**The Clint Eastwood Westerns** James L. Neibaur,2015-03-12 While the western was a staple of cinema for many decades, the form began to fade as its greatest star, John Wayne, made fewer films of distinction toward the end of his career. In the mid-1960s, the genre was redefined by a handful of directors, including Don Siegel and Italian filmmaker Sergio Leone, who offered something edgier, bloodier, and more violent. Working with both directors was an actor who had made a name for himself on the small screen in the hit western Rawhide. While Clint Eastwood would also star in and direct a number of successes with contemporary settings, his work in westerns represents the most significant part of his film career. In The Clint Eastwood Westerns, James L. Neibaur takes a film-by-film look at each of the superstar's signature works, from A Fistful of Dollars in 1964 to his modern-day classic Unforgiven, which earned him two Academy Awards, including best director. The author discusses in detail the production, impact, influences, and successes (both critical and commercial) of each film. In addition, Neibaur examines the continued success and influence of these works—how they redefined, challenged, and progressed the western genre. The book also features chapters that look at Eastwood's other films in the context of his overall career. From the spaghetti westerns he made with Leone, including The Good, the Bad, and the Ugly, to his revisionist look at the Old West in Unforgiven, The Clint Eastwood Westerns shines a spotlight on some of the most thrilling films of the genre. For devotees of Eastwood—the actor or director—or simply fans of the western, this book is an entertaining look at one of Hollywood's most enduring stars.

Clint Eastwood, the Man Behind the Myth Patrick Agan,1975

*Clint Eastwood* Richard Schickel,2010 Una celebración de la legendaria carrera de seis décadas de Clint Eastwood tanto delante como detrás de la cámara. Incluye comentarios del escritor y documentalista Richard Schickel y una introducción del propio Eastwood. Una retrospectiva de lujo con más de doscientas imágenes que ofrece un recorrido íntimo por la trayectoria de este polifacético artista. Clint Eastwood ha alcanzado el estatus de icono sin igual en la historia del cine. Durante más de seis décadas, ha protagonizado películas significativas, primero como actor de éxito y después en calidad de director inteligente e inquieto. Prácticamente todos los personajes que Clint ha interpretado en la gran pantalla son de clase trabajadora y foráneos, hasta el reciente Walt Kowalski de Gran Torino (2008); su estilo de hacer películas es también de clase trabajadora: simple, directo y de bajo presupuesto. También subyace su obsesión por las familias, desde el cantante de blues alcohólico y moribundo de El aventurero de medianoche (1982), que se convierte en una atípica figura paterna, hasta el asombroso retrato familiar de Mystic River (2003). Eastwood también ha explorado lo que significa ser hombre y norteamericano en el mundo moderno a través de películas como En la cuerda floja (1984) y Sin perdón (1992). Este libro constituye un merecidísimo tributo a esta figura del cine cuyos logros han enriquecido nuestra cultura y arrojado luz sobre los tiempos en que nos ha tocado vivir.

The Man With No Name includes original interview material and nearly 200 revealing photographs which together make his book the most complete record of the world's number one box office star.

Born the son of a steel worker in 1930, Eastwood's drive for success led him to his first break, in 1959, on the TV series Rawhide. Eastwood broke from television in 1964 with A Fistful of Dollars—his steely gaze and strong, silent screen presence made the film a surprise box-office smash.
