What If Someday I Could Make a Movie Robert Geller,2005-11 Robert Geller's What If Someday I Could Make A Movie puts to rest the tired cliché about adaptations of books—which was better, the film or the book? As a teacher of literature and screenwriting he cites his motivation for attempting the impossible. His memoir details the struggles he faced in bringing America's finest writers to the screen. Without apology, he affirms his passionate affinity for the written words that shaped his teaching career and his loving fascination for movies that helped to shape his life. From intuition to script, to the daily production struggles, his memoir describes the challenges confronted while bringing Baldwin, Bellow, Hemingway, O'Connor and Updike to large viewing audiences nationwide, hoping to acquaint readers with masterful storytellers. Geller's commitment to a personal dream enabled him to gather an unmatched array of talent—Teresa Wright, Robin Williams, Blythe Danner, Jerry Stiller, Tommy Lee Jones and Ron Howard who joined with him to create twenty-four critically acclaimed films.

Exploring Movie Construction and Production John Reich,2017-07-10 Exploring Movie Construction & Production contains eight chapters of the major areas of film construction and production. The discussion covers theme, genre, narrative structure, character portrayal, story, plot, directing style, cinematography, and editing. Important terminology is defined and types of analysis are discussed and demonstrated. An extended example of how a movie description reflects the setting, narrative structure, or directing style is used throughout the book to illustrate building blocks of each theme. This approach to film instruction and analysis has proved beneficial to increasing students' learning, while enhancing the creativity and critical thinking of the student.

How Not to Make a Short Film Roberta Marie Munroe,2009-01-20 Anyone can make a short film, right? Just grab some friends and your handheld and you can do it in a weekend or two before being accepted to a slew of film festivals, right? Wrong. Roberta Munroe screened short film submissions at Sundance for five years, and is an award-winning short filmmaker in her own right. So she knows a thing or two about how not to make a short film. From the first draft of your script to casting, production, editing, and distribution, this is your one-stop primer for breaking into the business. Featuring interviews with many of today's most talented writers, producers, and directors, as well as revealing stories (e.g., what to do when the skinhead crack addict next door begins screaming obscenities as soon as you call action) from the sets of her own short films, Roberta walks you through the minefield of mistakes that an aspiring filmmaker can make--so that you don't have to make them yourself.

Introduction to Scream (2022 film) Gilad James, PhD, Introduction to Scream is an upcoming horror movie directed by Matt Bettinelli-Olpin and Tyler Gillett. This movie is planned to be the fifth installment in the Scream franchise, which began in 1996. Neve Campbell, Courteney Cox, and David Arquette will reprise their roles as Sidney Prescott, Gale Weathers, and Dewey Riley, respectively. Along with the original cast members, the movie will also feature new characters played by Jack Quaid, Melissa Barrera, and Jenna Ortega, among others. The plot of Introduction to Scream revolves around a series of murders in a small town, which bear a striking resemblance to the killings depicted in the original Scream movies. Sidney, Gale, and Dewey return to their hometown to investigate the murders, and they are soon joined by a new group of teenagers who become targets of the killers. The movie promises to be a modern take on the classic slasher genre, with meta-humor, suspense, and some scares. Fans of the franchise are eagerly anticipating the release of Introduction to Scream, which is set to hit theaters in January 2022.

Make Your Own Damn Movie! Lloyd Kaufman,Adam Jahnke,Trent Haaga,2007-04-01 Lloyd Kaufman, the writer/producer/director of such cult-classic films as The Toxic Avenger, Class of Nuke 'Em High, and Tromeo and Juliet, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, Make Your Own Damn Movie! places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.

Introduction to All Quiet on the Western Front (2022 film) Gilad James, PhD, The upcoming film All Quiet on the Western Front is set to be a new adaptation of Erich Maria Remarque's classic novel published in 1929. Directed by Edward Berger, the film will be produced by DreamWorks Pictures and will star Daniel Brühl, newcomer Felix Kammerer and Devid Striesow. Filming began in late 2021 and the release date is yet to be announced. The story follows a group of young German soldiers who enlist in World War I, filled with idealism and patriotism. However, as they face the brutal reality of trench warfare, they are forced to confront the devastating effects of the war on their physical and mental well-being, as well as their disillusionment with the patriotic propaganda that inspired them to enlist. The novel is considered a masterpiece of anti-war literature, and the film is expected to be a powerful portrayal of the human cost of conflict.

The Lean Forward Moment Norman Hollyn, 2008-12-23 In this groundbreaking book Norman Hollyn outlines his 'Lean Forward Moment Method' of storytelling that applies to all aspects of the film-making process and media production. Whether you are an editor, producer, director, cinematographer or visual effects pro, this book will provide the essential techniques you need to create engaging content that emotionally connects with your audience. The core storytelling techniques in this book, apply equally to all levels and types of film and media projects: feature films, television documentaries, fiction, web-based video games, commercials, event films and much more. As an Associate Professor at the School of Cinematic Arts at USC and having worked on movie projects with such Hollywood greats as Alan J Pakula, Sidney Lumet and Francis Ford Coppola, Norman Hollyn is uniquely qualified to provide you with the conceptual and practical tools to tell your story effectively. After the initial formative chapters, Norman examines the filmmaking process in its three main areas - preproduction, production and postproduction. Within each area he describes how the Lean Forward method can help with every step of the creative process (setup, scene description, the script, production design, direction, cinematography, editing, opticals and special effects, music and sound). He then brings together the concepts he discusses by providing real world examples from a drama, an action film, a documentary and a commercial. Norman Hollyn uses the ancient magic of alchemy to reveal the art of making a great film. Writing an outstanding primer on filmmaking, he provides an historical perspective from several iconic movies, revealing the innermost secrets of successful filmmakers. If you want to construct a film, you need this book! - MARTIN COHEN, President of Post Production, Paramount Pictures. Norman Hollyn's The Lean Forward Moment speaks volumes about the art and craft of filmmaking. His elegant explanations of editorial choices and creative decisions tell the full story. It is a serious work and it will be a resource for every emerging filmmaker - IAN CALDERON, Director of Digital Initiatives, Sundance Institute. Only a film editor, with a career of experience in the cockpit of the cutting room, could so clearly and completely explain how some storytelling efforts succeed and others fail. Fortunately, Norman Hollyn is such an editor, and he has given us the gift of explanation in the richly illustrated The Lean Forward Moment. - BILL KINDER, Editorial and Post Production Director.
