Mandela's Kinsmen Timothy Gibbs, 2014 *Mandela's Kinsmen* is the first study of the fraught relationships between the ANC leadership and their relatives who ruled apartheid's foremost tribal Bantustan, the Transkei. In the early 20th century, the chieftaincies had often been well-springs of political leadership. In the Transkei, political leaders, such as Mandela, used regionally rooted clan, schooling and professional connections to vault to leadership; they crafted expansive nationalisms woven from these kin identities. But from 1963 the apartheid government turned South Africa's chieftaincies into self-governing, tribal Bantustans in order to shatter African nationalism. While historians often suggest that apartheid changed everything - African elites being eclipsed by an era of mass township and trade union protest, and the chieftaincies co-opted by the apartheid government - there is another side to this story. Drawing on newly discovered accounts and archives, Gibbs reassesses the Bantustans and the changing politics of chieftaincy, showing how local dissent within Transkei connected to wider political movements and ideologies. Emphasizing the importance of elite politics, he describes how the ANC-in-exile attempted to re-enter South Africa through the Bantustans drawing on kin networks. This failed in KwaZulu, but Transkei provided vital support after a coup in 1987, and the alliances forged were important during the apartheid endgame. Finally, in counterpoint to Africanist debates that focus on how South African insurgencies narrowed nationalist thought and practice, he maintains ANC leaders calmed South Africa's conflicts of the early 1990s by espousing an inclusive nationalism that incorporated local identities, and that Mandela's kinsmen still play a key role in state politics today. Timothy Gibbs is Lecturer in History of Early Modern and Modern Africa, University College London. *Southern Africa (South Africa, Namibia, Lesotho, Swaziland & Botswana)*: Jacana

Handbook of Research on Using Global Collective Intelligence and Creativity to Solve Wicked Problems Fields, Ziska, 2020-11-27 Today's world is continually facing complex and life-threatening issues that are too difficult or even impossible to solve. These challenges have been titled "wicked" problems due to their radical and multifarious nature. Recently, there has been a focus on global cooperation and gathering creative and diverse methods from around the world to solve these issues. Accumulating research and information on these collective intelligence methods is vital in comprehending current international issues and what possible solutions are being developed through the use of global collaboration. The *Handbook of Research on Using Global Collective Intelligence and Creativity to Solve Wicked Problems* is a pivotal reference source that provides vital research on the collaboration between global communities in developing creative solutions for radical worldwide issues. While highlighting topics such as collaboration technologies, neuro-leadership, and sustainable global solutions, this publication explores diverse collections of problem-solving methods and applying them on a global scale. This book is ideally designed for scholars, researchers, students, policymakers, strategists, economists, and educators seeking current research on problem-solving methods using collective intelligence and creativity.

Voices from the Forest Tony Dold, Michelle Cocks, 2012 ... book which explores the journey of celebrating the link between people and nature, the book reveals how plants, animals and landscapes are profoundly reflected in Xhosa language, stories, poetry, religious rituals, healing practices and everyday customs that define Xhosa culture. Over the years cultural and spiritual meaning of nature in South Africa has been poorly recorded and often misunderstood. The current trade of medicinal plants is often destructive and unsustainable with an estimated 27 million South Africans making use of indigenous medicines. This is a serious detriment as natural resources have been a reliant for underprivileged people who gain food, fuel, medicines, and building materials from wild plants. Therefore the addition of information on edible and medicinal plants is of extreme importance ... *Voices from the Forest* gives a fresh positive approach to biodiversity conservation in SA by showing that people's values for natural resources can be considered positively as a way forward to continued sustainable use. The book explores the role that nature plays in the cultural and spiritual landscapes of the Xhosa people in the Eastern Cape of South Africa and serves as a pointer to

sustainable practices in the future. The underlying aim is ultimately sustaining cultural heritage and conserving biodiversity because in our modernising world cultural diversity is threatened by the loss of natural diversity and finding ways of protecting the region's biodiversity and cultural diversity is of vital importance--Publisher's website.

Beyond Memory Max Mojapelo, 2008 South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the musics of the black communities. *Beyond Memory: Recording the History, Moments and Memories of South African Music* is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.

Cartas desde la prisión Nelson Mandela, 2018-07-09 Una amplia selección de las cartas que forjaron una esperanza y, con el tiempo, un país nuevo. El retrato más íntimo de un hombre excepcional publicado en el centenario de su nacimiento. Nelson Mandela fue condenado a cadena perpetua en 1962. Tenía 44 años y pasaría 27 entre rejas, 18 de ellos en el tristemente famoso penal de Robben Island, donde los presos eran sometidos a un trato inmisericorde. Nunca flaqueó, jamás perdió la dignidad: ni renunció a sus principios ni permitió que la sinrazón lo envileciera. Durante los 10.052 días de cautiverio escribió cientos de cartas a las autoridades penitenciarias, a sus compañeros de lucha, a familiares o amigos, a su mujer y a sus hijos. En ellas reclama derechos a funcionarios inclementes; insta a proseguir el combate; recuerda momentos felices; muestra cariño, dolor o añoranza; elogia y anima, consuela y aconseja... Las 255 cartas aquí reunidas componen el retrato más completo del héroe que encabezó la liberación de su pueblo y del individuo entrañable que asomaba tras la figura pública, pero son también un documento que refleja como ningún otro la perspectiva humana de un episodio único en la historia contemporánea. Nunca he considerado a nadie mi superior, ni fuera ni dentro de la cárcel. Si tuviera el tiempo en mis manos haría lo mismo otra vez. Como haría cualquier hombre que se atreve a llamarse a sí mismo hombre. Nuestra mejor arma, la que el enemigo nunca podrá batir, es la paz. Nelson Mandela Las palabras de Madiba son una brújula en un mar de cambios, suelo firme en aguas turbulentas. Barack Obama

The Prison Letters of Nelson Mandela Nelson Mandela, 2018-07-10 One of NPR's Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century, published on the centenary of his birth. Arrested in 1962 as South Africa's apartheid regime intensified its brutal campaign against political opponents, forty-four-year-old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty-seven years in jail. During his 10,052 days of incarceration, the future leader of South Africa wrote a multitude of letters to unyielding prison authorities, fellow activists, government officials, and, most

memorably, to his courageous wife, Winnie, and his five children. Now, 255 of these letters, many of which have never been published, provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation, and how he engaged with an outside world that became increasingly outraged by his plight. Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner, *The Prison Letters of Nelson Mandela* begins in Pretoria Local Prison, where Mandela was held following his 1962 trial. In 1964, Mandela was taken to Robben Island Prison, where a stark existence was lightened only by visits and letters from family. After eighteen years, Mandela was transferred to Pollsmoor Prison, a large complex outside of Cape Town with beds and better food, but where he and four of his comrades were confined to a rooftop cell, apart from the rest of the prison population. Finally, Mandela was taken to Victor Verster Prison in 1988, where he was held until his release on February 11, 1990. With accompanying facsimiles of some of his actual letters, this landmark volume reveals how Mandela, a lawyer by training, advocated for prisoners' human rights. It reveals him to be a loving father, who wrote to his daughter, "I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her," aware that photos and letters he sent had simply disappeared. More painful still are the letters written in 1969, when Mandela—bidden from attending the funerals of his mother and his son Thembi—was reduced to consoling family members through correspondence. Yet, what emerges most powerfully is Mandela's unfaltering optimism: "Honour belongs to those who never forsake the truth even when things seem dark & grim, who try over and over again, who are never discouraged by insults, humiliation & even defeat." Whether providing unwavering support to his also-imprisoned wife or outlining a human-rights philosophy that resonates today, *The Prison Letters of Nelson Mandela* reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment. Ultimately, these letters position Mandela as one of the most inspiring figures of the twentieth century. From *The Prison Letters of Nelson Mandela* "A new world will be won not by those who stand at a distance with their arms folded, but by those who are in the arena, whose garments are torn by storms & whose bodies are maimed in the course of contest." "I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him." "My respect for human beings is based, not on the colour of a man's skin nor authority he may wield, but purely on merit." "A good pen can also remind us of the happiest moments in our lives, bring noble ideas into our dens, our blood & our souls. It can turn tragedy into hope & victory."

The SAGE International Encyclopedia of Music and Culture Janet Sturman, 2019-02-26 The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology, its methods, concerns, and its contributions to knowledge and understanding of the world's musical cultures, styles, and practices. The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity. Combined, the multiplicity of topics and approaches are presented in an easy-to-search A-Z format and offer a fresh perspective on the field and the subject of music in culture. Key features include: Approximately 730 signed articles, authored by prominent scholars, are arranged A-to-Z and published in a choice of print or electronic editions Pedagogical elements include Further Readings and Cross References to conclude each article and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas Back matter includes an annotated Resource Guide to further research (journals, books, and associations), an appendix listing notable archives, libraries, and museums, and a detailed Index The Index, Reader's Guide themes, and Cross References combine for thorough search-and-browse capabilities in the electronic edition

Interfaith Worship and Prayer Dan Cohn-Sherbok, Christopher Lewis, 2019-07-18 This groundbreaking book contains contributions from 12 different religious traditions: Hinduism, African Traditional Religion, Judaism, Jainism, Buddhism, Zoroastrianism, Shintoism, Christianity, Islam, Sikhism, Unitarianism and Bahá'í. Interfaith worship and prayer can be complex, but this book

demonstrates that in a world of many cultures and religions, there is an urgent need for religions to come together with trust and communication, especially when there is a crisis. Full of insights and examples of practice, the book demonstrates how religions can be a powerful means of unity and compassion. The book opposes the 'clash of civilisations' model as a way of interpreting the world and promotes peace, hope, and the possibility of cooperation. Religious believers can be sincere and committed to their own faith, while recognising the need to stand firmly together with members of other religious traditions.
