Playing With Bonbon Fire Dorothy St. James, 2018-03-13 Charity Penn must smoke out a killer to stop her beachside chocolate shop from going up in flames in this “addictive” culinary cozy mystery series “that keeps you up late reading” (San Francisco Book Review) Chocolate shop owner Charity Penn is finally settling into life in the quirky South Carolina seaside town of Camellia Beach cooking up chocolate treats. She’s even helped organize the town’s lively beach music festival which has brought rollicking crowds eager to dance the Carolina shag. That is, until one of the band’s lead singers is found dead beside a beach bonfire. While also trying to balance the amorous attention of music star Bixby Lewis, in town for the festival, and her quest to perfect a new hot flavored bonbon, Charity dives into the investigation. Though it’s more spice than sugar when she discovers a threatening note, comes across decades of age-old secrets, and Bixby comes into the line of fire when a gas grill explodes on the deck of a beachfront house. Now Charity must turn up the heat and catch the killer before her chance melts away in *Playing With Bonbon Fire*, the delightful second Southern Chocolate Shop mystery served up just right for fans of JoAnna Carl and Joanne Fluke.

The Chocolate Touch Melissa McClone, 2017-05-04 Chocolate expert Chantelle Cummings arrives in Marietta, Montana with two goals—sign copies of her new book and research a quaint local chocolate shop. When she meets a gorgeous guy passing out chocolate samples, her visit turns sweeter than she ever imagined. The man melts her heart, but her dream of working in France with her family makes her hesitant to pursue a romance. Former Air Force captain York Parker has one month before embarking upon a consulting career. He never expected to be selling chocolates, but he’s happy to

help his sister and her boss. He also likes spending time with sassy, pretty Chantelle. His new coworker may have the chocolate touch, but he'd rather taste her decadent kisses... until he learns the real reason she's in town. Will the truth harden his heart, or will love pave the way to a sweet future?

In Cold Chocolate Dorothy St. James, 2018-09-11 A new batch of chocolates and troubles of the heart cause a string of disasters for the Chocolate Box's new owner, Charity Penn. The vintage seaside town of Camellia Beach, South Carolina seems like the perfect place for romance with its quiet beach and its decadent chocolate shop that serves the world's richest dark chocolates. The Chocolate Box's owner, Charity Penn, falls even further under the island's moonlit spell as she joins Althea Bays and the rest of the turtle watch team to witness a new generation of baby sea turtles hatch and make their way into the wide ocean. Before the babies arrive, gunshots ring out in the night. Cassidy Jones, the local Casanova, is found dead in the sand with his lover Jody Dalton—the same woman who has vowed to destroy the Chocolate Box—holding the gun. It's an obvious crime of passion, or so everyone believes. But when Jody's young son pleads with Penn to bring his mother back to him, she can't say no. She dives headfirst into a chocolate swirl of truth and lies, and must pick through an assortment of likely (and sometimes unsavory) suspects before it's too late for Penn and for those she loves in Dorothy St. James's third rich installment of the Southern Chocolate Shop mysteries, *In Cold Chocolate*.

The Chocolate Shop J. J. Spring, 2020-04-08 Laura Beckman's comfortable suburban life would be perfect but for her daughter. Four years earlier, Brooke abandoned her husband and her own young daughter to run off with a musician. Now back home with her tail between her legs, Brooke's self-loathing boils over in the face of her mother's unrelenting condemnation. Laura's world is turned upside down after witnessing the long, painful death of her husband. In the search for a better version of herself, she creates the Chocolate Shop which grants terminally ill patients one last wish (e.g returning to the Rockette stage, having sex one last time, even skydiving). Laura then lovingly helps her clients slip away to a peaceful death. Laura must dodge the police who suspect she's committing second-degree murder, and an ex-wife of a client consumed with collecting on an insurance policy. Her relationship with her daughter flips as Brooke becomes the one doing the condemning: I may have made many mistakes in my life but there's one thing I can say. I never murdered anybody. As Laura comes to grips with the ethical, moral, and legal dimensions of what she's doing, she worries that her strained relationship with her daughter will never be repaired and wonders whether she can ever find love again. She meets Arlo Massey--brash, flmboyant, someone who couldn't care less about what other people think--the complete

opposite of the always appropriate Laura Beckman. Arlo disrupts Laura's already tumultuous life. She finds him despicable. And yet . . .

Chocolate Chocolate Frances Park, Ginger Park, 2011-05-10 When their beloved father died suddenly, authors Frances and Ginger Park (To Swim Across the World) comforted themselves with chocolates and mused on opening a confectionery shop with their small inheritance. The idea felt right to them--a shop our late father would've loved just by virtue of its contents: chocolates and daughters--and despite their inexperience, they decide to go for it, with their mother as silent partner. In 1984, on the day f their Washington, D.C., store, named Chocolate Chocolate, opened, they already were beset with difficulties, from crumbling walls and cracking floors installed by a shoddy, shady contractor to trying to conjure strategies to gain attention and sales. Bit by bit, their clientele grows; the sisters write fondly and often humorously of the recurring characters in their new, chocolate-centric lives, from favorite

customers to the kooky sales rep who becomes an employee and dear friend. They easily move between musings on friendship and family, all the while offering inspiration and valuable lessons for budding entrepreneurs. The recipe for their house truffle rounds out this appealing, engaging memoir that's sure to appeal to a range of readers, chocoholics or not. --Publishers Weekly

Taste Sarah E. Worth, 2021-11-11 A thoughtful consideration of taste as a sense and an idea and of how we might jointly develop both. When we eat, we eat the world: taking something from outside and making it part of us. But what does it taste of? And can we develop our taste? In *Taste*, Sarah Worth argues that taste is a sense that needs educating, for the real pleasures of eating only come with an understanding of what one really likes. From taste as an abstract concept to real examples of food, she explores how we can learn about and develop our sense of taste through themes ranging from pleasure, authenticity, and food fraud, to visual images, recipes, and food writing.
