My Bunny Rabbit Adventures Robert Smith, 2017-05-30 Hello. My name is Robert, and I live with my mummy and daddy in a nice house with a lovely garden in the countryside. Next to our house are woods that have all kinds of trees and bushes in them. Some are very big, and some are very small. There are also lots of animals that live in the woods. Most of them are very shy and only come out to eat and play when it is quiet and when we have gone to bed. However, there are lots of little bunny rabbits who also live there, and they are all my friends. This storybook is about the adventures of some of those bunnies and the things they learned from their adventures. Their names are Hector, Florence, Harry, Tyler, William, Bertie, Gertie, and Brian. I hope you enjoy reading this book as much as I did writing it!

Adventures of the Super Bunny Club Dale

Perry,2019-02-05 *Adventures of the Super Bunny Club* follows a bunny named Blue as he's introduced to the wild, wonderful, and WHOOSH-ing world of international floppy-eared intrigue where there's much more to being a bunny than hoomins realize. Along the way, Blue meets other bunnies, some of whom look a lot like him but couldn't be more different. Together with his friends, they establish themselves as a competent (and hungry) team of spy bunnies who have everything it takes to teleport around the world, create a variety of disguises and plans, and work with other animals when the situation calls for it. For the Super Bunny Club, one mission rises above all others: sharing Blue's rules of the Super Bunny Club that allow others to reach their full potential, work and live alongside others, and realize what it means to be a true friend and outstanding bunny. Find out how much hoomins can learn from their twitchy-nosed, carrot-loving companions in

this bunderful tale!

Billy and the Easter Bunny's Adventures Through the Alphabet
Dave O'Shea, 2017-09-16 *Billy and the Easter Bunny's Adventures Through the Alphabet* is a unique adult coloring book / pseudo-graphic novel from the mind of San Francisco artist and independent filmmaker, Dave O'Shea. The story centers around Billy, a curious young boy who befriends the Easter Bunny after finding him showering in his parents' bathroom one day. In exchange for Billy keeping his mouth shut about breaking into his house, the Easter Bunny takes him on an educational journey through the alphabet, teaching him hundreds of fun words and valuable life lessons about the great, big world around them (through the Bunny's jaded and extremely cynical filter, of course). So join Billy and the Easter Bunny on this whimsical and unpredictable trek from A (Alien) to Z (Zen). You'll be glad you did. **PARENTAL ADVISORY: Contains graphic images (including violence, nudity, the Clergy, etc.) and some uncomfortable truths, not recommended for children or adults.
