The Gardnerian Book of Shadows Gerald Gardner,2020-09-28 Magus leaves circle by the doorway, goes to Postulant, and says, Since there is no other brother here, I must be thy sponsor, as well as priest. I am about to give you a warning. If you are still of the same mind, answer it with these words: 'Perfect Love and Perfect Trust.' Placing the point of the sword to the Postulant's breast, he says, O thou who standeth on the threshold between the pleasant world of men and the domains of the Dread Lords of the Outer Spaces, hast thou the courage to make the Assay? For I tell thee verily, it were better to rush on my weapon and perish miserably than to make the attempt with fear in thy heart. Postulant: I have two Passwords: Perfect Love and Perfect Trust. Magus drops the sword point, saying, All who approach with perfect love and perfect trust are doubly welcome. Going around behind her, he blindfolds her, then putting his left arm around her waist and his right arm around her neck, he pulls her head back, says, I give you the 3rd password, a Kiss to pass through this dread Door, and pushes her forward with his body, through the doorway and into the circle. Once inside, he releases her saying, This is the way all are first brought into the circle. Magus closes the doorway by drawing the point of the sword across it three times, joining all three circles, saying, Agla, Azoth, Adonai, then drawing three pentacles to seal it. Magus guides Postulant to south of altar, and whispers, Now there is the Ordeal. Taking a short piece of cord from the altar, he ties it around her right ankle, saying, Feet neither bound nor free. Taking a longer cord, he ties her hands together behind her back, then pulls them up, so that the arms form a triangle, and ties the cord around her neck, leaving the end dangling down in front as a Cable Tow. With the Cable Tow in his left hand and the sword in his right hand, the Magus leads her sunwise around the circle to the east, where he salutes with the sword and proclaims, Take heed, O Lords of the Watchtowers of the East, (name), properly prepared, will be made a Priestess and a Witch. Magus leads her similarly to the south, west, and north, making the proclamation at each quarter. , clasping Postulant around the waist with his left arm, and holding the sword erect in his right hand, he makes her circumambulate three times around the circle with a half-running, half-dancing step. He halts her at the south of the altar, and strikes eleven knells on the bell.

Game of Shadows Mark Fainaru-Wada, Lance Williams, 2006-03-23 In the summer of 1998 two of baseball leading sluggers, Mark McGwire and Sammy Sosa, embarked on a race to break Babe Ruth's single season home run record. The nation was transfixed as Sosa went on to hit 66 home runs, and McGwire 70. Three years later, San Francisco Giants All-Star Barry Bonds surpassed McGwire by 3 home runs in the midst of what was perhaps the greatest offensive display in baseball history. Over the next three seasons, as Bonds regularly launched mammoth shots into the San Francisco Bay, baseball players across the country were hitting home runs at unprecedented rates. For years there had been rumors that perhaps some of these players owed their success to steroids. But crowd pleasing homers were big business, and sportswriters, fans, and officials alike simply turned a blind eye. Then, in December of 2004, after more than a year of investigation, San Francisco Chronicle reporters Mark Fainaru-Wada and Lance Williams broke the story that in a federal investigation of a nutritional supplement company called BALCO, Yankees slugger Jason Giambi had admitted taking steroids. Barry Bonds was also implicated. Immediately the issue of steroids became front page news. The revelations led to Congressional hearings on baseball's drug problems and continued to drive the effort to purge the U.S. Olympic movement of drug cheats. Now Fainaru-Wada and Williams expose for the first time the secrets of the BALCO investigation that has turned the sports world upside down. Game of Shadows: Barry Bonds, BALCO, and the Steroid Scandal That Rocked Professional by award-winning investigative journalists Mark Fainaru-Wada and Lance Williams, is a riveting narrative about the biggest doping scandal in the history of sports, and how baseball's home run king, Barry Bonds of the San Francisco Giants, came to use steroids. Drawing on more than two years of reporting, including interviews with hundreds of people, and exclusive access to secret grand jury testimony, confidential documents, audio recordings, and more, the authors provide, for the first time, a definitive account of the shocking steroids scandal that made headlines across the country. The book traces the career of Victor Conte, founder of the BALCO laboratory, an egomaniacal former rock musician and self-proclaimed nutritionist, who set out to corrupt sports by providing athletes with "designer" steroids that would be undetectable on "state-of-the-art" doping tests. Conte gave the undetectable drugs to 28 of the world's greatest athletes—Olympians, NFL players and baseball stars, Bonds chief among them. A separate narrative thread details the steroids use of Bonds, an immensely talented, moody player who turned to performance-enhancing drugs after Mark McGwire of the St. Louis Cardinals set a new home run record in 1998. Through his personal trainer, Bonds gained access to BALCO drugs. All of the great athletes who visited BALCO benefited tremendously—Bonds broke McGwire's record—but many had their careers disrupted after federal investigators raided BALCO and indicted Conte. The authors trace the course of the probe, and the baffling decision of federal prosecutors to protect the elite athletes who were involved. Highlights of Game of Shadows include: Barry Bonds A look at how Bonds was driven to use performance-enhancing drugs in part by jealousy over Mark McGwire's record-breaking 1998 season. It was shortly thereafter that Bonds—who had never used anything more performance enhancing than a protein shake from the health food store—first began using steroids. How Bonds's weight trainer, steroid dealer Greg Anderson, arranged to meet Victor Conte before the 2001 baseball season with...
