The Creator's Game Allan Downey, 2018-02-21 Lacrosse has been a central element of Indigenous cultures for centuries, but once non-Indigenous players entered the sport, it became a site of appropriation – then reclamation – of Indigenous identities. The Creator's Game focuses on the history of lacrosse in Indigenous communities from the 1860s to the 1990s, exploring Indigenous-non-Indigenous relations and Indigenous identity formation. While the game was being appropriated in the process of constructing a new identity for the nation-state of Canada, it was also being used by Indigenous peoples to resist residential school experiences, initiate pan-Indigenous political mobilization, and articulate Indigenous sovereignty. This engaging and innovative book provides a unique view of Indigenous self-determination and nationhood in the face of settler-colonialism.

*Rethinking Khoe and San Indigeneity, Language and Culture in Southern Africa* Julie Grant,Keyan G. Tomaselli,2022-09-19 The San (hunter- gatherers) and Khoe (herders) of southern Africa were dispossessed of their land before, during and after the European colonial period, which started in 1652. They were often enslaved and forbidden from practicing their culture and speaking their languages. In South Africa, under apartheid, after 1948, they were reclassified as “Coloured” which further undermined Khoe and San culture, forcing them to reconfigure and realign their identities and loyalties. Southern Africa is no longer

under colonial or apartheid rule; the San and Khoe, however, continue in the struggle to maintain the remnants of their languages and cultures, and are marginalised by the dominant peoples of the region. The San in particular, continue to command very extensive research attention from a variety of disciplines, from anthropology and linguistics to genetics. They are, however, usually studied as static historical objects but they are not merely peoples of the past, as is often assumed; they are very much alive in contemporary society with cultural and language needs. This book brings together studies from a range of disciplines to examine what it means to be Indigenous Khoe and San in contemporary southern Africa. It considers the current constraints on Khoe and San identity, language and culture, constantly negotiating an indeterminate social positioning where they are treated as the inconvenient indigenous. Usually studied as original anthropos, but out of their time, this book shifts attention from the past to the present, and how the San have negotiated language, literacy and identity for coping in the period of modernity. It reveals that Afrikaans is indeed an African language, incubated not only by Cape Malay slaves working in the kitchens of the early Dutch settlers, but also by the Khoe and San who interacted with sailors from passing ships plying the West coast of southern Africa from the 14th century. The book re-examines the idea of literacy, its relationship to language, and how these shape identity. The chapters in this book were originally published in the journal *Critical Arts: South-North Cultural and Media Studies*.

### *The Creator's Vassal Heirs of Meridius* Tyler

Clarke, 2024-02-02 The first blow has fallen in the war against the Notandi. As the fragile peace in the Kingdom of Meridius begins to fracture, the demons' counterattack

could shatter it. Yecats Ratiug, also known as the Creator's Vassal, has committed his life to ridding his homeland of the demon scourge. One man alone is not enough in such a crusade, and he finds assistance from an unlikely ally – a group that has been considered a myth for generations. To the north, Relyt and his companion Prince Mason have fled the slavers of Chelawin, seeking a way home. But it seems that not even royalty can escape the cruel whims of fate, as they are forced to survive in a blood-soaked land unfamiliar to either. Within the walls of Harmagin, Nagol spreads his ideas and gathers allies to his side, preparing for the inevitable arrival of his father to claim bloody vengeance for their exile. His faith in the cause is tested as he is confronted by the idea that his enemies may not be who he thought.

**Tetra Shield: the Dream Sphere** Sherryah Ah Collins, 2018-06-19 Zenora, Tashana, Jaikéan, Jairon, and Micah have been asked to do battle for the Kingdom of Kingdoms. The Great Spirit offers help to the young warriors along the way. The youth use an ancient book of secrets that pilots them through the trials that they face. This valuable book was almost destroyed during a civil war, and now three great kings help the children discover truths that were hidden or lost due to the mishandling of the ancient book. As the book was pieced together and rewritten, parts of it were misunderstood. Many just ignored the teachings. The kings know they can restore hope and peace to their civilization. They just need the children to help them spread the good word and fight the good fight of faith. Throughout their adventures, the children discover they are special warriors with unique gifts. They learn valuable life lessons of giving, loving, and caring; while realizing there is power, hope, and victory to those who believe in, trust in and follow the son of the great king. **Tetra Shield: The Dream**

Sphere, a work of fiction, shares the story of the Father, Son, and Holy Spirit in a unique way. It presents the messages: Don't give up! Dare to hope again! Believe again! Live again! Dream again! And if you're brave enough, follow the kings who will guide you through the whole adventure!

**The Creator's Three Dimensional Strategic Plan and Purpose for Humanity** Winston Lucien

Daniels, 2010-02 The Creator's Three Dimensional Strategic Plan And Purpose For Humanity. The author of this book is very excited to share his joy of a life-changing discovery he made with everyone who will pick up this book. He is glad to tell everyone that the seal has been broken off from what Jesus said in Luke 13: 32. And he said unto them, Go ye, and tell that fox, Behold, I cast out devils, and I do cures to day and to morrow, and the third day I shall be perfected. This is the conclusion of the matter: There is a first day Church that enjoys the Lord's presence and a second day Church that knows His burden removing yoke destroying power that does great exploits in this world. However, there is a 3RD DAY CHURCH that walks in the weight of His glory and splendour that is well able to bring order and decency, peace and joy in the Holy Ghost in a crazy world. This is the Church that walks in His perfect will, whose desire has become His desire; therefore, the whole universe is cooperating with this dynamic church. This is the Church that will bring about a sudden shift in the affairs of humanity. This is that GIANT that everyone was talking about She is the glorious Church that has been made ready to do kingdom business and to occupy all influential places in this world until He comes back again. It is not a Church that is passively waiting for His coming! And He (Jesus) called His ten servants (3rd Day Church well equipped Servants), and delivered them ten pounds, and said unto them, Occupy (make business) until I come (Luke 19:13).

We have received a Kingdom that cannot be shaken by anything bad that is happening in this world. This Kingdom is eagerly waiting for the saints to possess it. It is an unseen reality, just like Goshen has been to Israelites, which was and is a place where there is nothing missing and nothing broken. It is the will of God that we should all enjoy a Kingdom of God reality on earth in the here and now! His abundant life is for the NOW and the life to come. **Investigating Veronica Mars** Rhonda V. Wilcox, Sue Turnbull, 2011-02-08 During the course of its three seasons, *Veronica Mars* captured the attention of fans and academics alike. The 12 scholarly essays in this collection examine the show's most compelling elements. Topics covered include vintage television, the search for the mother, fatherhood, the show's connection to classical Greek paradigms, the anti-hero's journey, rape narrative and meaning, and television fandom. Collectively, these essays reveal how a teen television show--equal parts noir, romance, social realism and father-daughter drama--became a worthy subject for scholarly study.
