**Keep Calm and Carry On** ,2023-01-12 Keep Calm and Carry On was a World War 2 government poster discovered in a dusty box nine years ago. Though it never saw the light of day in 1939 (it was only supposed to go up if Britain was invaded), it has suddenly struck a chord in our current difficult times, now we are in need of a stiff upper lip and optimistic energy once again. Gordon Brown had one up in 10 Downing Street and James May wears a Keep Calm T-shirt on the telly - it is suddenly everywhere. The book is packed full of similarly motivational and inspirational quotes, proverbs, mantras and wry truths to help us through the recession, from such wits as Churchill, Disraeli and George Bernard Shaw. Funny, wise and stirring - it is a perfect source of strength to get us all through the coming months. 'A banker is a fellow who lends you his umbrella when the sun is shining and wants it back the minute it begins to rain' Mark Twain 'It's a recession when your neighbor loses his job; it's a depression when you lose your own' Harry S. Truman 'An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today' Laurence J. Peter 'Always laugh when you can. It is cheap medicine' Lord Byron 'Better bread with water than cake with trouble' Russian Proverb

**Keep Calm** Mike Binder,2016-02-02 Former Michigan cop Adam Tatum receives an unexpected offer from Heaton Global Investments, a golden opportunity that seems almost too good to be true. He travels to 10 Downing Street to help implement a new pension program for the British Civil Service. The deal goes off without a hitch--and so does a bomb in the conference room. The Prime Minister is gravely wounded. And the only attendee with a checkered past is Adam Tatum. Sensing a trap, Adam flees with his family, desperately fighting for survival in an unfamiliar country. The lives of his children, the future of his marriage, and the fate of a nation depend on Adam exposing the conspirators who pegged him for a fall. Georgia Turnbull, the Chancellor of the Exchequer, and Davina Steel, the lead investigator, each stand to gain from the successful manhunt of Adam Tatum. But, as motives emerge and desires excite, each must decide what they're really after. Layered plots, crackling dialogue, and propulsive action mark Keep Calm, the riveting debut thriller from award-winning actor, director, and screenwriter Mike Binder--

The Ministry of Nostalgia Owen Hatherley,2016-02-09 Why should we have to “Keep Calm and Carry On”? In this brilliant polemical rampage, Owen Hatherley shows how our past is being resold in order to defend the indefensible. From the marketing of a “make do and mend” aesthetic to the growing nostalgia for a utopian past that never existed, a cultural distraction scam prevents people grasping the truth of their condition. The Ministry of Nostalgia explodes the creation of a false history: a rewriting of the austerity of the 1940s and 1950s, which saw the development of a welfare state while the nation crawled out of the devastations of war. This period has been recast to explain and offer consolation for the violence of neoliberalism, an ideology dedicated to the privatisation of our common wealth. In coruscating prose—with subjects ranging from Ken Loach’s documentaries, Turner Prize–shortlisted video art, London vernacular architecture, and Jamie Oliver’s cooking—Hatherley issues a passionate challenge to the injunction to keep calm and carry on.

**Keep Calm and Call the Dean of Students** Art Munin,Lori S. White,2023-07-03 The role of Dean of Students is pivotal: in students’ lives; for their institutions as a conduit to senior administration about issues of concern to students; as a figure who can coordinate disparate campus constituencies -- from academic affairs and athletics to campus safety and relationships with parents and alums; and as a crisis manager.What preparation, skills, dispositions, and knowledge do DOSs need to be effective in their role; and, indeed, what areas and range of activities generally fall under their responsibility?Through chapters by experienced DOSs – from early career to veterans and in between – this book provides vivid first-hand accounts of what’s involved in managing the multiple roles of the deanship, its immense personal rewards, the positive impact that practitioners can make in the lives of students, and on campus policy and environment, without glossing over the demands on time and the concomitant stresses. The contributors describe the paths they followed to take on the role, and what they do to keep current.Each chapter offers a wealth of anecdotes that provide an insider’s feel for the daily life of the DOS, and how incumbents have found ways to integrate family and personal needs with the discharging of their often demanding responsibilities. The contributing authors offer valuable advice on setting priorities and dealing with issues as varied as setting budgets, creating an effective team, delegation, and addressing student conduct issues. They offer guidance on developing allies across campus, keeping up to date with trends and legislation, and building a network of mentors and advisors through professional associations and connection with their peers at institutions around the country. The book concludes with some perspectives about the meaning and purpose of the dean of students role in our current era and as we look to the future of higher education.The dean of students is a challenging role because it is often the one administrator thrust onto the frontlines to meet students not only at their best, but also at their worst. This person is an advocate and educator, disciplinarian and friend, confidant and counselor, and advisor and parent all rolled into one. Keep Calm and Call the Dean of Students offers a unique window into this challenging and rewarding position that will appeal to sitting deans; to those seeking this role; and to senior leaders in higher education seeking to appoint a DOS and/or organize a dean of students portfolio of responsibilities.

**Keep Calm and Carry on** Bex Lewis,2017 'Keep Calm and Carry On' has become one of the most recognisable slogans of the twenty-first century. But where is it from and why has it resonated so strongly with the modern British public? This book reveals the truth behind the now infamous poster, tracing its origins to the Second World War, when it was created to allay public panic in the event of a German invasion. Of course this feared invasion never happened, and the poster would have been resigned to the dusty shelves of history were it not for a chance discovery by the owners of Barter Books in 2001. Later seized upon as an encouragement in the economic crisis, 'Keep Calm' went on to become arguably the most successful meme in history. This book tells the story of that phenomenon, including colourful posters and archive photographs throughout.--
