Under the Baja Sun Shy Wright, 2012-01-13 A fast pace, engrossing tale with many twists and turns. The suspense will hold you hostage as the plot unfolds - the chilling mystery takes place at nearly neck-break speed and is filled with surprise after surprise.

Contagious Generosity Chris Willard, Jim Sheppard, 2012-07-03 The general practices related to church funding aren't producing the same results they have in the past. There is a general acceptance that something has changed but little talk or interest is coming from traditional church leader training sources such as denominational entities and seminaries. Pastors are largely left to their own devices to "figure this out." They need a lifeline. While some churches are experiencing exponential growth, some churches - despite their best efforts - have been unsuccessful at moving beyond survival mode. Coupled with increased competition from other nonprofits and a decline in the commitment to give to the church first, churches risk losing the funding they need. A growing number of leaders are beginning to discover there is another way and are struggling to understand what makes one church generous and another not. There is a need in the market to offer a simple, working definition of "generosity" and reveal the "secrets" some church leaders seem to have simply stumbled upon which are resulting in unexplainable ministry growth and unprecedented church funding even in the midst of tough economic times. The content of this material was developed and refined by Jim Sheppard and Chris Willard through years of ministry leadership in the local

church, consulting with church leaders across a broad spectrum of church settings, and through participation in and leadership of the Generous Church Leadership Community facilitated by Leadership Network. Of particular benefit will be the collection of observations and best practices gleaned during the Generous Church Leadership Community that originated within real-life church leadership situations and scenarios by highlighting specific challenges, methods, and successes.

Jesus Journey Trent Sheppard, 2017-02-07 Jesus was human,

like you and me. If the gospel is true, he still is. Christians worldwide believe that Jesus is God. But this belief wasn't the starting point for Jesus' earliest followers. While Jesus' humanity was a given for the disciples, his divinity was a truth they grew into believing—it was a journey of faith. As Christians today, we are also called into a faith journey—this time, to rediscover Jesus' humanity. Yes, we believe that Jesus is God, but do we truly believe that Jesus is human? And if so, how does that transform our own experience of being human? Through eye-opening yet down-to-earth reflections, Jesus Journey invites you to encounter Jesus again—as if for the first time—by experiencing his breathing, heart-beating, body-and-blood, crying-and-laughing humanity. Join Bible teacher and storyteller Trent Sheppard as he shines new light on the vibrant humanity of the historical Jesus through an up-close look at Jesus' relationships with Mary and Joseph, with the God he called Abba, with his closest friends and followers, and how, ultimately, his crucifixion and resurrection finally and forever redefine what we mean by the word God. Come encounter the human who radically transforms our view of God. Come encounter the God who forever changes what it means to be human.

Guess Who Chris McGeorge, 2018-09-18 The rules are simple. But the game is not. At eleven years old, Morgan Sheppard solved the murder of a teacher when everyone else believed it to be a suicide. The publicity surrounding the case laid the foundation for his reputation as a modern-day Sherlock Holmes. He parlayed that fame into a gig as TV's "resident detective," solving the more typical tawdry daytime talk show mysteries like "Who is the father?" and "Is he cheating?" Until, that is, Sheppard wakes up handcuffed to a bed in an unfamiliar hotel room. Around him, five strangers are slowly waking up, as well. Soon they discover a corpse in the bathtub and Sheppard is challenged to put his deductive skills to the test. One of the people in the room is the killer. He has three hours to solve the murder. If he doesn't find

the killer, they all will die. An ingenious, page-turning debut, Chris McGeorge's *Guess Who* matches the high-wire plotting of classic "locked room" mysteries into the unstoppable pacing of the modern-day thriller.

Sheppard Lee Robert Montgomery Bird, 1836

A Very Important Teapot Steve Shepperd, 2019-10-18 A Very Important Teapot is a comedy thriller revolving around the hunt for a lost cache of Nazi diamonds in Australia. Dawson is an ordinary bloke who has been out of work for several months and who spends his time at the pub, the rugby club and the local drama group, where he is forlornly pursuing the love of Rachel Whyte. Rachel, however, is infatuated with a solicitor called Pat Bootle, who has recently appeared out of nowhere. Dawson is surprised but delighted when his best friend, Alan Flannery, offers him some unspecified work in Australia. Dawson has no idea what the work entails but the mysterious arrival of a tea service with a code hidden in the teapot lid makes him suspicious. Flannery, actually the head of a minor branch of MI6, has received a memory stick from Sean MacGuffin of Irish

Intelligence. It reveals the approximate location of a cache of diamonds stolen by the Nazis. However, MacGuffin had also passed the information to the Russians. Flannery spots an opportunity to get rich and sends the unwitting Dawson to find the diamonds. Other parties join the hunt including Riley Bigg, a local mobster, Pat Bootle, who is actually working for German Intelligence, a Russian hitman and a British official being blackmailed by the Russians. Two local police officers, Iain Innes and Elaine Bates, become suspicious about Dawson and also attempt to find out what is happening. Dawson, kidnapped by Riley Bigg, is rescued by Bootle and they go on the run together. Meanwhile, Lucy Smith, a genuine MI6 employee and Martin Evans, a journalist, also fly to Australia and eventually meet up with Dawson. They too join the hunt. Flannery is also finally forced to travel there as well, following a visit from two gentlemen from Russian Intelligence. The story concludes at a disused mine in Victoria. Dawson and Lucy, helped by Innes, Bates, Bootle and Laurie McGee, a local Australian in the occasional employ of MI6, recover the diamonds, most of which end up back in Germany.

Cook Like a Local Chris Shepherd, Kaitlyn Goalen, 2019-09-03

The James Beard Award-winning chef of Underbelly Hospitality, a champion of Houston's diverse immigrant cooks—Vietnamese, Korean, Mexican, Indian, and more—shows you how to work with their flavors and cultures with respect and creativity. JAMES BEARD AWARD FINALIST Houston's culinary reputation as a steakhouse town was put to rest by Chris Shepherd, the Robb Report's Best Chef of the Year. A cook with insatiable curiosity, he's trained not just in fine-dining restaurants but in Houston's Korean grocery stores, Vietnamese noodle shops, Indian kitchens, and Chinese mom-and-pops. His food, incorporating elements of all these cuisines, tells the story of the city, and country, in which

he lives. An advocate, not an appropriator, he asks his diners to go and visit the restaurants that have inspired him, and in this book he brings us along to meet, learn from, and cook with the people who have taught him. The recipes include signatures from his restaurant—favorites such as braised goat with Korean rice dumplings, or fried vegetables with caramelized fish sauce. The lessons go deeper than recipes: the book is about how to understand the pantries of different cuisines, how to taste and use these flavors in your own cooking. Organized around key ingredients like soy, dry spices, or chiles, the chapters function as master classes in using these seasonings to bring new flavors into your cooking and new life to flavors you already knew. But even beyond flavors and techniques, the book is about a bigger story: how Chris, a son of Oklahoma who looks like a football coach, came to be “adopted” by these immigrant cooks and families, how he learned to connect and share and truly cross cultures with a sense of generosity and respect, and how we can all learn to make not just better cooking, but a better community, one meal at a time.

Belfield, Steve Sheppard, 2020-06 Dawson and Lucy are working for MI6 to protect Viktor Nurmsalu, an inventor of cheap electricity. But Nurmsalu is killed, Dawson is kidnapped, Lucy is lost, and a hitman with a grudge is after them. It's mirth, mayhem and murder.
