Country Music Goes to War Charles K. Wolfe, James E. Akenson, 2021-11-21 Listening to the Beat of the Bomb UPK author Charles Wolfe discusses his work and his new book *Country Music Goes to War* in the NEW YORK TIMES. While Toby Keith suggests that Americans should unite in support of the president, the Dixie Chicks assert their right to criticize the current administration and its military pursuits. Country songs about war are nearly as old as the genre itself, and the first gold record in country music went to the 1942 war song *There's a Star Spangled Banner Waving Somewhere* by Elton Britt. The essays in *Country Music Goes to War* demonstrate that country musicians' engagement with significant political and military issues is not strictly a twenty-first-century phenomenon. The contributors examine the output of country musicians responding to America's large-scale confrontation in recent history: World War II, the Korean War, Vietnam, the cold war, September 11, and both conflicts in the Persian Gulf. They address the ways in which country songs and artists have energized public discourse, captured hearts, and inspired millions of minds. Charles K. Wolfe, professor of English and folklore at Middle Tennessee State University, is the author of numerous books and articles on music. James E. Akenson, professor of curriculum and instruction at Tennessee Technological University, is the founder of the International Country Music Conference. Together they have edited the collections *The Women of Country Music*, *Country Music Annual 2000*, *Country Music Annual 2001*, and *Country Music Annual 2002*.

The One That Got Away Clint Hofer, 2019-03-22 On the eve of the Great Mississippi River Flood of 1993, Terri Zimmerman returns to her childhood home in South St. Louis, and her life is changed forever. When she was growing up, Terri lived with her parents above the Zimmerman Bakery, which is now a tavern named the Stag Club. Terri becomes friends with Dinty Smith, the proprietor of the Stag Club. She also gets reacquainted with Glen Wunsch, a childhood friend who is the last member of a once-prominent St. Louis brewing family. Glen's grandmother is Anna Grosse, the infamous Lavender Lady who once dominated St. Louis high society and who again finds herself in the spotlight as the namesake of a new floating casino called the Belle of Calhoun. Terri sells perfume at the Famous-Barr store in Crestwood Plaza, and one of her customers is Barbara Grogan, who does a television program about the sport of fishing. Barbara is known as the Happy Hooker. Terri and Barbara become friends, but they eventually have a falling out. Terri's best friend is a girl from the Philippines named Paz Militante. The two girls work together behind the Estée Lauder counter at Famous-Barr. This is a lighthearted, humorous, romantic story that moves dramatically to the

cataclysmic conclusion as the great flood sweeps through South St. Louis, destroying everything in its path.

Country Music Annual 2000 Charles K. Wolfe,James E. Akenson,2015-01-13 The swelling interest in popular music studies has far outpaced the outlets for publication. Country music, with its all-too-familiar stereotypes, has been particularly slow to gain scholarly acceptance. With the Country Music Annual, scholars, students, and even fans now have a outlet for the dissemination of research and ideas. Each volume of this new yearbook is devoted to all aspects of country music and is the only forum for series studies of the subject. Specific topics include old-time music, western swing, bluegrass, honky-tonk music, Cajun, instrumental music, Nashville sound era, new traditionalism, country rock, alternative country, Americana, modern folk, and contemporary Nashville, as well as biographical studies and interdisciplinary approaches to music, geography, gender, class, race, media, and culture. This inaugural edition defines country music in a broad sense and reflects the marvelous complexities of what has often been called a simple cultural form. The articles look at old-time music, Western swing, honky-tonk, Bluegrass, Cajun, country rock, and the many other incarnations country music has taken. Contributors explore country music in Hollywood and Nashville, humor, country's complex relationship with religion, music careers, sound mixing, and teaching country music in the classroom. Analysis of music, lyrics, and aesthetics stand alongside discussions of Minnie Pearl, Tennessee Ernie Ford, Dolly Parton, Loretta Lynn, Emmylou Harris, Shania Twain, and many more artists. Advisory Board: Bill C. Malone, Nolan Porterfield, Jimmie Rogers, Curtis Ellison, William K.

The First Generation of Country Music Stars David Dicaire, 2007-07-23 This book focuses on 50 of the most important entertainers in the history of country music, from its beginnings in the folk music of early America through the 1970s. Divided into five distinct categories, it discusses the pioneers who brought mountain music to mass audiences; cowboys and radio stars who spread country music countrywide; honky-tonk and bluegrass musicians who differentiated country music during the 1940s; the major contributions that female artists made to the genre; and the modern country sound which dominated the genre from the late 1950s to the mid-1980s. Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers. Covered musicians include Fiddlin' John Carson, Riley Puckett, Gene Autry, Roy Rogers, Bob Wills, Bill Monroe, Hank Williams, Sr., Dale Evans, June Carter Cash, Loretta Lynn, Buck Owens, Roy Clark, Willie Nelson and Merle Haggard.

Southern Comfort L.C. Mitchell, 2012-07-26 Sonny Nexell is a typical young man growing up in the South. He was born in Pineville, SC in the late 20's to a family who inherited the land his ancestors slaved over for years. He was taught strong family and Christian values but sometimes those values succumb to temptation and greed. In turn he goes down a path that would take him on a ride that he will never forget or out live.

Southern Cultures Harry L. Watson, Jocelyn Neal, 2010-11-10 In the Winter 2010 issue of Southern Cultures: Hal Crowther takes on H.L. Mencken (and Rush Limbaugh, too); Southerners battle hornets, rattlesnakes, and bears—so they can pick blackberries; Cowboy Troy crosses country music with hip-hop and says his belt buckle is bling; The experts redraw the boundaries of North and South; The Home of the Double-Headed Eagle rises amidst a line of shotgun shacks; and much more. Southern Cultures is published quarterly (spring, summer, fall, winter) by the University of North Carolina Press. The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South.
