Calista V. Luther

**Calista's Men** Jory Strong,Lacey Alexander,Elizabeth Lapthorne,2005-12 Have you ever wondered what it would be like with a woman we actually cared about? One who belonged just to us? One who wanted more from us than a good time... A woman we could have together or separately. One who saw us as individuals who came as a package deal? One who was waiting for us at the end of the day? No. No? I like them easy and I like to share them with you. End of story, Benito.Getting involved with any woman, much less one who might ultimately drive a wedge between him and Benito, is the last thing Dante needs, especially now, when his life is already in turmoil. The wealthy, influential family of a murder suspect he killed in the line of duty is portraying him as a trigger-happy vigilante, putting his career and reputation on the line.But as soon as he sees Calista Burke - and witnesses Benito's identical reaction to her - he knows the stakes have just gotten higher and a lifetime of never risking his heart is about to be put to the test.--Publisher's description.

Calista Jessica Caryn ,2020-08-05 Myrtle Beach, #7 Everything was falling into place for Calista Montoya. She didn't like being messy and was open and honest about dating. A last-minute cancellation had her ringing in the New Year with friends. Calista was ready for everything the night would bring but didn't expect to meet Kildare Jackson. He was quiet one minute and passionate the next. Calista was determined to have all her heart desired. Kildare Jackson's life was work, sex, repeat. He checked Calista out before she sent her number his way, but there's trouble around the corner. Kildare didn't think twice about protecting Calista. He knew having her in his space could cause stress and expose issues he wanted to hide. Kildare will have to decide if she's worth the risk.

But when a lucrative business offer brings them back to Bayfront, something even more tempting will distract them both—their drop-dead gorgeous childhood best friend, Fallon Carteris. And these billionaires will do whatever they can to bring her to their bed! Fallon has never been able to decide which man she desires more, nor could she ever choose between them—and quickly learns she doesn't have to. When Fallon confesses she's always wanted the two men, they both pursue her. As the love triangle heats up, their emotions become as entangled as their bodies. But is their love strong enough to keep their threesome together?

**Wait for Me** Lucy Paul,2019-02-23 I never believed that love triangles really existed. In movies and books, yes, but not in real life for real people.Until I found myself in the middle of one.Even with distance separating us, I'd loved Tanner for years. He had always been my rock and I wouldn't know what to do without him in my life.My love for Dakota was new. We fell hard and fast and...well...I had a hard time picturing my life without him either.My heart was being pulled in two different directions and I had a life-altering decision to make...The cross-country Prince Charming who melted my heart? Or the unpredictable bad boy who melted my panties?

Calista Green A. J. Butcher,2005 Orphaned computer expert Calista Cross is a graduate of the Deveraux College, the highly secret school for teenage spies. And at the moment, she's not coping. Ben Stanton's death has hit her hard and she's so unfocused that she's in danger of being mind-wiped and expelled by the Devereaux organisation. What Cally needs is some action, and a new case involving the suspicious deaths of several nanotech specialists seems just the thing. But an anonymous email hinting that Cally could be close to finding out about her parents turns the case from professional to very, very personal. And more than one surprise is waiting for her. Look out for: EDWARD RED - ANGEL BLUE - BENJAMIN WHITE - JAKE BLACK - AGENT ORANGE

Step-brothers Nate Dalton and Tristan Reeves have built a global communications empire that laid the groundwork for their ten-year homecoming to Bayfront. But more important than success is winning the love of the one woman neither has gotten off his mind or out of his system no matter how much time and distance spans between them—sensational and highly addictive Liv Tyner! As a slow seduction begins and all their juicy secrets are revealed, can these star-crossed lovers find themselves in the right place, at the right time, to make a more permanent love connection?

*The Billionaires* Calista Fox,2017-04-04 100 Shades of Sin... In *The Billionaires*, Calista Fox delivers a sexy and sensuous friends-to-lovers tale with a delicious love triangle twist. Jewel Catalano, Rogen Angelini, and Vin D'Angelo had been childhood best friends, spending every possible moment with one another. Rogen became her first love, the first one to show her what pleasure could be. Until a volatile feud erupted between their powerful California wine country families and she and Rogen were torn apart from each other. What she didn't expect was to find comfort and passion like she had never known in Vin's arms and bed. But when that too ended in disaster, Jewel moved to San Francisco to work for the Catalano empire. Years later, a series of daring acquisitions brings Jewel back to River Cross, the hometown where Rogen and Vin have recently returned as well. Jewel has the curves, the smarts, and the success to bring any man to his knees—especially the two men who remained best friends and still burn to possess her. Mixing family business with erotic pleasure ignites a smoldering love triangle. But in order to pull off the bold deal that will build the trios' own legacy and to stay in their heady, sensual paradise, they must discover what true love really is—or lose everything their hearts' desire, in *The Billionaires* by Calista Fox.
