Trevor James Lecesne,2012-09-25 Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-wracking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harrassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings are so intense it makes you just want to lay down and die rather than go on feeling it, and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

The City of Your Final Destination Peter Cameron,2010-05-11 A wryly humorous, impeccably observed novel about the capriciousness of love Omar Razaghi posts a letter on September 13, 1995 that will change the course of his life forever. A doctoral student at the University of Kansas, he writes to the estate of the Latin American author Jules Gund, requesting permission to write Gund's authorized biography. His request is refused, but Omar has already accepted a fellowship from the university, and with his girlfriend's vehement encouragement, he goes in person to Uruguay to petition to Gund's three executors. Although Caroline Gund, Jules' wife, and Arden Langdon, Jules' mistress and mother of his child, are initially opposed to the idea of a biography, Omar has the support of Adam, Jules' older brother, and hopes to be able to persuade the two women. Omar's unexpected arrival in Uruguay reverberates through this odd and isolated little family group, and his stay in the languid, dreamy Ochos Rios makes him question his former life in Kansas, and his ability-even his desire-to write an authorized life. A novel about the random nature of love, and the ways in which we confront or avoid life's choices, The City of Your Final Destination is a touching, clever and wonderfully comic fourth novel from Peter Cameron. The City of Your Final Destination was made into a film, starring Anthony Hopkins, Laura Linney and Charlotte Gainsbourg. It was released in 2007.

Even in Our Darkness Jack S. Deere,2018-03-06 I am the descendant of drinkers and drifters better at passing on their love for the bottle than family history... Prepare yourself for an unvarnished, harrowing look at one Christian's life. A powerful memoir of knowing and being known by God through the pain of loss, tragedy,

and brokenness—Even in *Our Darkness* explores what it means to fend off doubt and despair, even in the most painful trials. Jack Deere tells the true story of his life growing up near Fort Worth, Texas in the 1950's and the disintegration of his family following his father's suicide. Despite his difficult childhood and an inclination toward the depression that had crushed his parents, Deere describes how he began to wrestle with Christianity and how God was...slipping in through the crack of an open wound. In his mid-twenties, Jack rose to fame and success as a leading scholar, popular speaker, and bestselling author. But despite being rescued and exalted, Jack was devastated in the years that followed, losing his troubled son to suicide and his wife to alcoholism. Only then did he fully face his own addictions, surrender control, and experience true healing. An authentic story of the Christian life, *Even in Our Darkness* is like following an experienced guide through a barren country. Like many believers, Deere has had experiences that nearly destroyed him, and he was shown, by grace, how to overcome life's disappointments and learn to hear God speak in unbelievable ways, despite the darkness that surrounds us. Unmasked, unsettling, and unforgettable . . . this will change the landscape of your soul. —Ann Voskamp, bestselling author of *The Broken Way* and *One Thousand Gifts*.

Grayson Perry Grayson Perry, Wendy Jones, 2012-05-31 Every inch of Grayson's childhood bedroom was covered with pictures of aeroplanes, and every surface with models. Fantasy took over his life, in a world of battles ruled by his teddy bear, Alan Measles. He grew up. And in 2003, an acclaimed ceramic artist, he accepted the Turner Prize as his alter-ego Clare, wearing his best dress, with a bow in his hair. Now he tells his own story, his voice beautifully caught by his friend, the writer Wendy Jones. Early childhood in Chelmsford, Essex is a rural Eden that ends abruptly with the arrival of his stepfather, leading to constant swerving between his parents' houses, and between boys' and women's clothes. But as Grayson enters art college and discovers the world of London squats and New Romanticism, he starts to find himself. At last he steps out as a potter and transvestite.

What Hell Is Not Alessandro D'Avenia, 2019-01-24 The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that changes his life forever. Written in intensely passionate and lyrical prose, *What Hell Is Not* is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.

Asylum Patrick McGrath, 2011-01-05 Patrick McGrath has created his most psychologically penetrating vision to date: a nightmare world rocked to its foundations by a passion of such force and intensity that it shatters the lives--and minds--of all who are touched by it. Stella Raphael, a woman of great beauty and formidable intelligence, is married to Max, a staid and unimaginative forensic psychiatrist. Max has taken a job in a huge top-security mental hospital in rural England, and Stella, far from London society, finds herself restless and bored. Into her lonely existence comes Edgar Stark, a brilliant sculptor confined to the hospital after killing his wife in a psychotic rage. He comes to Stella's garden to rebuild an old Victorian conservatory there, and Stella cannot ignore her overwhelming physical attraction to this desperate man. Their explosive affair pits them against Stella's husband, her child, and the entire institution. When the crisis comes to a head, Stella makes a decision--one that will destroy several lives and precipitate an appalling tragedy that could only be fueled by illicit sexual love. *Asylum* is a terrifying exploration of the extremes to which erotic obsession can drive us. Patrick McGrath brings his own dazzling blend of cool artistry and visceral engagement to this mesmerizing story of a fatal love and its unspeakably tragic aftermath. And in *Stella Raphael*, a woman who tears down the walls of her constricted existence to pursue a dangerous passion, he has created a character who will long be remembered for her willingness to take the ultimate risk, even if she must pay the ultimate price.

The Missing Rose Serdar Ozkan, 2012-07-05 Mentioned in the same breath as *The Little Prince*, *Jonathan Livingston Seagull* and *The Alchemist*, Serdar Özkan's enchanting debut novel *The Missing Rose* has the power to change your life. Her travels lead to a mysterious garden, where she is given lessons that change her forever. *The Missing Rose* is a poetic yet insightful modern parable about love, acceptance and the importance of remaining true to your dreams.

Our Choice Albert Gore, 2009 Al Gore has been a passionate advocate of action to halt climate change for many years. In his best-selling book, *An Inconvenient Truth*, he wrote about the urgent need to address the problems of climate change, presenting comprehensive facts and information on all aspects of global warming in a direct, thoughtful and compelling way, using explanatory diagrams and dramatic photos to clarify and highlight key issues.
