#### Rubber Suits & Lukewarm Soup Steven

Randall, 2017-05-15 A desire to become a professional pilot against the odds and without the benefit of wealthy relatives leads to a journey through some unusual jobs including theft investigator, car salesman, personal loans agent, telephone salesman and finance company repo man. When the opportunity to join an airline is abruptly halted by bureaucracy, a determination to continue flying results in an accidental career as one of the busiest oceanic ferry pilots in the world. Fly along on nine very different delivery flights and experience the literal highs and lows of these dangerously exciting journeys across our oceans. Read about flights from dirt tracks in Russia, fuel leaks in Iceland, mechanical issues in war-torn Africa, low fuel across the Pacific and flying through the waves of the Atlantic Ocean! Meet some of the people, the machines and the cultures encountered as a risky game against ever diminishing luck is played out in some of the most remote and lonely places on earth.

Baltic Cities Neil Taylor, 2008 A revamped and expanded version of Bradt's Baltic Capitals, this guide recognises a shift in the nature of travel in the region. No longer limited to a Baltics' itinerary covering Tallinn, Riga and Vilnius, the guide incorporates the Russian enclave of Kaliningrad, the Baltic coast from Klaipeda to Liepaja, and inland cities of Kaunas and Tartu. Whereas the Baltic states reflect western European influence, Kaliningrad - an offshoot of Russia - is very different: the Cyrillic alphabet remains and tourists can still see a statue of Lenin, or walk along a Revolution Road. The perfect companion, *Baltic Cities* details each city's historic sights, from museums to churches, together with scenic walking tours and essential details of where to eat and stay.
