Sugar Cookie Country House: He Falls First
Sports Romance (Sweet & Clean) Jean
Oram, 2023-12-05 Get ready for a heartwarming Christmas romance where he falls first in this grumpy sunshine sports novel featuring a curvy small town heroine and a hockey player hero! Because sometimes love doesn't follow the playbook... When sunshiney Jenny wished for more adventure in her life, she never thought she'd be sent a grumpy hockey player. But could Dylan's gruff exterior be nothing more than an act? Does this hockey hunk secretly enjoy their spirited debates that upset their friends at Thanksgiving? (Oops.) Of course, men like him don't go for curvy, small town women... Or do they? Dylan can't help but be captivated by Jenny's feisty, direct charm. The catch? Despite being benched for an injury that might end his career, he's deep in trade talks that could send him across the continent. But since meeting Jenny, the idea of a life off the ice isn't nearly as unsettling. Then again, maybe his foot will heal, he'll get the girl, stay with his team, and have it all. Either way, he needs to convince Jenny that all this big-shot wants this holiday season is her. Note: All of the books in this series can be read as standalones.

The industrialization of much of the world's food chain has taken people so far from their agrarian roots that the diet they now consume would have been unrecognizable as food just a few generations ago. Bright, artificial colors and ridiculous amounts of sugar and fat, coupled with the preservatives needed to enable shipping and long shelf lives, have infiltrated the foods that people eat. In the growing backlash, concerned cooks are looking for ways to wean themselves and their children from these diet disasters without making anyone feel deprived. This book offers the antidote. As a bonus, these recipes are mindful of vegan values and provide optional vegan variations.
