Seventeen-year-old Becca Greenfield was snatched from her small hometown. She was thrown into a maximum-security prison and put on Death Row with other kids her age. Until her execution, Becca's told to fit in and shut her mouth . . . but Becca's never been very good at either. Her sister Cassie was always the good twin. There were no charges. There was no trial. There will be no escape. Becca's only hope is that her twin sister will find her. That perfect little priss Cassie will stop following the rules and start breaking them, before it's too late. Because her jailers made a mistake that could get them both killed: They took the wrong twin. *Crazy House* is a non-stop thrill ride from James Patterson, the #1 bestselling author of *Maximum Ride*, *Witch and Wizard*, and *Confessions of a Murder Suspect*.

Crazy Pete Earley, 2007-04-03 “A magnificent gift to those of us who love someone who has a mental illness...Earley has used his considerable skills to meticulously research why the mental health system is so profoundly broken.”—Bebe Moore Campbell, author of *72 Hour Hold*
Former Washington Post reporter Pete Earley had written extensively about the criminal justice system. But it was only when his own son—in the throes of a manic episode—broke into a neighbor's house that he learned what happens to mentally ill people who break a law. This is the Earley family's compelling story, a troubling look at bureaucratic apathy and the countless thousands who suffer confinement instead of care, brutal conditions instead of treatment, in the “revolving doors” between hospital and jail. With mass deinstitutionalization, large numbers of state mental patients are homeless or in jail—an experience little better than the horrors of a century ago. Earley takes us directly into that experience—and into that of a father and award-winning journalist trying to fight for a better way.

The Crazy Man Pamela Porter, 2005-07-31 It is 1965, and twelve-year-old Emaline lives on a wheat farm in southern Saskatchewan. Her family has fallen apart. When her beloved dog, Prince, chased a hare into the path of the tractor, she chased after him, and her dad accidentally ran over her leg with the discer, leaving her with a long convalescence and a permanent disability. But perhaps the worst thing from Emaline's point of view is that in his grief and guilt, her father shot Prince and then left Emaline and her mother on their own. Despite the neighbors' disapproval, Emaline's mother hires Angus, a patient from the local mental hospital, to work their fields. Angus is a red-haired giant whom the local kids tease and call the gorilla. Though the small town's prejudice creates a cloud of suspicion around Angus that nearly results in tragedy, in the end he becomes a force for healing as Emaline comes to terms with her injury and the loss of her father. In the tradition of novels such as Kevin Major's *Ann and Seamus* and Karen Hesse's *Out of the Dust*, novelist and poet Pamela Porter uses free verse to tell this moving, gritty story that is accessible to a wide range of ages and reading abilities.

House of Leaves Mark Z. Danielewski, 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when

House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Quiet-Crazy Joyce Durham Barrett, 2013-04-06 The sheriff has come to put away Elizabeth Miller--to take her to the state mental hospital. Well, I may be crazy, Elizabeth tells us, but I know I'm not wild-crazy, just maybe quiet-crazy, and I don't know which one is worse. For someone about to be penned up with the crazy folks, you wouldn't think she'd be so calm and analytical. But Elizabeth Miller knows that her trip to the asylum is her last chance at an

independent life, her last chance at getting away from Angela--the little dead girl inside her who won't die, who threatens to take over her life. In the hospital, she will find beauty and terror, but most of all, she will find her own inner strength--the strength to heal herself and to face the family and small town she has had to flee. Joyce Durham Barrett's debut novel is the uplifting story of one woman who triumphs of a terrible past and wakes up to find the world as an adult: ready to embrace it in all its complications, its many shades of meaning and uncertainty, its degrees of good and bad, its wild, wonderful, terrifying, thrilling reality.

Sometimes I Lie Alice Feeney, 2018-03-13 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

The Church of Baseball Ron Shelton, 2023-06-20 LA TIMES BESTSELLER • From the award-winning screenwriter and director of cult classic Bull Durham, the extremely entertaining behind-the-scenes story of the making of the film, and an insightful primer on the art and business of moviemaking. This book tells you how to make a movie—the whole nine innings of it—out of nothing but sheer will.” —Tony Gilroy, writer/director of Michael Clayton and The Bourne Legacy The only church that truly feeds the soul, day in, day out, is the church of

baseball.—Annie in Bull Durham Bull Durham, the breakthrough 1988 film about a minor league baseball team, is widely revered as the best sports movie of all time. But back in 1987, Ron Shelton was a first-time director and no one was willing to finance a movie about baseball—especially a story set in the minors. The jury was still out on Kevin Costner’s leading-man potential, while Susan Sarandon was already a has-been. There were doubts. But something miraculous happened, and *The Church of Baseball* attempts to capture why. From organizing a baseball camp for the actors and rewriting key scenes while on set, to dealing with a short production schedule and overcoming the challenge of filming the sport, Shelton brings to life the making of this beloved American movie. Shelton explains the rarely revealed ins and outs of moviemaking, from a film’s inception and financing, screenwriting, casting, the nuts and bolts of directing, the postproduction process, and even through its release. But this is also a book about baseball and its singular romance in the world of sports. Shelton spent six years in the minor leagues before making this film, and his experiences resonate throughout this book. Full of wry humor and insight, *The Church of Baseball* tells the remarkable story behind an iconic film.

Crazy Bosses Stanley Bing, 2009-10-13 Jam-packed with new anecdotes, updated references, and modernized jokes, Stanley Bing’s seminal investigation of what makes bosses crazy is now revised for a new generation. brains, the bully, the paranoid boss, the narcissist, the “bureaucrazy,” and the disaster hunter—and offers readers concrete strategies on how to cope, and, most importantly, how not to become crazy bosses themselves.

Crazy for Crab Fred Thompson, 2010 Marylanders worship soft-shells, Mainers are loyal to peekytoe, Floridians devour stone crab, Alaskans revel in king crab, and Pacific North westerners swear by Dungeness.
