Yicheng Fang

Born for This BeBe Winans, 2019-10-15 BeBe Winans, six-time Grammy Award-winning singer and member of Gospel music's royal family, shares the candid and close-up journey of pursuing his dreams while holding on to his faith. Benjamin BeBe Winans always knew he was born to be a Gospel singer. Growing up watching his four older brothers perform fueled his dream to be on stage, and as teenagers, he and his younger sister CeCe were offered the opportunity to move from Detroit to North Carolina and join the Praise the Lord Singers for The PTL Club, hosted by the eccentric Jim and Tammy Faye Bakker. Under the Bakkers' wings, BeBe and CeCe became the most popular televangelical stars in America and soon found themselves choosing between their family values and the temptations of fame and fortune. Like a conversation with a lifelong friend, BeBe invites readers and loyal fans alike to share in never-before-revealed details about life in the crossfires between church, Gospel music, and the mainstream recording industry. He shares personal stories about his mentor Andraé Crouch and close friend Whitney Houston, who both had a major impact on his life. As he reflects on the obstacles, the disappointments, the victories, the surprises, the racism, and the love he has encountered, he realizes that when we understand our value before God, we can participate in a daily glory and peace for which we were all born.

The Whitney I Knew BeBe Winans, 2012-07-31 A virtual album of BeBe Winans' treasured memories of his friend and sister, Whitney Houston. In the years between the first time BeBe Winans and Whitney Houston met in 1985, to the day he delivered the tribute that touched a watching nation at Houston's funeral, a deep and unique friendship bloomed and thrived. They considered each other family in the truest sense of the word. Now this very personal collection of remembrances offers us a seat at the table during Whitney's most unguarded moments. Here we see her in all her quirky, passionate, fiercely loyal glory through the eyes of her brother, BeBe. For most of her public life, Whitney Houston was a mystery. In *The Whitney I Knew*, Winans has given us a wonderful gift---the gift of understanding. From profoundly moving personal moments to eye-opening accounts of triumph to the heartbreaking realities that led to her ultimate defeat, the untold stories are intimately woven throughout this book---along with online video links to behind-the-scenes moments, highlights of her career, and never-before-seen video of Whitney. Also included is an extensive photo section from BeBe's personal collection.

When Sunday Comes Claudrena N. Harold,2020-11-16 Gospel music evolved in often surprising directions during the post-Civil Rights era. Claudrena N. Harold's in-depth look at late-century gospel focuses on musicians like Yolanda Adams, Andraé Crouch, the Clark Sisters, Al Green, Take 6, and the Winans, and on the network of black record shops, churches, and businesses that nurtured the music. Harold details the creative shifts, sonic innovations, theological tensions, and political assertions that transformed the music, and revisits the debates within the community over groundbreaking recordings and gospel's incorporation of rhythm and blues, funk, hip-hop, and other popular forms. At the same time, she details how sociopolitical and cultural developments like the Black Power Movement and the emergence of the Christian Right shaped both the art and attitudes of African American performers. Weaving insightful analysis into a collective biography of gospel icons, When Sunday Comes explores the music's essential place as an outlet for African Americans to express their spiritual and cultural selves.

Young,2020-11-30 In this heart-warming romance, set in a charming Southern small town, the love of family and the strength of community come together to remind those who are lost where they truly belong... Dr. Eric Bradley left small-town Clover Creek, Tennessee to follow his dreams. But when his father is hospitalized after a stroke, Eric must fill in as the town doctor. He's more at home in a medical research lab, though, with test tubes and microscopes, not listening to patients brag about their grandkids or ask him where he's been for the last ten years. Without Holly Ransom, the receptionist, to keep things running smoothly, he wouldn't survive. And seeing her every day is an unexpected upside. She's struggling to keep her family bakery afloat while also working full-time at Bradley Medical, and somehow still manages to find a silver lining in every cloud. If only her sweet n' sassy charm were enough to solve all his problems. Eric has only thirty days to return to Atlanta or he'll lose the opportunity of a lifetime. But how can he leave the woman he's falling in love with and his family legacy behind? Each book in the Clover Creek series is STANDALONE: * Claiming the Doctor's Heart * Secrets of the Heart
