Redemption Song Bertice Berry,2008-12-10 Owner of a small African-American bookshop, Miss Cozy has an unique gift: Customers who walk through her door rarely leave without a book that speaks directly to their life. But when Josephine--Fina--and Ross arrive in search of an obscure, unpublished manuscript written by a slave woman, Miss Cozy knows that all her visions have been leading her to this magical day. Yet Miss Cozy has no intention of selling the manuscript--no matter the price. So she offers Fina and Ross an alternative. They can read it together at the store. It was not what they hoped for, but their interest in the extraordinary love story is about as strong as their uncanny attraction for one another . . . one they both sense runs much deeper than a kiss. In the course of a few days, Fina and Ross realize that this powerful book has special meaning for the two of them--and that the path to their shared future may be linked to something that happened more than a century ago. . . .

Proceedings of the International Topical Meeting on Fast Reactor Safety ,1985

The Homes of Giorgio Vasari Liana Cheney,2006 Giorgio Vasari was one of the few artists in the history of art who built, designed, and decorated his homes. This book is the first to focus on Vasari's decorative cycles for his homes in Arezzo and Florence, revealing the significance of the artistic, cultural, and historical milieu of the sixteenth century. This study breaks new ground in two ways: First, in a personal and original manner, the imagery is related to Vasari's artistic ideas on history painting and the role of the artist. And second, Vasari's imagery portrays visual galleries applauding his teachers, antiquity and the creation of art.

The Ashgate Research Companion to Giorgio Vasari David J. Cast,2016-04-01 The Ashgate Research Companion to Giorgio Vasari brings together the world's foremost experts on Vasari as well as up-and-coming scholars to provide, at the 500th anniversary of his birth, a comprehensive assessment of the current state of scholarship on this important-and still controversial-artist and writer. The contributors examine the life and work of Vasari as an artist, architect, courtier, academician, and as a biographer of artists. They also explore his legacy, including an analysis of the reception of his work over the last five centuries. Among the topics specifically addressed here are an assessment of the current controversy as to how much of Vasari's 'Lives' was actually written by Vasari; and explorations of Vasari's relationships with, as well as reports about, contemporaries, including Cellini, Michelangelo and Giotto, among less familiar names. The geographic scope takes in not only Florence, the city traditionally privileged in Italian Renaissance art history, but also less commonly studied geographical venues such as Siena and Venice.

Popular Science ,1981-12 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Argomania Henry J. Gambino,2005

Catalan: A Comprehensive Grammar Max Wheeler, Alan Yates, Nicolau Dols, 2002-09-11 Catalan: A Comprehensive Grammar is a complete reference guide to modern Catalan grammar, presenting an accessible and systematic description of the modern language. It is the only comprehensive grammar of the language available in English. The Grammar reflects the current reality of Catalan by acknowledging regional diversity and features Balearic and Valencian varieties alongside the language used in the Barcelona region. The combined specialist knowledge of the author team ensures a balanced coverage of modern Catalan. Features include: * comprehensive coverage of all parts of speech * a wealth of authentic examples illustrating language points * attention to areas of particular difficulty for those whose first language is English * full cross-referencing * detailed index.

The Top Books of the Year Cosina The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Let's delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Cosina : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Cosina : Taylor Jenkins Reid "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Cosina : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and

intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
