**The Dhammapada** Buddha, 2011-12-20 Trembling and quivering is the mind, Difficult to guard and hard to restrain. The person of wisdom sets it straight, As a fletcher does an arrow. The Dhammapada introduced the actual utterances of the Buddha nearly twenty-five hundred years ago, when the master teacher emerged from his long silence to illuminate for his followers the substance of humankind's deepest and most abiding concerns. The nature of the self, the value of relationships, the importance of moment-to-moment awareness, the destructiveness of anger, the suffering that attends attachment, the ambiguity of the earth's beauty, the inevitability of aging, the certainty of death—these dilemmas preoccupy us today as they did centuries ago. No other spiritual texts speak about them more clearly and profoundly than does the Dhammapada. In this elegant new translation, Sanskrit scholar Glenn Wallis has exclusively referred to and quoted from the canonical suttas—the presumed earliest discourses of the Buddha—to bring us the heartwood of Buddhism, words as compelling today as when the Buddha first spoke them. On violence: All tremble before violence./ All fear death./ Having done the same yourself,/ you should neither harm nor kill. On ignorance: An uninstructed person/ ages like an ox,/ his bulk increases,/ his insight does not. On skillfulness: A person is not skilled/ just because he talks a lot./ Peaceful, friendly, secure—/ that one is called “skilled.” In 423 verses gathered by subject into chapters, the editor offers us a distillation of core Buddhist teachings that constitutes a prescription for enlightened living, even in the twenty-first century. He also includes a brilliantly informative guide to the verses—a chapter-by-chapter explication that greatly enhances our understanding of them. The text, at every turn, points to practical applications that lead to freedom from fear and suffering, toward the human state of spiritual virtuosity known as awakening. Glenn Wallis's translation is an inspired successor to earlier versions of the suttas. Even those readers who are well acquainted with the Dhammapada will be enriched by this fresh encounter with a classic text.

I Can't Believe It's Not Buddha! Bodhipaksa, 2018-11-06 Quotes from the Buddha are everywhere: on Facebook, Instagram, coffee mugs, posters. There's only one problem: the Buddha didn't actually say most of them. This humorous and informative book takes these fake Buddha quotes as a launching point for a discussion on what the Buddha really did say, and is a great entry point for those interested in learning more about Buddhism—what it is, and what it isn't. Bodhipaksa, a well-known Buddhist teacher and the founder of [fakebuddhaquotes.com](http://fakebuddhaquotes.com), takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, *I Can't Believe It's Not Buddha!* is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

What the Buddha Taught Walpola Rahula, 2007-12-01 “A terrific introduction to the Buddha's teachings.” —Paul Blairon, *California Literary Review* This indispensable volume is a lucid and faithful account of the Buddha's teachings. “For years,” says the *Journal of the Buddhist Society*, “the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the subject. Dr. Rahula's *What the Buddha Taught* fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to ‘the educated and intelligent reader.’ Authoritative and clear, logical and sober, this study is as comprehensive as it is masterly.” This edition contains a selection of illustrative texts from the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index. “[Rahula's] succinct, clear overview of Buddhist concepts has never been surpassed. It is the standard.” —*Library Journal*

Quotes & Sayings from Buddhist Masters Sati Dhamma, 2018-06-30 Buddhist Quotes by Thich Nhat Hanh, Buddha, Dalai-Lama, Pema Chödrön... A disciplined mind brings happiness. Buddha In mindfulness one is not only restful and happy, but alert and awake. Meditation is not evasion; it is a serene encounter with reality. Thich Nhat Hanh If you light a lamp for somebody, it will also brighten your path. Buddha In our struggle for freedom, truth is the only weapon we possess. Dalai-

Lama Being interested in the Buddha's teaching is not a coincidence; through our lives, we have been learning about the ultimate truth, the deeper meaning of life. We have been learning from different traditions, various teachers and gurus. And sometimes we came across the teaching of the Buddha. Where there is no dogma, no rules to follow but a clear understanding of reality and its laws. Life is built around principles, that makes our world, our universe, stable and harmonious. Knowing those rules allows us to align ourselves to this harmony... The Buddha simply gave us a way to find the alignment faster. The summary the Buddha once gave to a monk was: First establish yourself in the starting point of wholesome states, that is, in purified moral discipline and in right view. Then, when your moral discipline is purified and your view straight, you should practice the four foundations of mindfulness. To give you a clear direction and view about this beautiful path, I will start this book with Quotes directly from the Buddha and will continue with Quotes from different monks, Lamas and Zen teachers who have shared their understanding through the ages. Happiness is not something ready-made. It comes from your own actions. Dalai-Lama The Buddha teaches that there is one defilement which gives rise to all the others, one root which holds them all in place. This root is ignorance (avijja). Bhikkhu Bodhi The Buddha says that the Dhamma, the ultimate truth of things, is directly visible, timeless, calling out to be approached and seen. He says further that it is always available to us, and that the place where it is to be realized is within oneself. Bhikkhu Bodhi Happiness will never come to those who fail to appreciate what they already have. Buddha May you all be liberated, may you carry the burden easily and keep yourself happy. Sati Dhamma

*Jesus and Buddha* Marcus Borg, 2023-01-03 Side-by-side examples that let you discover the teachings of Jesus and Buddha—and the striking similarities between them. This stunning collection is perfect for those curious about the influential teachers Jesus and Buddha, and their lessons of peace, love, patience, and kindness. Witness as two of the most holy beings meet in a thought-provoking encounter of the spirit. Compare the Bible verse: “Jesus knew all people and needed no one to testify about anyone; for he himself knew what was in everyone” (John 2.24-25) to the Buddhist scripture: “He was expert in knowing the thoughts and actions of living beings” (Vimalakirtinirdesha Sutra 2). Written by a renowned New Testament scholar and national bestselling author, and with an introduction by Jack Kornfield, *Jesus and Buddha* is a timeless testament to what makes us similar rather than different. With over 100 examples presented side by side, this is a perfect book for anyone interested in Christianity, Buddhism, mindfulness, meditation, and all ways of seeking enlightenment.
