**Creatures of Light** Emily B. Martin, 2018-01-23 Queens, countries, and cultures collided in *Woodwalker* and *Ashes to Fire*, the first two books in Emily B. Martin's *Creatures of Light* series. From Mae's guidance to retake Lumen Lake to Mona's eye-opening adventure in Cyprien, we now see things from Gemma's perspective—a queen in disgrace...and symbol of the oppressive power of Alcoro. Queen Gemma—although she isn't sure she still has claim to that title—is in prison. To her people, it's simply called "The Retreat," but in the middle of nowhere, surrounded by guards and unable to speak to her husband, King Celeno, there's no other word for it. The only comfort she has is knowing she might not be there long—the Prelate has let her know in no uncertain terms the council is, even now, deciding her ultimate fate. And Gemma would resign herself to that if it wasn't for a mysterious stranger breaking her free and setting her on a course that could change the world. With precious information—and a skeptical travel companion—Gemma must undertake a journey to find answers to the questions that have defined her life for years...and her country for centuries. If she can make this desperate scheme work, she might not just forge peace between Alcoro and their neighbors, but win some peace of heart as well. And, perhaps, she'll learn the same lessons Mae and Mona learned: that being Queen doesn't mean having to do everything alone. *Creatures of Light*—the eponymous third and final book in Emily B. Martin's series—is a novel filled with adventure, betrayal, and a queen's lifelong struggle to love and trust herself.

**Creatures of Light and Darkness** Roger Zelazny, 1970

*Luminous Creatures* Michel Anctil, 2018-05-30 Naturalists in antiquity worked hard to dispel fanciful ideas about the meaning of living lights, but remained bewildered by them. Even Charles Darwin was perplexed by the chaotic diversity of luminous organisms, which he found difficult to reconcile with his evolutionary theory. It fell to naturalists and scientists to make sense of the dazzling displays of fireflies and other organisms. In *Luminous Creatures* Michel Anctil shows how mythical perceptions of bioluminescence gradually gave way to a scientific understanding of its mechanisms, functions, and evolution, and to the recognition of its usefulness for biomedical and other applied fields. Following the rise of the modern scientific method and the circumnavigations and oceanographic expeditions of the eighteenth and nineteenth centuries, biologists began to realize the diversity of bioluminescence's expressions in light organs and ecological imprints, and how widespread it is on the planet. By the end of the nineteenth century an understanding of the chemical nature and physiological control of the phenomenon was at hand. Technological developments led to an explosion of knowledge on the ecology, evolution, and molecular biology of bioluminescence. *Luminous Creatures* tracks these historical events and illuminates the lives and the trail-blazing accomplishments of the scientists involved. It offers a unique window into the awe-inspiring, phantasmagorical world of light-producing organisms, viewed from the perspectives of casual observers and scientists alike.

**Creatures of Light and Darkness** Roger Zelazny, 2010-04-13 Two gods, two houses, one quest, and the eternal war between life and death To save his kingdom, Anubis, Lord of the Dead, sends forth his servant on a mission of vengeance. At the same time, from The House of Life, Osiris sends forth his son, Horus, on the same mission to destroy utterly and forever The Prince Who

Was a Thousand. But neither of these superhuman warriors is prepared for the strange and harrowing world of mortal life, and *The Thing That Cries in the Night* may well destroy not only their worlds, but all mankind. As Zelazny did with the Hindu pantheon in the legendary, groundbreaking classic *Lord of Light*, the master storyteller here breathes new life into the Egyptian gods with another dazzling tale of mythology and imagination.

Light-Walkers and the Dark Creatures Amy Woodall, 2015-03-23

A Light from Below Chadham Thomas, 2020-10-09 The Lord of Viab'Xexos' son, Helyan, has been plagued with terrifying dreams of a monster invasion, which no one—not even his father—believe to be credible. When these dreams prove true, it falls to three of the lord's former colleagues—a trio of mercenaries known as the Stormane—to keep the nation safe. In short order, the Stormane discover there is far more at work than even Helyan suspected, forces well beyond the comprehension of mortal minds. The battle for Viab'Xexos will not be easy, and if victory is even possible, it will come at a steep cost. The only way for the Stormane to save the ones they love will be to rediscover who they are, whether they like what they find or not.

*Where Creatures Hide* P. J. Shepherd, 2017-09-20 When Dawn awakens from her icy slumber, she can't recall who she is or how she became a prisoner of Eden Laboratories. But her uncontrollable power and the prophecy of a princess who would free them all compel her to act. Fast. However, an ancient threat rises again, and Dawn must make a choice. Give up on her journey, her past, and never see her home again? Or embrace the danger of her heritage, and play the game. The game is on. Who hides, who seeks? Only Dawn can decide - and with time running out, she must decide soon, or all will be lost.

**The Darkness Beyond the Light** Frank W. Zammetti, 2019-01-29 When light gives way to darkness, only terror remains! An unfathomably advanced alien technology slowly gains sentience over thousands of years roaming the galaxy on a secret, ancient and malevolent mission. The first test of a new military hyperstealth system, based on technology and physics theories far beyond anything previously dreamed of, irrevocably changes the course of humanity's future, opening doors that would better remain closed. And at the intersection of these events is husband and wife team Alex and Melissa Wakeman, the very definition of a power couple: Alex a veteran special military operator turned Air Force test pilot who likes to keep things light with humor but who is highly capable in any situation; Melissa a world-class scientific mind, perhaps the smartest person on Earth in fact, specializing in advanced military aircraft design. They, along with their superior and friend Brendan Alcheck, wage an apocalyptic battle against a horrific alien hybrid, born of death and decidedly deadlier than any creature on Earth. Together, they must race against time to stop the creature from completing its mission: the return of the hyperstealth technology to its masters, a highly advanced malevolent race who, unbeknownst to the human race, sow death and destruction throughout the galaxy. Unimaginable sacrifices are made and a final, impossible battle fought on multiple fronts will determine the fate of the human race, and that of thousands of as yet unknown species. *The Darkness Beyond the Light*, book I of the *Infinite Universe Saga*, is a tense, action-packed sci-fi thriller, an adventure you will not want to miss!

**Daughter of the Light** Morigaine Belvaine, 2014-05-22 *Daughter of the Light: Book 1 of the Daughter of the Light Series* by Morigaine Belvaine Long ago, before the Eshat was really an established entity and the ones who existed on

it were still forming, a young daughter of the light was made onto the Dire Sun. Now the Dire Sun, you must understand, was a world far, far away from the Eshat. It was a world of light and mavicka, full of good and loving creatures. Destiny, power, star-struck love-Daughter of the Light captures the essence of all of these. Take the journey to overcome your fears, accept your destiny, and accept who you really are. About the Author Morigaine Belvaine has been writing since she was five years old. She loves creativity and is inspired by mostly everything around her. Other than writing, Morigaine also enjoys reading, watching movies, and playing video games. She loves spending time with her family and her child.

**The Dark and the Light** Kerstin Hau,2019-09-03 In the land of darkness lives a shaggy but lovable creature. He is pining away because he has lost his home and has lived in the dark ever since. One day, the shaggy creature is overcome with curiosity and ventures out to the edge of the darkness. There, bathed in sunlight and bright colors, lives a very different and gentle creature. The two inhabitants of these different world become friends, and with his new friend, the shaggy creature overcomes his loss and finds his way back to the world of color. A quietly poetic story, told by Kerstin Hau, which gives hope and courage in difficult times. With contrasting imagery by Julie Völk, this book shows that life can be light, colorful, black, grey, and everything in between.

Creatures of the Light Sophie Wenzel Ellis,2017-09-09 A thrilling short science fiction novel about aliens who have come to invade earth, but do so in a very unusual manner. This is a Green Bird Publication of a soft cover book, suitable for libraries, home libraries, gifts, and keepsakes.

The Keepers of the Lights Sallie Cochren,2023-04-29 The keepers of the lights have the most important job. If they let their lamps go out, the creatures who are watching will escape from the woods. The creatures want nothing more than to terrorize the humans in the village. They can survive by living off the humans' fears, but nothing can satisfy them like making a kill. When a careless act by one of the keepers of the lights gives the creatures their chance, the whole village will be in danger. How many creatures will escape the woods? Will the humans have any chance of surviving against such evil monsters? This story is also available in the short story collection, No Time to Panic!

**A Light in the Night** Sandy Harsanyi Murphy,2010-01-01 No More Monsters! A Light in the Night, created by a mother to comfort her youngest son when he moved to his big bed, is a gift set which includes an adorable light-up, plush creature and beautifully illustrated board book. One soft press of A Light in the Night's tummy and a bright glow will illuminate the room and prove once and for all nothing is going bump in the night. (2 AA batteries are included.)

**Shine Light** Marianne de Pierres,2012-11-01 Can Naif shine light in the darkness? Read the thrilling conclusion to the Night Creatures trilogy to find out . . . Ixion. The island of ever-night. If she had a choice, Naif wouldn't go back. But her friends will die if she doesn't find a cure for the badges that are slowly killing them, and her brother is there, fighting against the Ripers who hold everyone in thrall. And Naif has knowledge that might save them all. First she must solve the mystery of Ixion's eternal night. Then she must convince everyone – rebels and revellers alike – to join her cause. And all the while, she must fight the urge to go to Lenoir – her

greatest love, her mortal enemy. The secrets of Ixion must be revealed. The evils must be stopped. A new dawn will come.

Creatures of Light Xavier Gold,2023-04-30 A secret is like a seed, if you bury it, it doesn't stay that way. When Wynfaeth is forced to face her past her life is left in shambles and her sons are unwittingly dragged into a life she never wanted for them. Wynfaeth kept her past life a secret from her family for twenty three years but after an attack on her family during her eldest twin sons birthday part she is forced to reveal her secret, she is a warden. She fights to keep her secret tucked away as her dream life begins to unravel but as things grow more chaotic and her sons begin to develop abilities and question her actions she is forced to share her past with them and send them away in an effort to save them all while trying to keep her family together though it is slowly drifting apart.While on their way to a safe haven called Angeli Amerigo, Godwin, and Palmero are thrust into a new world and each of them are struggling to adjust. Amerigo's addictive personality is being used against him, Godwin's lack of confidence in his own merit makes him question everything, and Palmero's over attachment to his mother breeds contempt towards her. Unbeknownst to the brothers there is a wedge being thrust between them while they try to navigate their new found reality and the realization that their lives will never be the same.

**Lettered Creatures** Brad Leithauser,2004 On the left of each spread is an eight-line poem; opposite it is a delicate, complementary pencil drawing, reproduced here in exacting duotone--Publisher's website, viewed on October 10, 2014.

**Creature of the Light** D E Chapman,2020-06-25 Nothing is as it seems.May has finally learned the truth of her existence and it's not what she expected. As a creation of science, her life isn't her own, her body a mere vessel for the future. Being mated to five of the world's strongest Alpha's solidifies her purpose; to produce alphas and omegas to repopulate society.With the next generation currently in her womb, she remains safely tucked away in her den, learning of the world. She's forced to undergo invasive tests that monitor the wellbeing of her young, or so the doctors claim. Her mates prepare her for life up top. But the more she learns of the world outside her den, the more uncertain she grows about leaving the confines of her underground sanctuary. May begins to question whether she and her young will survive the omega starved beasts on the surface or if they'll fall prey to the crazed

masses. But the bigger question becomes, is she willing to risk it all just to see the sun for the first time? \*Warning: this omegaverse is intended for readers over 18 for violence and steamy scenes! This is a reverse harem series where the main character ends up with more than one mate at the end of the series.

**Woodwalker** Emily B. Martin, 2016-05-17 A grand quest in the tradition of great epic fantasies, filled with adventure and the sharp wit--and tongue--of a unique hero, Woodwalker is the perfect novel to start your own journey into the realm of magical fiction. Exiled from the Silverwood and the people she loves, Mae has few illusions about ever returning to her home. But when she comes across three out-of-place strangers in her wanderings, she finds herself contemplating the unthinkable: risking death to help a deposed queen regain her throne. And if anyone can help Mona Alastaire of Lumen Lake, it is a former Woodwalker—a ranger whose very being is intimately tied to the woods they are sworn to protect. Mae was once one of the best, and despite the potential of every tree limb to become the gibbet she's hanged from, she not only feels a duty to aid Mona and her brothers, but also to walk beneath her beloved trees once more. A grand quest in the tradition of great epic fantasies, filled with adventure and the sharp wit--and tongue--of a unique hero, Woodwalker is the perfect novel to start your own journey into the realm of magical fiction.
