

Cricket Captian

Ricky Ponting

The Captains Malcolm Knox,2010-11-01 From Australia's first Test cricket captain Dave Gregory, through to the current captain Ricky Ponting, Malcolm Knox's new book tells the colourful story of how Australian cricket has evolved since its earliest days, how the captain has influenced or stood apart from that evolution, and how the captaincy itself has changed over time. Covering the highs and lows of Australia's national game, *The Captains* chronicles the personalities that have shaped and influenced the Australian team for over a century. From larrikins to quiet achievers to true gentlemen of the game; over the years the Australian captains have provided as much colour, intrigue and scandal to cricket as match-fixing scandals and diet pills ever could. With analysis of key games, people, players and test-matches, as well as behind the scenes stories and an insightful and thoughtful look at the men who have steered our national teams, *The Captains* is a beautifully written and never before seen study of the men who have shaped Australian and international cricket.

Cricket As I See It Allan Border,2014-11-01 In the twenty years since Allan Border retired as Australian cricket captain he's been one of the game's closest and most astute observers. His views on cricket - based on his experiences as a player, a captain, a selector and a commentator - are fascinating, forthright and informed by more than three decades of involvement at the game's highest level. In *Cricket as I See It* he gives us his wisdom and opinions on the game he loves - from epic Tests, the rising power of India, and the Twenty20 revolution, through to his thoughts on captaincy, and the essential arts of batting, bowling and sledging. He reflects on the great players and contests of his generation, as well as controversies such as the underarm bowling affair, the turbulent events that led to him shouldering the captaincy, the rebel tour of South Africa, Steve Waugh's dropping as one-day captain, and the divisive 'Monkeygate' scandal. With cricket, Allan calls it as he sees it, and the result is a book to be savoured and enjoyed by cricket lovers everywhere.

A Golden Age Ian Chappell,2007-11-10 Australia's fifth Golden Age began following the defeat of the West Indies in 1995 by Mark Taylor's team, but the seeds had been laid a few years before... In *A Golden Age*, universally respected commentator and former Australian cricket captain Ian Chappell brings together a collection of his articles written on the Australian cricket team and their international opponents over the last 20 years. From the late 1980s to the present day, Ian has witnessed the development of an extraordinarily successful Australian team, so successful in fact that he sees them representing a fifth Golden Age of Australian cricket. In this collection he charts their rise, and expertly examines the defining styles of the world's cricket captains and their teams, as well as controversial issues such as match-fixing, and the impact of technology on the game. As a perceptive commentator Ian's views and opinions are injected with the same honesty and directness that characterised his playing days. Written with inimitable passion and flair, he gives us a taste of some of the best cricket played around the world in the past two decades and shows us exactly why Australia has proved so dominant in this era.

Herding Cats Charlie Campbell,2017-03-09 In 1985 Mike Brearley published *The Art of Captaincy*, revealing how he steered Middlesex and England to victory with his team of first-class cricketers. He got the absolute best out of his players, inspiring Ian Botham to new heights against the Australians in 1981. Few cricketers have had a greater impact on the amateur game than these two. Every captain would love Brearley's degree in people, as well as a hardhitting all-rounder like Botham. But theirs was a barely recognisable game from the one we play on often dishevelled grounds up and down the country with ragtag teams of ageing, deluded or hungover friends and acquaintances. Now, Charlie Campbell offers us a *New Testament* to Brearley's *Old Testament*, as he guides us through the realities of captaining an amateur team. *Herding Cats* picks its way through the minefield of an amateur's season: from the excitement and hope of pre-season nets, to the desperate scramble to gather 11 players for a frosty game on a far-flung, desolate pitch; from decoding the casual phrase 'I bat a bit', to setting a field of players who can't catch or throw; from handling the

most delicate egos, to dealing with a case of the yips; from frequent moments of despair, to sudden and joyful glimpses of unexpected glory. For all those of us who recognise ourselves, our teammates, our friends and partners in the shambling joy of amateur cricket more than in the top-class international game, Campbell lights a path through a weekend world of play at the beating heart of the world's second most popular sport.

Captain's Diary Michael Clarke, 2014-11-04 After a three year losing streak in the Ashes, complete with a painfully recent 3-0 loss in England, facing the victorious English cricket team so soon was never going to be an easy battle. The public's faith in the young Australian team was waning. Despite their failures, captain Michael Clarke records in his diary a feeling of hunger in his team: a hunger to strike back, a hunger to prove their talent to the world. A hunger to return the urn. Michael Clarke led his team to an Ashes victory at home in a 5-0 triumph over the 2013-14 summer. Along the way, the tide of public affection turned in his favour for the first time. Clarke had previously been respected for his deeds as a batsman, but had not truly won the hearts of sports fans. This Ashes series changed that. Clarke showed the grit, talent, charisma and aggression Australian sports fans look for in their leaders. Revealing and insightful, Clarke once again puts his unique mark on the sport, giving us his account of how he rallied both the team and public behind him to bring the urn home.

Michael Clarke Michael Clarke, 2016-10-18 He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. My Story is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

The Art of Captaincy Mike Brearley, 2015-06-18 'The best book on captaincy, written by an expert' - Mike Atherton Mike Brearley is one of the most successful cricket captains of all time, and, in 1981, he captained the England team to the momentous Ashes series victory against Australia. In The Art of Captaincy, his study on leadership and motivation, he draws directly on his experience of man-managing a team, which included a pugnacious Ian Botham and Geoffrey Boycott, to explain what it takes to be a leader on and off the field. Giving an insight into both his tactical understanding of the game, as well as how to get a group of individuals playing as a team in order to get the best out of them, The Art of Captaincy is a classic handbook on how to generate, nurture and inspire success. With a foreword by former England player and BBC commentator Ed Smith, to celebrate the thirtieth anniversary of its first publication, and an afterword by director Sam Mendes, The Art of Captaincy remains urgently relevant for cricket fans and business leaders alike. Covering the ability to use intuition, resourcefulness, clear-headedness and the importance of empathy as a means of achieving shared goals, Brearley's seminal account of captaincy is both the ultimate blueprint for creating a winning mind set, but also shows how the lessons in the sporting arena can be applied to any walk of personal and professional life.

Captain Australia Roland Perry, 2003 CAPTAIN AUSTRALIA tells the remarkable story of each of the 41 Australian Test cricket captains, from the first

Test Australia played in 1877 to the brilliant Test successes of the 2000-01 season. Roland Perry celebrates each Australian cricket captain and explores the role each Test skipper has played in shaping Australia's reputation as a great cricketing nation. From the wit and wherewithal of Will Murdoch in 1890, to the determination of battling Allan Border in 1990; from the winning ways of the imposing Warwick Armstrong, to those of current captain Steve Waugh, eighty years apart, each leader has been an individual of the highest calibre, with his own unique style. CAPTAIN AUSTRALIA explores the quirks and individualism of each captain; from the inspirational cricketers, such as Vic Richardson and his grandson Ian Chappell; to the quiet achievers, such as Billy Woodfull and Bobby Simpson; to the supreme skills and dominance of the late Sir Donald Bradman. CAPTAIN AUSTRALIA remembers the famous incidents of the captains' careers - such as the mock obituary notice, during Will Murdoch's captaincy in 1882, announcing the 'cremation' of English cricket, which led to the introduction of 'the Ashes' series - and the lesser known facts, such as the alternate careers each captain also had to maintain while leading Australia's Test side for months at a time, in the years before cricket turned professional. CAPTAIN AUSTRALIA, first published in hardback in November 2000, has been revised as a trade paperback to include updated material on Sir Donald Bradman, Steve Waugh, and Waugh's replacement Test skipper for part of the 2000-01 season, Adam Gilchrist. CAPTAIN AUSTRALIA, is a compelling and highly readable history of Australian cricket and its leadership.

CORVEDALE CRICKET CAPTAIN...ME?. IAN. ALDERSON,2019

Ricky Ponting's Captain's Diary 2007 Ricky Ponting,2010-04-01 From facing the old foe, England, to a World Cup campaign, Australia's cricket captain charts his year ... In 2006-07, Ricky Ponting's Australian team achieved the first Ashes clean sweep in 86 years, an experience Ponting described as 'the best of my cricketing life'. It featured stunning performances from men such as Shane Warne, Adam Gilchrist and Andrew Symonds, while the captain himself drew comparisons with Bradman following his hundreds in the opening two tests. Yet, immediately afterwards, the Australians produced an even more commanding performance at the World Cup in the Caribbean. Not even the bizarre ending to the final against Sri Lanka, in near darkness after officials misinterpreted the playing conditions, could hide the fact that this victory was one of the most dominant in Australian sporting history. It was a season of triumph, but also the last for some of Ponting's great teammates - Warne, Glenn McGrath, Justin Langer and Damien Martyn - and coach John Buchanan, who all announced their retirements. In Captain's Diary 2007, Ponting pays tribute to these men, and in doing so reveals why they, and the team he is privileged to captain, are so special.

Captains File Rob Harvey,2016-06-06 From Nayudu to Kohli, India's 32 Test cricket captains. From the days of the Maharajas and Nawabs when one had to be royalty to lead India into battle, a position no commoner was fit to fill, to the modern day of helmets and television, stump cams and DRS, India's 32 finest are here together for the first time. The Colonel CK Nayudu reportedly disallowed his players from drinking water at the drinks break. The Maharajkumar of Vizianagaram did not understand field placings or bowling changes and never maintained any regular batting order. Mansoor Ali Khan lost the vision in his right eye in a car accident and six months later made his debut for India. Three Tests later and he was the captain. The man he replaced, Nari Contractor, nearly died after receiving a blow on head while batting in the West Indies. Allegations of ball tampering, match fixing, too aggressive, too defensive, a few tears, a Tied Test match and a team all out even though only five wickets were down. And some missing teeth. This and so much more in Captains File India, From Nayudu to Kohli, India's 32 Test Cricket Captains.

South Africa's Cricket Captains Trevor Chesterfield,2003 Starting with the period from 1889, this title profiles all the cricket captains to the present, bringing the story up to date with chapters on Hansie Cronje and Shaun Pollock.

Captains Malcolm Knox,2010-11-02 From Australia's first Test cricket captain Dave Gregory, through to the current captain Ricky Ponting, Malcolm Knox's new book tells the colourful story of how Australian cricket has evolved since its earliest days, how the captain has influenced or stood apart

from that evolution, and how the captaincy itself has changed over time. Covering the highs and lows of Australia's national game, *The Captains* chronicles the personalities that have shaped and influenced the Australian team for over a century. From larrikins to quiet achievers to true gentlemen of the game; over the years the Australian captains have provided as much colour, intrigue and scandal to cricket as match-fixing scandals and diet pills ever could. With analysis of key games, people, players and test-matches, as well as behind the scenes stories and an insightful and thoughtful look at the men who have steered our national teams, *The Captains* is a beautifully written and never before seen study of the men who have shaped Australian and international cricket. From the award-winning author of *The Greteast* which has sold over 10,000 copies.

Never Surrender Mark Peel,2021-08-16 *Never Surrender: The Life of Douglas Jardine* is the enthralling story of England's most controversial cricket captain, forever associated with bodyline bowling on MCC's tour to Australia in 1932/33. Despite his privileged upbringing and amateur status, Jardine's steely personality and win-at-all-costs ethos was more akin to the professional game. Confronted with the run-making genius of Australia's Don Bradman in 1932/33, Jardine resorted to a form of intimidatory bowling that helped England regain the Ashes, but his tactics shocked Australia and brought relations between the two countries to the point of collapse. To restore harmony, Jardine was disowned by the MCC cricket establishment and shunned thereafter, but now - in a more modern, competitive age - his reputation has undergone a rehabilitation, not least in Australia. Drawing on fresh material, award-winning cricket author Mark Peel reappraises an outstanding leader whose care for those he valued knew no bounds.

Long Shot Summer The Year of Four England Cricket Captains 1988 Neil Robinson,2015-06-15 A look at the summer of 1988, a year of turmoil in the English Cricket Team

Mahi: The Story of India's Most Successful Captain Shantanu Guha Ray,2013-10-01 *Mahi: The Story of India's Most Successful Captain* charts the dynamic rise of one of India's most talented and charismatic cricketers and captains. From playing tennis-ball cricket in Ranchi and Kharagpur to his patented helicopter shot, Dhoni has come a long way with his grit and determination. With best ODI and Test records among all Indian captains to date, it is his simple and down-to-earth attitude that works wonders for the captain as well as the team.

Taylor Made Mark Taylor,1995 Well-known Australian cricketer tells of the events of his captaincy during the 1995 season, and also the events leading up to his appointment as captain. Describes tests against Pakistan, England and the West Indies. Copiously illustrated. Includes a foreword by Ian Chappell and statistics relating to Taylor's test career.

The Hollow Crown Mark Peel,2020-05-18 Award-winning cricket writer Mark Peel charts the development of the England captaincy from 1945 to the present, with portraits of England's 43 captains. Is England's failure to produce sufficient leaders of stature - especially in comparison with Australia - down to individual deficiencies or the exacting nature of the job?

Ashes Diary 2001 Steve Waugh,2001 This is Australian cricket captain Steve Waugh's eighth' tour diary and covers an extraordinary 12 months of cricket. Waugh looks at some of the controversies plaguing cricket in the 21st century, including bribery and match-fixing, throwing, the physical demands on the game's elite and whether the game's great traditions are being sacrificed in the chase for the almighty dollar. Supported as usual by a superb array of photographs, many in colour and many taken by Waugh himself, it is a magnificent insight into the world of cricket, the Australian cricket team and what sets the Australian captain apart. Released after the visit of the Australian team in the UK this summer, the book will provide all cricket fans with a welcome insight into what makes Australian cricket such a success story.

Gavaskar Clifford Narinesingh,1995-01-01 Biography of Sunil Gavaskar, b. 1949, former Indian cricket captain.

Cricket Captian Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cricket Captian has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cricket Captian has opened up a world of possibilities. Downloading Cricket Captian provides numerous advantages

over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cricket Captian has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cricket Captian. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cricket Captian. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such

activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cricket Captian, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cricket Captian has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cricket Captian Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and

device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cricket Captian is one of the best book in our library for free trial. We provide copy of Cricket Captian in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cricket Captian. Where to download Cricket Captian online for free? Are you looking for Cricket Captian PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate

way to get ideas is always to check another Cricket Captian. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Cricket Captian are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Cricket Captian. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Cricket Captian To get started finding Cricket Captian, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that

there are specific sites catered to different categories or niches related with Cricket Captian So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Cricket Captian. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Cricket Captian, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Cricket Captian is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Cricket Captian is universally compatible with any devices to read.
