**Castle in the Mountains** T. Cochran,2018-03-19 An entertaining ride! T.D. Cochran puts the cheeky fun back into the spy genre! - James Sved, Herald de Paris Three generations of elite spies battle a global conspiracy to control all aspects of human society decades in the making. From the day they were adopted as babies and brought to the remote island town of Stromness, Léa Taylor and Tara Wells emerged from childhood with survival skills unmatched by the world's top intelligence agents and assassins. As Léa and Tara embark on their second mission for The Castle, they begin to learn they're not on the trail of a single rogue agent, but a world wide network of evil with the simple goal of complete total domination of everyday life on Earth. That trail began over twenty years ago as the second generation of Castle Spies began their lives in the shadows with a daring rescue from the dungeons of the KGB's feared Lubyanka Prison. Using technology that leapfrogs the current state of the art, Léa and Tara devise a high-tech scheme to smoke out the location of their target, only to watch as their digital spies are turned against them leading them on a high speed, non stop chase through a famous castle in Austria, down the tracks of Chicago's famous L trains and finally into the back country of Glacier National Park. A chase that would end with the two best friends brutally ripped apart. CASTLE IN THE MOUNTAINS is the exciting sequel to Léa and Tara's first adventure, CASTLE ON THE ISLAND. The Castle of Spies series is a fun look at the world of secret agents through the eyes of several generations of best friends raised to be the world's top assassins.

**Bone and Beauty** Jeanette M. Thompson, 2020-03-03 October 1830 Rebellious from years of maltreatment and starvation, a band of Ribbon Boys liberate eighty convicts from Bathurst farms and lead them inland towards freedom. Governor Darling, fearing that others would also rise up, sends the 39th Regiment in pursuit. Three bloody battles follow, but to whom will justice be served? Rich with detail, *Bone and Beauty* fuses archival evidence and narrative technique to tell the gripping story of the Ribbon Boys and their reputed leader Ralph Entwistle. For the first time, the influence of Irish secret societies, the scale of oppression and corruption, and the complex web of criminal and family relationships behind these events are revealed.
