Children Kalendar

A Child's Calendar (20th Anniversary Edition) John Updike,2019-01-15 Newly available in hardcover, this 20th anniversary edition of a Caldecott Honor classic combines the star power of John Updike and Trina Schart Hyman. Celebrate the little moments that make each month special in this beautiful picture book featuring twelve poems about a family and the turn of the seasons. From the short, frozen days of January, through the light of summer, to the first snowflakes of December, Updike's poems rejoices in the familiar, wondrous qualities that make each part of the year unique. Hyman's award-winning paintings--modeled after her own daughter, son-in-law and grandchildren--depict an interracial family going about the business of their lives throughout the year: sledding in January, watching fireworks in July, and playing in the autumn leaves. Bold and colorful, they're filled with the intricate detail for which her art is famous-- including cameo appearances by the artist and her partner, Jean Aull. Featuring a redesigned cover, the 20th Anniversary Edition of this inclusive Caldecott Honor book is a beautiful read-aloud to treasure throughout the year, with family and friends.

Children of the Days Eduardo Galeano,2013-04-30 Unfurling like a medieval book of days, each page of Eduardo Galeano's Children of the Days has an illuminating story that takes inspiration from that date of the calendar year, resurrecting the heroes and heroines who have fallen off the historical map, but whose lives remind us of our darkest hours and sweetest victories. Challenging readers to consider the human condition and our own choices, Galeano elevates the little-known heroes of our world and decries the destruction of the intellectual, linguistic, and emotional treasures that we have all but forgotten. Readers will discover many inspiring narratives in this collection of vignettes: the Brazilians who held a smooch-in to protest against a dictatorship for banning kisses that undermined public morals; the astonishing day Mexico invaded the United States; and the sacrilegious women who had the effrontery to marry each other in a church in the Galician city of A Coruna in 1901. Galeano also highlights individuals such as Pedro Fernandes Sardinha, the first bishop of Brazil, who was eaten by Caete Indians off the coast of Alagoas, as well as Abdul Kassem Ismael, the grand vizier of Persia, who kept books safe from war by creating a walking library of 117,000 tomes aboard four hundred camels, forming a mile-long caravan. Beautifully translated by Galeano's longtime collaborator, Mark Fried, Children of the Days is a majestic humanist treasure that shows us how to live and how to remember. It awakens the best in us.
