Jewels Danielle Steel,2009-05-14 On Sarah Whitfield's seventy-fifth birthday, memories take her back to New York in the 1930s. To a marriage that ends after a year, leaving Sarah shattered. A trip to Europe with her parents does little to raise her spirits, until she meets William, Duke of Whitfield. In time, despite her qualms, William insists on giving up his distant right to the British throne to make Sarah his dutchess and his wife. On their honeymoon, the newlyweds buy an old French chateau, but not long after, the war begins. William joins the allied forces, leaving Sarah, their first child, an infant, and their second child on the way, in France. After the Nazi forces take over the chateau, Sarah continues to survive the terror and deprivation of the Occupation, unwavering in her belief that her missing-in-action husband is still alive. After the war, as a gesture of goodwill, the Whitfields start buying jewels offered for sale by impoverished war survivors. With Sarah's style and keen eye, the collection becomes the prestigious Whitfield's jewelry store in Paris. Eventually, their jewelry business expands to London and Rome, as their family grows. Phillip, their firstborn, is stubborn and proud; Julian, their second son, is charming and generous and warm; Isabelle is rebellious and willful; and Xavier, unusual and untamed, is the final unexpected gift of their love. They each find their own way, but will be drawn to

the great house of gems their parents built. In *Jewels*, Danielle Steel takes the reader through five eventful decades that include war, passion, international intrigue, and the strength of family through it all.

I Love You More Jennifer Murphy,2015-03-03 Picasso Lane is twelve years old when her father, Oliver, is murdered at their summer beach house in North Carolina. Her mother, Diana, is the primary suspect . . . at least until the police discover his second wife, Jewels, and his third, Bert. The new widows say they have never met--but Picasso knows otherwise. She remembers the late-night visits, the hushed phone calls, and the whispered planning. Soon, however, it becomes clear that the “perfect murder” was not so perfect after all. Each woman pleads innocence, claiming that she backed out of the plan at the last second. And as Picasso sorts through the lies and half-truths, *I Love You More* speeds toward an ending that no one will see coming.

Cruel Providence Marie Jean Davis,2015-08-31 Jewel Seymour had been under for hours. She disappeared into a new life, swept away to another time. Finding herself in the body and mind of an English Lady, Katherin Hampton, she is taken during the night by a calculated ruthless man, who seemed determined to sell her to the highest bidder. Sailing

to America with a cold-hearted kidnapper and no idea of how she would survive in a foreign land. Katherin stays alive by persevering with visions of the dashing William Hampshire while she is transported further out to sea. William Hampshire is all she has left of her previous life as a lady in a castle. The woman of William Hampshire's dream had been taken to America. Will he be able to rescue Katherin before she loses her virtue to the mindless brute of a count, or will she be subjected to a cruel life of drudgery?

Cruel Illusions Margie Fuston, 2022-11 Eighteen-year-old Ava Perry leaves the safety of her foster care home and joins a troupe of vampire-hunting magicians, believing that she finally has her chance to discover the truth behind her mother's death.

Bryre's Jewels Joan How, 2006-07 To the west, proud and alone, was the Imperial Country. To the East stood the Freelands, engulfed in civil war since its very birth. Above them was Cecorria, Home of all Sorcery, struggling against its very own downfall. And finally there was Bryre, the keeper of the sinister Blood Jewels, deadly to all who held them too close. But above them all was another country, a country ignored and long gone silent, but just stirring awake. Only myths told of three heroines arising to meet the powers rising from the North, but myths are myths, stories, and nothing more.
