

# Craze

V. L. Nabors

Craze Jessica Warner,2003 This work, written by Jessica Warner, provides a social history of the gin craze in 18th-century London.

**Witch Craze** Lyndal Roper,2006-01-01 A powerful account of witches, crones, and the societies that make them From the gruesome ogress in Hansel and Gretel to the hags at the sabbath in Faust, the witch has been a powerful figure of the Western imagination. In the sixteenth and seventeenth centuries thousands of women confessed to being witches--of making pacts with the Devil, causing babies to sicken, and killing animals and crops--and were put to death. This book is a gripping account of the pursuit, interrogation, torture, and burning of witches during this period and beyond. Drawing on hundreds of original trial transcripts and other rare sources in four areas of Southern Germany, where most of the witches were executed, Lyndal Roper paints a vivid picture of their lives, families, and tribulations. She also explores the psychology of witch-hunting, explaining why it was mostly older women that were the victims of witch crazes, why they confessed to crimes, and how the depiction of witches in art and literature has influenced the characterization of elderly women in our own culture.

The Spanish Craze Richard L. Kagan,2019-03-01 The Spanish Craze is the compelling story of the centuries-long U.S. fascination with the history, literature, art, culture, and architecture of Spain. Richard L. Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America, tracing its origins from the early republic to the New Deal. As Spanish power and influence waned in the Atlantic World by the eighteenth century, her rivals created the "Black Legend," which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness. The Black Legend and its ambivalences influenced Americans throughout the nineteenth century, reaching a high pitch in the Spanish-American War of 1898. However, the Black Legend retreated soon thereafter, and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism. Although the Spanish craze infected regions where the Spanish New World presence was most felt—California, the American Southwest, Texas, and Florida—there were also early, quite serious flare-ups of the craze in Chicago, New York, and New England. Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich, a specialist in the early history of the Americas, and the writers Washington Irving and Henry Wadsworth Longfellow. He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers, artists, and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries. Spain's political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries. With elegant prose and verve, The Spanish Craze spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments, buildings, and private homes; the visual, performing, and cinematic arts; and the literature, travel journals, and letters of its enthusiasts in the United States.

The American Scholar William Allison Shimer,2003

Quiz Craze Thomas A. DeLong,1991-10-30 For more than fifty years, the quiz show has thrived on American television and radio. From Pot o' Gold and The \$64,000 Question to Wheel of Fortune and Jeopardy, quiz and game programs have entertained and informed millions of Americans, promoted and sold untold quantities of products, generated fortunes for their creators and producers, and filled the pockets of a multitude of jackpot winners. In this volume, Thomas DeLong offers the first in-depth history of quiz and game formats available in print. He describes how mass communications transformed the old parlor guessing games into enormously popular features on radio and television and examines

their impact on American society and the consumer marketplace. DeLong also explores their decline in the wake of the quiz scandal inquiry of the late 1950s and their subsequent revival as new shows on daytime TV that began to build up a loyal following. Quiz Craze is enhanced by the recollections, insights, and anecdotes of many who brought the quiz show genre to listeners and viewers. Producers, directors, gamemakers, writers, emcees, panelists, and advertisers have added their first-hand observations on the inner workings and widespread influence of quiz show programming. Former contestants and their families offer reminiscences from shows such as *To Tell the Truth*, *What's My Line?*, *Name That Tune*, and many others. DeLong also draws on the resources of key organizations in the broadcast field, archival records, and published media reports to demonstrate the extraordinary popularity of the game show format.

**Boomtown Craze** M. Pax, 2015-01-21 In the far future, humanity settles the stars, bioengineering its descendants to survive in a harsh universe. This is the third book in the science fiction series, *The Backworlds*. A space opera adventure. To realize his dream, to build Pardeep Station into a top world, a destination all Backworlders want to come to, Craze makes the best use of a weapon left behind by the Foreworlders. The dastardly technology helps him to forge advantageous trades, which improves his situation on the dusty moon. Only days away from the grand opening of his shiny new tavern, the starway opens, bringing in a loony Backworlder intent on mucking up Craze's carefully laid plans. Gaunt and trembling, she claims her spaceship is possessed. She also has a connection to the underworld that shakes loose the dark past of one of Craze's closest friends. It all threatens to end his prosperity before it begins. Meanwhile off world, Captain Talos works desperately to outwit the mercenary jixes and lure them away from Pardeep Station's budding prospects. With all the trading done on Pardeep's behalf, the mind-control weapon Talos is using wears thin, and his next move may be his last. Will it end in boom or dust?

**Space Craze** Margaret A. Weitekamp, 2022-10-18 A space historian's tour through astounding spaceflight history and the Smithsonian's collection of space and science fiction memorabilia Spanning from the 1929 debut of the futuristic *Buck Rogers* to present-day privatization of spaceflight, *Space Craze* celebrates America's endless enthusiasm for space exploration. Author Margaret Weitekamp, curator at the Smithsonian's National Air and Space Museum, writes with warmth and personal experience to guide readers through extraordinary spaceflight history while highlighting objects from the Smithsonian's spaceflight collection. Featuring historical milestones in space exploration, films and TV shows, literature and comic strips, toys and games, and internet communities, *Space Craze* is a sci-fi lover's dream. The book investigates how spaceflight, both real and imagined, has served as the nexus where contemporary American concerns, such as race, gender, sexuality, freedom, and national identity, have been explored and redefined. Chronological chapters include: Chapter 1: *Buck Rogers*, Ray Guns, and the Space Frontier Chapter 2: Space Forts, Television, and the Cold War Mindset Chapter 3: John Glenn, the Apollo Program, and Fluctuating Spaceflight Enthusiasm Chapter 4: *Star Trek*, *Star Wars*, and Burgeoning Fandoms Chapter 5: Generation X, the Space Shuttle, and Promoting Education Chapter 6: Space Stations, Spaceflight Enthusiasm, and Online Fandom Chapter 7: Streaming Services, Battling Billionaires, and Accelerated Change From the almost 650 million viewers who tuned in to watch the first steps on the Moon, to the ardent *Star Trek* fandom that burgeoned into a cultural force, *Space Craze* taps into the country's enduring love affair with space.

**The Indian Craze** Elizabeth Hutchinson, 2009-03-23 In the early twentieth century, Native American baskets, blankets, and bowls could be purchased from department stores, "Indian stores," dealers, and the U.S. government's Indian schools. Men and women across the United States indulged in a widespread passion for collecting Native American art, which they displayed in domestic nooks called "Indian corners." Elizabeth Hutchinson

identifies this collecting as part of a larger “Indian craze” and links it to other activities such as the inclusion of Native American artifacts in art exhibitions sponsored by museums, arts and crafts societies, and World’s Fairs, and the use of indigenous handicrafts as models for non-Native artists exploring formal abstraction and emerging notions of artistic subjectivity. She argues that the Indian craze convinced policymakers that art was an aspect of “traditional” Native culture worth preserving, an attitude that continues to influence popular attitudes and federal legislation. Illustrating her argument with images culled from late-nineteenth- and early-twentieth-century publications, Hutchinson revises the standard history of the mainstream interest in Native American material culture as “art.” While many locate the development of this cross-cultural interest in the Southwest after the First World War, Hutchinson reveals that it began earlier and spread across the nation from west to east and from reservation to metropolis. She demonstrates that artists, teachers, and critics associated with the development of American modernism, including Arthur Wesley Dow and Gertrude Käsebier, were inspired by Native art. Native artists were also able to achieve some recognition as modern artists, as Hutchinson shows through her discussion of the Winnebago painter and educator Angel DeCora. By taking a transcultural approach, Hutchinson transforms our understanding of the role of Native Americans in modernist culture.

Milk Craze Veronica S. W. Mak, 2021-02-28 Why do the Chinese, who are mostly lactase non-persistent, suddenly thirst for milk today? Whether it is formula milk, fresh cow milk, or tea with condensed milk, the rocketing milk consumption and production in China are of increasing global food safety, health, and environmental concerns. *Milk Craze* examines and compares developments in China's dairy industry and dietary dairy consumption, cross-nationally and globally, and more specifically in two localities: Shunde and Hong Kong. Through an innovative analysis of medical texts and social media, as well as careful ethnographic studies, Veronica Mak ponders why the surge in demand for Western cow milk coincides with the plunge in sales of indigenous water-buffalo milk and cheese. She reveals the multiple ways in which global industries and Chinese dairy conglomerates sabotage and destroy local dairy farms. She shows that the rise of milk consumption is not just about the globalization of cow milk production and Westernization of the Chinese diet, but also due to the crossovers between the traditional Chinese diet and medicine and modern global diets. She uses these reference points to explore the multiple meanings of dairy foods in China, such as the class and cultural attributes associated with British “milk tea” and flavored yogurt products, water buffalo curds and cheese, and the lower class associations of labor in the water-buffalo dairying industries, and then discusses these developments in China through colonial and modern global perspectives. *Milk Craze* argues powerfully that the Westernization or dramatic change of diet in China too often obscures structural, educational, occupational, and social stresses and constraints, while naturalizing the dubious redefinition of health, cognitive performance, and ideal body shape as individual responsibility and imperative.

**The Dan Brown Craze** Aiping Zhang, Zhenwu Zhu, 2016-05-11 Since the Chinese translation of *The Da Vinci Code* was released in China in 2004, the “Dan Brown Craze” has swept across the country. All of Brown’s novels have subsequently been translated into Chinese and sold millions of copies. No living foreign writer has generated so much media coverage and scholarship in China within such a short period of time; not even Toni Morrison or J.K. Rowling. Brown’s rendering of dichotomies, such as science and religion, humanity and divinity, good and evil, and liberty and privacy, resonates well with his Chinese readers because they feel that these issues are no longer irrelevant to them. They see an urgent need for a revision, if not an entire redefinition, of their existing beliefs and values. This book examines the plot, characterization, themes, setting, codes, knowledge, institutions, and techniques in his novels, and delivers a careful textual analysis, a selective

dissemination of relevant information on different subjects, and a perceptive comparison between Brown and other Chinese and Western writers. As such, it shows how his thrillers have been appreciated and studied in China, and what kinds of discoveries, challenges, controversies, and insights have surfaced in the Chinese appreciation of Brown's novels. Furthermore, the book explores why the "Dan Brown Craze" has lasted this long and exerted a broad and far-reaching impact upon the reading, writing, studying, translating, publishing, and marketing of fiction in China.

**Tresses and Transformations: Unveiling the Wig Craze** Cassandra

Fenyk,2023-05-15 Discover the enchanting world of wigs and embark on a transformative journey with *Tresses and Transformations: Unveiling the Wig Craze*. This comprehensive guidebook is your ultimate resource for buying, wearing, and caring for wigs. Whether you're a beginner seeking advice or an experienced wig enthusiast looking for new inspiration, this book has you covered. Dive into the fascinating history of wigs, explore different types and styles, master the art of wig care and maintenance, and uncover the empowering potential of wearing wigs. **Mad Craze Middle School; the Case of the Crumpled Balls** V. L. Nabors,2010-07-20

Three days remain before 12 yr. old Cuban Linn's 2-week holiday break and he couldn't be more excited. First, he'll hang out at the mall with the most popular girl at his school and other friends. Then, he'll play in his school's division championship basketball game. Finally Cuban and his cousin/best friend Jaria will celebrate their 13th birthday with a huge party. Unfortunately, Cuban has unknowingly stumbled into the middle of a crime at his school. He is now the prime suspect and could lose everything, including his freedom. Join Cuban and Jaria as they set out to clear his name. Will they find the perpetrator in time? It's middle school fun, craziness, and suspense for readers 9 through 15 years of age.

**Beautiful Sun: Boy Craze** M. Rose Barnett,2008

**George and the New Craze** Alice Hemming,2019 The original picture book text for this story has been modified by the author to be an early reader.

*The Thought Reader Craze* Barry H. Wiley,2012-09-26 Beginning in 1870, the hunger for scientific discovery in Great Britain drove prominent scientists, philosophers and others to promote the legitimacy of telepathy. At the same time, mind-reading as a form of entertainment gained increasing popularity as persuasive performers like John Randall Brown, W.I. Bishop, and Stuart C. Cumberland convinced reporters that they truly could read the thoughts of others. The widely publicized, sometimes bizarre, interactions between scientists and these charlatans ushered in the Thought Reader Craze, a period that lasted through about 1910 and saw entertainers make and lose fortunes and scientists make and lose reputations. This volume explores this unusual cultural phenomenon, showing how it was aided through the years by public scientific pronouncements, astonishing performances by the thought readers, and the rapidly changing industrial society.

**The Reciprocity Craze** George Webb Medley,Cobden Club (London, England),1881

**The Last Witch Craze** Tony McAleavy,2022-06-15 A fascinating account of man of letters John Aubrey's investigation into the witch craze in 17th century England and the remarkable witch trials in Wiltshire. John Aubrey and other leading figures in the Royal Society promoted belief in witchcraft. Aubrey also had a dark secret. He personally practised a form of black witchcraft.

## Craze Introduction

In the digital age, access to information has become easier than ever before. The ability to download Craze has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Craze has opened up a world of possibilities. Downloading Craze provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Craze has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a

wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Craze. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Craze. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Craze, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Craze has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Craze Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the

source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Craze is one of the best book in our library for free trial. We provide copy of Craze in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Craze. Where to download Craze online for free? Are you looking for Craze PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Craze. This method for see exactly what may be included and adopt these

ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Craze are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Craze. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Craze To get started finding Craze, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of

thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Craze So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Craze. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Craze, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Craze is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Craze is universally compatible with any devices to read.
