The Big Indian Wedding Sakshi Salve, 2015

Ishtyle Kareem Khubchandani, 2020-07-16 Ishtyle follows queer South Asian men across borders into gay neighborhoods, nightclubs, bars, and house parties in Bangalore and Chicago. Bringing the cultural practices they are most familiar with into these spaces, these men accent the aesthetics of nightlife cultures through performance. Kareem Khubchandani develops the notion of “ishtyle” to name this accented style, while also showing how brown bodies inadvertently become accents themselves, ornamental inclusions in the racialized grammar of desire. Ishtyle allows us to reimagine a global class perpetually represented as docile and desexualized workers caught in the web of global capitalism. The book highlights a different kind of labor, the embodied work these men do to feel queer and sexy together. Engaging major themes in queer studies, Khubchandani explains how his interlocutors’ performances stage relationships between: colonial law and public sexuality; film divas and queer fans; and race, caste, and desire. Ultimately, the book demonstrates that the unlikely site of nightlife can be a productive venue for the study of global politics and its institutional hierarchies.

More Than Bollywood Gregory D. Booth, Bradley Shope, 2014 This is the first book to tackle the diverse styles and multiple histories of popular musics in India. It brings together fourteen of the world's leading scholars on Indian popular music to contribute chapters on a range of topics from the classic songs of Bollywood to contemporary remixes, summarized by a reflective afterword by popular music scholar Timothy Taylor. The chapters in this volume address the impact of media and technology on contemporary music, the variety of industrial developments and contexts for Indian popular music, and historical trends in popular music development both before and after the Indian Independence in 1947. The book identifies new ways of engaging popular music in India beyond the Bollywood musical canon, and offers several case studies of local and regional styles of music. The contributors address the subcontinent's historical relationships with colonialism, the transnational market economies, local governmental factors, international conventions, and a host of other circumstances to shed light on the development of popular music throughout India. To illustrate each chapter author's points, and to make available music not easily accessible in North America, the book features an Oxford web music companion website of audio and video tracks.

Bad Money Vivek Kaul, 2020-06-10 Over the last decade, Indian banks in general and the government-owned public sector ones in particular have gradually got themselves into a big mess. Their bad loans, or loans which haven't been repaid for ninety days or more, crossed Rs 10 lakh crore as of 31 March 2018. To put it in perspective, this figure is approximately seven times the value of farm loan waivers given by all state governments in India put together. And this became the bad money of the Indian financial system. Why were the corporates unable to return these loans? Was it because they had no intention of doing so? Who were the biggest defaulters of them all? Are Vijay Mallya and Nirav Modi just the tip of the iceberg? How much money has the government spent trying to rescue these banks? How are the private sector banks gradually taking over Indian banking? Is your money in public sector banks safe? How are you paying for this in different ways? And what are the solutions to deal with this? In *Bad Money*, Vivek Kaul answers these and many more questions, peeling layer after layer of the NPA (non-performing assets) problem. He goes back to the history of Indian banking, providing a long, deep and hard look at the overall Indian economy. The result is a gripping financial thriller that is a must for understanding a crisis that threatens our banking system and economy.

Pink Sari Revolution: A Tale of Women and Power in India Amana Fontanella-Khan, 2013 Describes the Pink Gang, an Indian women's grassroots vigilante group, 20,000-members strong, who fight for women's rights throughout the country and highlights the stories of the women they have helped and the tactics they used. 10,000 first printing.

Allah Made Everything Zain Bhikha, 2019-06-03 Allah Made Everything, the song book, is based on the lyrics of the well-loved children's song by renowned singer and songwriter Zain Bhikha. The song was first released in 2015, and together with the hit video, has become one of the most popular Muslim children's songs across the world.

The Best of Satyajit Ray 1 Satyajit Ray, 2023-02-06 Satyajit Ray (1921-1991), polymath, polyglot, novelist, short-story writer, illustrator, designer, music composer, was one of the most eminent film directors of world cinema. His *Pather Panchali* (Song of the Little Road, 1955) established his position as a major film director, winning numerous awards. Recipient of the Lifetime Academy Award in 1992 'In recognition of his rare mastery of the art of motion pictures and for his profound humanitarian outlook, which has had an indelible influence on filmmakers and audiences throughout the world', Ray took Indian cinema to a grand platform hitherto unachieved by any Indian film director. Not to have seen the cinema of Ray means,' said Akira Kurosawa, 'existing in the world without seeing the sun or the moon.' While Ray's films are fairly well-known, his writings-fiction and non-fiction-written in Bengali and English continue to attract attention. His illustrations, design works, comic strips, science fictions, detective stories are gems of Indian literature. Ray's non-fictions are gems, which bring to lights his thoughts on film-making, film appreciation, composition of music, art, design and screenplay, among others. 'The Penguin Ray Library' is an endeavour to open a window to the master's writings to a wide spectrum of readers. From the ever-popular adventures of Ray's enduring creation, the professional sleuth Feluda to the chronicles of Professor Shonku; short stories; writings on filmmaking; and thoughts on world as well as Indian cinema, among others, this anthology, a two-volume boxset, *The Best of Satyajit Ray* is not only a treat for the Ray enthusiasts but also a collector's edition.

School, Family, and Community Partnerships Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

With audio material available on the accompanying website and Android/iOS apps, there has never been a better time to learn English.

Long Walk to Freedom Nelson Mandela,2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Testimonios: Stories of Latinx and Hispanic Mathematicians Pamela E. Harris,2021-08-16 Testimonios brings together first-person narratives from the vibrant, diverse, and complex Latinx and Hispanic mathematical community. Starting with childhood and family, the authors recount their own individual stories, highlighting their upbringing, education, and career paths. Their particular stories, told in their own voices, from their own perspectives, give visibility to some of the experiences of Latinx/Hispanic mathematicians. Testimonios seeks to inspire the next generation of Latinx and Hispanic mathematicians by featuring the stories of people like them, holding a mirror up to our own community. It also aims to provide a window for mathematicians (and aspiring mathematicians) from all ethnicities, with the hope of inspiring a better understanding of the diversity of the mathematical community.

I Too Had a Love Story Ravinder Singh,2018-01-15 This 10th anniversary edition of I Too had a Love Story brings to life one of the decade's most-loved romance novels with gorgeous illustrations in a brand new design. With a personal note from the author, this book is a collector's edition. It will also make for a fabulous gift. Do love stories ever die? . . . How would you react when a beautiful person comes into your life, and then goes away from you . . . forever? Not all love stories are meant to have a perfect ending. I Too Had a Love Story is one such saga. It is the tender and heartfelt tale of Ravin and Khushi--two people who found each other on a matrimonial site and fell in love . . . until life put their love to the ultimate test. Romantic, emotional and sincere, this heartbreaking true life story has already touched a million hearts. This bestselling novel is a must-read for anyone who believes in the magic of love . . .

The Republic of India Alan Gledhill,2013

Mindset Carol S. Dweck,2007-12-26 From the renowned psychologist who introduced the world to “growth mindset” comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes “It’s not always the people who start out the smartest who end up the smartest.” After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Encyclopaedia of Hindi Cinema Gulazāra,Govind Nihalani,Saibal Chatterjee,2003 The Encyclopaedia Which Brings Together An Array Of Experts, Gives A Perspective On The Fascinating Journey Of Hindi Cinema From The Turn Of The Last Century To Becoming A Leader In The World Of Celluloid.

Willie Nelson Joe Nick Patoski,2008-04-21 From his first performance at age four, Willie Nelson was driven to make music and live life on his own terms. But though he is a songwriter of exceptional depth - Crazy was one of his early classics - Willie only found success after abandoning Nashville and moving to Austin, Texas. Red Headed Stranger made country cool to a new generation of fans. Wanted: The Outlaws became the first country album to sell a million copies. And On the Road Again became the anthem for Americans on the move. A craggy-faced, pot-smoking philosopher, Willie Nelson is one of America's great iconoclasts and idols. Now Joe Nick Patoski draws on over 100 interviews with Willie and his family, band, and friends to tell Nelson's story, from humble Depression-era roots, to his musical education in Texas honky-tonks and his flirtations with whiskey, women, and weed; from his triumph with #1 hit Always On My Mind to his nearly career-ending battles with debt and the IRS; and his ultimate redemption and ascension to American hero
