Trevor James Lecesne, 2012-09-25 Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-wracking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings are so intense it makes you just want to lay down and die rather than go on feeling it, and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

Even in Our Darkness Jack S. Deere, 2018-03-06 I am the descendant of drinkers and drifters better at passing on their love for the bottle than family history... Prepare yourself for an unvarnished, harrowing look at one Christian's life. A powerful memoir of knowing and being known by God through the pain of loss, tragedy, and brokenness—Even in Our Darkness explores what it means to fend off doubt and despair, even in the most painful trials. Jack Deere tells the true story of his life growing up near Fort Worth, Texas in the 1950's and the disintegration of his family following his father's suicide. Despite his difficult childhood and an inclination toward the depression that had crushed his parents, Deere describes how he began to wrestle with Christianity and how God was...slipping in through the crack of an open wound. In his mid-twenties, Jack rose to fame and success as a leading scholar, popular speaker, and bestselling author. But despite being rescued and exalted, Jack was devastated in the years that followed, losing his troubled son to suicide and his wife to alcoholism. Only then did he fully face his own addictions, surrender control, and experience true healing. An authentic story of the Christian life, Even in Our Darkness is like following an experienced guide through a barren country. Like many believers, Deere has had experiences that nearly destroyed him, and he was shown, by grace, how to overcome life's disappointments and learn to hear God speak in unbelievable ways, despite the darkness that surrounds us. Unmasked, unsettling, and unforgettable . . . this will change the landscape of your soul. —Ann Voskamp, bestselling author of The Broken Way and One Thousand Gifts.

Unsinkable Faith Tracie Miles, 2017-04-01 For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In Unsinkable Faith, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. Unsinkable Faith is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you

think, you change the way feel, and in turn you can change your life completely.

Grayson Perry Grayson Perry,Wendy Jones,2012-05-31 Every inch of Grayson's childhood bedroom was covered with pictures of aeroplanes, and every surface with models. Fantasy took over his life, in a world of battles ruled by his teddy bear, Alan Measles. He grew up. And in 2003, an acclaimed ceramic artist, he accepted the Turner Prize as his alter-ego Clare, wearing his best dress, with a bow in his hair. Now he tells his own story, his voice beautifully caught by his friend, the writer Wendy Jones. Early childhood in Chelmsford, Essex is a rural Eden that ends abruptly with the arrival of his stepfather, leading to constant swerving between his parents' houses, and between boys' and women's clothes. But as Grayson enters art college and discovers the world of London squats and New Romanticism, he starts to find himself. At last he steps out as a potter and transvestite.

What Hell Is Not Alessandro D'Avenia,2019-01-24 The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that changes his life forever. Written in intensely passionate and lyrical prose, What Hell Is Not is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.

Asylum Patrick McGrath,2011-01-05 Patrick McGrath has created his most psychologically penetrating vision to date: a nightmare world rocked to its foundations by a passion of such force and intensity that it shatters the lives--and minds--of all who are touched by it. Stella Raphael, a woman of great beauty and formidable intelligence, is married to Max, a staid and unimaginative forensic psychiatrist. Max has taken a job in a huge top-security mental hospital in rural England, and Stella, far from London society, finds herself restless and bored. Into her lonely existence comes Edgar Stark, a brilliant sculptor confined to the hospital after killing his wife in a psychotic rage. He comes to Stella's garden to rebuild an old Victorian conservatory there, and Stella cannot ignore her overwhelming physical attraction to this desperate man. Their explosive affair pits them against Stella's husband, her child, and the entire institution. When the crisis comes to a head, Stella makes a decision--one that will destroy several lives and precipitate an appalling tragedy that could only be fueled by illicit sexual love. Asylum is a terrifying exploration of the extremes to which erotic obsession can drive us. Patrick McGrath brings his own dazzling blend of cool artistry and visceral engagement to this mesmerizing story of a fatal love and its unspeakably tragic aftermath. And in Stella Raphael, a woman who tears down the walls of her constricted existence to pursue a dangerous passion, he has created a character who will long be remembered for her willingness to take the ultimate risk, even if she must pay the ultimate price.
