The DO's and DON'Ts of Contract Cleaning from One Who DID and DIDN't

Richard D. Ollek Cbse,2011-05 Whether you are thinking about entering the contract cleaning business, have a young company that may be struggling to get to the next level, or have a mature organization that may need to look at things in a different light, this book is for you. From naming your company to selling your company, this book covers all the bases. Dick takes you through the mistakes he made when starting his company, to the stumbling he did along the way, and how he got up and kept going. Some of his real life

stories will amuse while others will make you sit back and take note of how you can make a correction in your company that can save or earn lots of dollars for you. Dick includes ways to approach a banker, attorney, accountant, insurance agent as well as the supplier of your cleaning products and equipment. Doing these things right will put money on your bottom line, doing them wrong may put you out of business in a hurry. Not to be forgotten, he also includes a chapter on preparing your company for sale. Dick sold his company and can provide helpful suggestions on what you need to do and not do to be ready to sell. Dick interjects humor along the way to emphasize some of his mistakes and what he learned from them. You will particularly want to read chapter 18 where he talks about his favorite sayings and how they affected him. In that same chapter he also talks about actual calls he took from employees calling in to report they would not be at work and how he handled the calls. Last but not least, he provides you his thoughts on how to focus on becoming a leader as well as what he envisions the characteristics of real success are. This book is designed as a working tool. It is written in conversational style and will provide you a true encyclopedia for being in the contract cleaning business. Enjoy and learn.

The Cleaner Bruce Aitken,2017-03-04 a unique and perfect insight into the money-laundering world of thirty odd years ago.Read this book and learn how good men can sometimes end up doing things that many regard as not so good. Howard Marks AKA Mr. Nice Excerpt from the Book: You are looking at the Meyer Lansky of money laundering! All attending the court gasped out loud, and with malice aforethought, stared at me as if I had just landed from outer space. From humble beginnings in Hasbrouck Heights, New Jersey, Bruce Aitken was destined to be a baseball player until fate stepped in, in the form of a knee injury, and forever changed the course of his life. What started innocently enough, answering an ad in the newspaper, turned into a globe-trotting lifestyle of moving money - huge sums of money - for some of the world's most notorious and somewhat shady characters. From the jungles of Viet Nam to the money capitals of the world, Bruce moved in circles that would

unquestioningly hand over millions of dollars to him on a handshake, to be deposited into Swiss Bank accounts. It all started to crash via an event in Reno Nevada, and nearly cost Bruce the rest of his life in prison.
