### Paradise Island, Heavenly Journey Jon

Magee, 2010-12-03 Dr. Kate Hartig writes In his recently published first book *From Barren Rocks to Living Stones* Jon Magee recounts his teenage years living in Aden, Yemen, during the mid 1960s. In *Paradise Island* Jon travels back to an earlier period of his childhood. He reflects on his life as a young boy living with his family in Singapore during the 1950's. He discusses the trials and joy of British military family life living in what was once part of the British Empire. But like Jon's memoirs of Aden, the 1950s in Singapore was also a period of considerable change as Britain was forced to accept the ending of its colonial powers in far away 'exotic' places. But for Jon, it was an ideal childhood full of adventure and new experiences, from new foods to strange plants and significantly new friends that cut across cultural barriers. Today, Singapore presents itself as a modern, bustling cosmopolitan city. With the kampongs (villages) and jungle areas now replaced by high- rise residential apartments and manicured parklands the perception of Singapore as a "paradise island" is possibly difficult to comprehend. But Jon's memories brings back an earlier time when life was perhaps not so much simpler but different. So different that it was life changing. This story is set within the context of many journeys, Jon's journey through early childhood, the family's journeys between Singapore and Britain and most significantly his parents' profound spiritual journey back to their saviour and God. Dr Kate Hartig (PhD) Jon Magee

continues to reveal the wealth of story telling that is based upon life experiences within the world. This book, following on from the action of Aden (Yemen), now details the search for truth, peace and sense of purpose lived out in Singapore in the 1950's.

**Island in the Bubble** Julie Christian, 2017-07-13  
Are you tired of romantic relationships that feel

like roller coasters, but are not amusing? Would you like your relationship to be more like a romance and less like a drama? Have you had enough of on-again, off-again partners and stressful breakups that leave you with baggage? Do you have questions about physical intimacy in Christian dating? It's time to get off the roller coaster, get rid of that baggage, find your perfect soul mate, and enjoy a beautiful, blissful romance. Your soul mate is out there, and you can have true love that lasts-a vibrant, passionate, and healthy relationship that endures until death do us part. Do you want to finally experience true love without pain? Read *Island in the Bubble* to overcome the cycle of relationship failures and dates with the wrong person and instead create an enduring paradise with the love of your life. A note from Julie: When I was single, I secretly harbored the belief that I did not deserve a wonderful Christian man. I never readily admitted this to myself, but my choices in life clearly reflected this sentiment. I frequently chose men who did not honor me, themselves, or God. Then, after finding myself emotionally connected to one of these men, I would spend months in turmoil because he couldn't be the man I needed him to be. We would break up and make up and then break up again in a relentless cycle of drama and exhaustion that stole the peace God desired for me. After YEARS of this tiring cycle, I found myself at rock bottom. I had inflicted so much pain on myself through my choices of men and my mistaken belief that this is what I deserved that I could no longer endure stepping onto the

treadmill of doomed relationships. I resolved not to participate in relationships as I had in the past, and vowed to do things differently in the future. I clung to God and trusted that somehow, He would teach me what different was. I met Mike on the popular dating website, eHarmony. He was definitely different. At first, I felt intense resistance to dating Mike. During our first few dates, I felt pulled away from him and toward other men who were more worldly. But, I also felt God quietly and gently whispering to me that I had asked for different, and here it was. What I found difficult in the beginning to embrace became exactly what I had been longing for. Mike always put me first. From that first date until now, four months into marriage and following a sleepless night, he never fails to love me sacrificially as Christ loved His precious church. This is what I want to convey to anyone considering reading this book. If you believe that because of your life or choices you are not worthy of this kind of love--love that would DIE for you--then you need to read this book. It offers a beautiful example of what is possible if you simply surrender and LISTEN to what God says about you. The Lord said to me, 'Go, show your love to your wife again, though she is loved by another and is an adulteress. Love her as the Lord loves the Israelites, though they turn to other gods...' So I bought her for fifteen shekels of silver and about a homer and a lethek of barley. Hosea 3:1-2 If you can't believe that YOU are just as worthy of love, then take heart. You are worthy of the most amazing and beautiful love right now, today. Jesus sees you exactly as you

are, with all your mistakes and bad choices and loves you with every ounce of His being. He chose to give His life on the cross for YOU. If you need help understanding HOW to let Jesus into your heart, I invite you to message me on our message board at <http://teamawful.com/s-o-s-support-sisters-forums/> or email me at [tmawful@gmail.com](mailto:tmawful@gmail.com). Please read this story of a gift given to those who do not deserve it and who can never repay it and be blessed with HOPE--HOPE that YOU are worthy of such a gift as well.

**The Bubble** Sylvie Short, 2010-07 If paradise existed on earth would we enjoy or destroy it? For the villagers of Upper, Lower and Middle West Side, life in 2020 is a mad scramble to achieve

and acquire; a dash into each day, which they have to come to accept as normal. One of two of the older inhabitants occasionally cast wistful backward glances to an age when people seemed kinder to each other; still, time marches on... changes are inevitable... Then the bubble comes suddenly and without warning one cold January day. Clearer than glass, harder than diamond, the villagers stare through the bubble in bewilderment at the familiar, yet unreachable, scene beyond. They gaze upwards. Is there a top to this? Will the air run out? What happens when the water, gas and electricity are cut off? What exactly is it? Why is it there and where has it come from? They try everything to break through it, but to no avail. Is it some kind of joke? They are perplexed when no-one, from family to work colleagues, seems to be missing them. They are afraid; but outrage and panic gradually give way to a calm resourcefulness as a new and fulfilling way of life is created under the guiding hand of a stranger who appears in their midst. But who is he? And is this paradise sustainable, or will it be shattered by the corrupt and evil Gordon Golightly?
