

Christmas Clock

John T. Cullen

The Christmas Clock Kat Martin, 2009-12 Teddy Williams was eight years old that Christmas, too young to understand all the undercurrents swirling around him in the tiny Michigan town of Dreyerville. He wasn't able to value that Christmas for the miracle it truly was. Teddy only knew he wanted to buy the beautiful Victorian clock in the window of Tremont's Antiques as a gift for his grandmother, Lottie Sparks, a woman desperate to find him a home before her rapidly progressing Alzheimer's left him an orphan. Teddy didn't know that in trying to buy the clock he would meet Sylvia Winters and Joe Dixon, a couple, once in love, desperate to overcome the past. He didn't know he would form a friendship with his neighbors, Floyd and Doris Culver, two people struggling to revive their long-dead marriage. He didn't know that these people would fill his Christmas with magic and hope; that the love of his friends would change his world, and that he would forever change theirs.

The Christmas Clock: Or: Time's River of Dust, a Dark Holiday Tale John T. Cullen, 2014-09-10 Ray Bradbury sent John T. Cullen a personal note in 2008, thanking him for writing a dark holiday fantasy worthy of Charles Dickens' *A Christmas Carol*, or of Ray Bradbury's macabre yet heartwarming tales. Arthur Latchloose, a miserable, wealthy old banker, has everything--but has nobody. A modern genie with a cell phone, and a wondrous clock made for the Sun King, turn his world upside down. This is a dark holiday fantasy for men and women of all faiths and cultures, which loses nothing from its unique Christmas spirit while opening its doors of wonder and spooky humor (along with a few tears) to all. Each of us is a traveler in a river of time. Like fish in water, or merfolks patrolling the deep, we are unaware of the medium in which we travel. We are born, we grow up--we love, lose, and love again--we suffer; and ultimately, each of us becomes yet another discarded vessel among the objects that time's rushing river has deposited in its empty riverbed. This, you see, is a river that only passes once through any point in time. In his hour of need, our friend Arthur Latchloose, by a strange confluence of fate and chance, comes upon a marvelous device that runs precious time through its hands. This wondrous, antique grandfather clock was built for the Sun King, and ended up passing among the hands of Oriental despots for centuries. During the recent many unfortunate wars in that mystical region, it came into the clutches of a desperate straggler--from yet another of the many wars there. This unfortunate soul, Major Jarlid, upon returning home from the war, is forced to sell it to pay his final debts. His buyer turns out to be a terribly wealthy but equally desperate and lonely man--our friend Arthur Latchloose. Along with the fabulous clock of the Sun King comes a genie right out of a bottle on some Oriental beach. He is, one might say, not a spirit to be rubbed the wrong way. But this djinni has not met the likes of feisty old Latchloose before now. And so begins a dark and curious tale, on a cold and snowy Christmas Eve. It is a story best told by firelight, worthy of Mr. Charles Dickens, but without Tiny Tim Cratchett or wailing ghosts clanking in chains. Instead, we have a genie constantly talking on his cell phone, working on contract and harried by his London office.

As time starts spiraling backward, April quickly realizes the magnitude of her wish. The world around her begins to unravel, and it's all her doing. With regret weighing heavy on her heart, April embarks on a journey to fix the very fabric of time itself. Joined by her school friend Tyron, April sets out to find the whimsical Christmas Clock rumored to be hidden in the heart of the town. As they venture through a magical and ever-changing world, April learns the true meaning of Christmas, the importance of family, and the power of forgiveness. The Christmas Clock John T. Cullen, 2011 Ray Bradbury has sent a fan letter to John T. Cullen, praising The Christmas Clock. Arthur Latchloose is a grumpy old banker who feels left behind by the world, though perhaps he unknowingly helped cause his estrangement from his late wife and their children. He hasn't a friend in the world, not even a pet, and has not celebrated a Christmas in years. He does have an unusual hobby to go along with his considerable wealth. He collects antiques. Not just old antiques, but rare and valuable items from long ago. This year Mr. Latchloose has contrived to buy himself a fabulous and strangely powerful grandfather clock originally made at the court of Louis XIV, the Sun King, and given to the Sultan of the Ottoman Empire, where it underwent some remarkable modifications using classic alchemy and other arcane arts. After the fall of the Ottomans during World War I, the clock ended up in possession of an Arab prince near Baghdad, where it acquired its own resident djinni. Now the clock is in the hands of Arthur Latchloose, courtesy a mysterious old Army major, and the djinni offers Arthur a single great wish. This is the story of how Arthur Latchloose pursues the quest of his ultimate wish in life, nearly drives a powerful djinni out of his mind, and manages to turn half the world upside down. You see, Arthur Latchloose starts out with one thing in mind--immortality--but when he can't have that (according to the arcane rules of the Agency bureaucracy with whom his djinni constantly consults on his cell phone) then Arthur strikes out on a remarkable quest of his own. The Christmas Clock is just the right story to get you in the mood for a Merry Christmas, offering lovers of SF and dark fantasy just the right mix of holiday wonder, mystery, humor, human drama, and a sentimental payoff worthy of Dickens' A Christmas Carol. It's a suspenseful roller-coaster ride, not for the faint of heart, spirit, or imagination. It is definitely not a kid story, but it's good clean fun for any grownup willing to suspend disbelief for a while, and let the imagination go for a wild ride in time and space. Written especially for a holiday audience by John T. Cullen, an author whose works include A Walk in Ancient Rome, Revised 2nd Edition (Nonfiction/Ancient History) and nearly two dozen novels.

The Christmas Clock John T. Cullen, 2012-06-01 Ray Bradbury, during the 2008 Holiday season, sent a fan letter to John T. Cullen, praising *The Christmas Clock*: Bravo, John! Read & Loved your 'Clock. On a darker, more universal level, *The Christmas Clock* is an allegory of how alcoholism reaches across generations and destroys families through violence and cruelty--but the human spirit can redeem itself, not by erasing or discarding the past (which makes us who we are) but by fixing the past within ourselves, and by rediscovering ourselves and the loves in our life. Arthur Latchloose had it all--a beautiful wife, wonderful children, wealth--and somehow it all disappeared from his life, leaving him a lonely and grumpy old man. As Christmas Eve descends upon the shadowy, neon city, and a blizzard coats the landscape with its silent magic, Arthur sits alone in his bank, the Latchloose Building of course. He putters around his priceless antique collection, only dimly aware that there is much more to life than his glittering treasures. The phone rings. It's Major Jarlid, fresh from the Middle East wars. Jarlid is desperate, and must sell a fabulous old Ottoman clock with magical properties. Not only that, but a djinni comes with the clock, and a single life-altering wish. This isn't your grandma's djinni. He's a harried young fellow, under a lot of stress, always on the phone with the home office in London. But he doesn't have a clue how mean and hard a bargain old skinflint Latchloose can drive. The djinni gives Arthur a choice: either wipe out your previous life, including those you loved, and get a whole new life--or go back and fix what you broke. Seeing his son and daughter, and then his beloved, deceased wife Gretchen, Arthur begins to see his many regrets. Not only that, but the djinni gives Arthur a unique tour of his past life, in the form of a river of time resembling a darkling Niagara of sand--the sands of time. Embedded in these sands are artifacts from the past--and memories so terrible Arthur can barely look. But look he must, and deal with them, in a catharsis that brings him to his one and only great decision: to go back and fix, and reclaim what is lost, or to forget and move on. As Arthur and the djinni wander through the city on this quest, the hours strike, one terrible tolling after another among the snowy streets and concrete canyons lit by neon. As the harried djinni runs along, Arthur drives his bargain to the very last stroke of the very last hour, gambling with the very fabric of time and reality... *The Christmas Clock* is a treasure of wisdom, a play of morality, a shining gem of dark fantasy to warm your Holiday night. Like Charles Dickens' classic *A Christmas Carol*, it brings out the best and the worst in people, and gives you chills and goosebumps as Arthur Latchloose finally comes up against a Fate he cannot escape or deny. The payoff is either total catastrophe forever, or a warm and shining Holiday reward.

The Christmas Clock Amy Joyce, 2022-05-12 The story of the CHRISTMAS CLOCK tells of God's love for us. Just like the crack that appears on the back of the clock, each one of us is flawed in some way. When we know, trust and depend on God He provides an answer and a way out of trouble.
