the Indiana Hoosiers were the high-profile targets. It took Keady only four seasons to win his first Big Ten title. From there, he became one of college basketball's icons, while never losing the common touch he learned from his hardworking father in western Kansas.
