During the journey of figuring out who, she discovers a dark family secret.

When a Scot Gives His Heart Julie Johnstone,2018-05-02 Love touched them. Treachery divided them. One night of passion binds them. Betrayed by her father, Marsaili Campbell risks her life to recover what he has stolen from her. But when she's kidnapped and wagered away, she has no one to help her escape other than the very man she's spent the past three years trying to forget—Highland warrior Callum Grant. She once gave her heart and her innocence to the handsome Scot, only to regret her naive decisions. Still, with more enemies than she can battle alone, she needs an ally, even if she must hide the truth of her circumstances from him. Laird Callum Grant thrust his clan into war for the love of a woman, only to lose her forever. But when the woman he believed dead appears at his clan's tourney in dire trouble, there's no denying Marsaili has been alive all this time. With his clan weakened from the years of raids and battles, however, he cannot afford to do anything that would ruin the betrothal he's made to secure his clan's future. Yet he can't turn away from the woman who once beguiled him body and soul. As Callum and Marsaili embark on a dangerous journey, each touch, each look, each clash of wills reignites their desire in an all-consuming inferno. But the secret Marsaili keeps and the duty that shackles Callum are threatening to destroy them. That is, unless they can learn that love, once truly given, is unbreakable.

Forever Be Mine Lauren Smith,2019-02-16 What's love got to do with it? Celia Lynton had been told her entire life that she couldn't marry for love, marriage should be a business agreement, poor men were only after the family fortune, blah, blah, blah. But now, there is no fortune. There's only debt, and an urgency to find a way to pay her younger brother's tuition at a school that can tend to his special needs. So yeah, there's going to be a marriage. One of convenience. Just like her parents wanted. She'll marry a future Scottish earl—a very rich future earl—and her brother will get to attend school. There's just one problem: Celia is in love with another man. You can't always get what you want. Carter Martin has loved Celia since they were kids. Never mind he's too quiet, too studious for someone who lights up a room when she smiles, add to that his father works for her family. Being the son of the “help,” he could never be good enough for her. So he's worked hard his entire life to show his boss, the Earl of Pembroke, that he can take over his father's position as Steward of the estate some day and take care of the family who has taken care of his for generations. Little does he know, Celia has a plan of her own...an intimate trip to Italy where they won't be able to keep their hands off each other. How can he resist the only woman he's ever loved?

Culloden Tales Hugh G. Allison,2011-04-08 Culloden was the last battle on British soil. It marked the end of clan culture and was the harbinger of the Highland Clearances. It ensured the inevitability of the American Revolution and increased the outpouring of Scots across the globe. It is the only battle that British Army regiments are not permitted to include in their battle honours; the only battle that Bonnie Prince Charlie ever lost; and the only battle that the Duke of Cumberland ever won. Culloden is a battlefield, a graveyard and an iconic site that draws people from all parts of the world. And as they come, they bring with them their stories and their father's father's stories. These stories tell of civil war, of love, of the unexpected and even of the supernatural. They are peopled by the second-sighted, by clan chiefs and by others who have kept family secrets for centuries. The battlefield is a poignant location, resonant with past deeds and emotive memories. These Culloden tales are offered as a unique record to the power of the place.

The rest of the Noble Lords, unaware of the tragedy unfolding, give Callum an ultimatum, dry out or be kicked out of the group. On the death of his father, Callum is consumed with grief, and Eliza soon discovers that her love alone is not enough to save him. Only by opening his heart to her can he find his way back. Reid stands between them, determined that his sister will not marry Callum. Callum now faces the bitter choice between his brothers in music and the woman he loves. Either way, he loses. A Duke's Lesson in Charm Sophie Barnes,2023-10-24 She was the last person he ever expected to marry... Callum Davis, Duke of Stratton, never expected to get along with Emily Brooke, but thanks to his ward, he starts to realize she’s pretty good company. The more time he spends with her, the better he likes her. But rather than let their relationship grow at a gradual pace, a pretend courtship leads to a whirlwind romance that quickly collapses when Emily finds out what Callum has written about her. Now he must make every effort to prove his love for her is real, or risk losing her forever. There is only one person Lady Emily Brooke must avoid at all cost, and that’s the Duke of Stratton. Since her debut, the man has threatened her safety by stepping upon her toes, spilling drinks on her gown, and sending her head first into a fountain. But when he invites her for a walk so the boy in his care can spend time with her dog, she cannot resist. What surprises her most is how charming the duke can be. Until a mistake on his part makes her question his feelings and his intentions.
