Spider's Trap Jennifer Estep,2015-07-28 "One of the most intriguing heroines in the genre" returns in the "extraordinary series" from the New York Times–bestselling author of *Black Widow* (RT Book Reviews, Top Pick). Keep your friends close but your enemies within stabbing distance. One important lesson I've learned in the assassination business is that to be the best you have to roll with the punches. Now that I'm queen of Ashland's underworld—by default, not by choice—a lot more punches are being thrown my way. But I suppose that's the price of victory for taking down some of the underworld's top dogs. Good thing I have my Ice and Stone magic to help me survive my volatile new position. Just when I think things are finally settling down, someone tries to murder me during a hush-hush underworld meeting. But the real surprise is how strangely familiar my shadowy assailant seems to be. My job is to maintain order among killers, crooks, and thieves, and soon I'm embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all. My enemies have all sharpened their knives and laid their traps, waiting for me to fall. But this Spider weaves her own webs of death . . . "Quirky . . . the central mystery and the interpersonal relationships are well crafted." —Publishers Weekly "Nonstop action, great characters, humor, and even some moments where your heart is in your throat." —Dark Faerie Tales

**Smoke and Shadows** Tanya Huff,2005-04-05 Tanya Huff's supernatural fantasy *Smoke* series, with a gothic twist • Mix of ghostly mystery, paranormal horror, and dark humor • Lambda Award nominated Fans of the X-Files and *Twin Peaks* will love acclaimed master of contemporary fantasy Tanya Huff's twisted version of vampires, wizards, and TV terror. When Tony Foster relocated to Vancouver with his vampire Henry Fitzroy, he knew it was his chance to get his act together. In an example of art echoing life, Tony landed a job as production assistant for the syndicated TV show *Darkest Night*, a series about a vampire detective. And except for his unrequited crush on the show's handsome costar, Lee Nicholas, Tony was pretty content. Until everything started to fall apart on the set. It began with shadows—shadows where they didn't belong, that almost had an existence of their own. Tony tried to ignore it—until he found Nikki Waugh's body, and felt the shadow's touch, and a stunt crash went wrong for no discernible reason—and Tony knew that he had to find out what was threatening everyone on the set.

Gail Caldwell and Caroline Knapp (author of *Drinking: A Love Story*) became best friends, talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men. The Book of Elementals Phyllis Eisenstein,2005-02 *The Book of Elementals* Vol. 1 and 2 is an omnibus reprint edition of two classic fantasies by Phyllis Eisenstien: *In Sorcerer's Son*, Cray Ormoru, born in magic and raised with sorcery, dwelt in a world of happiness within the walls of Castle Spinweb. His mother, Delivev the sorceress, provided everything he needed or desired. Still Cray yearned for something more. And as he grew from boy to young man, Cray sensed that the time had come to undertake the quest to find the father he had never known, the young knight who had pledged eternal love to Delivev and then never returned from a final mission for his own lord. And so Cray set out on the journey which would take him from town to castle to a fortress of bronze, totally unprepared for the sorrows and dangers that lay ahead. For the fate of Cray's father would only be discovered by the light of demon fire... In *The Crystal Palace*, Cray and his friend Feldar Sepwin, a seer, craft a mirror of silver, wood and spider web, enchanted to show the viewer his or her heart's desire. Yet for Cray the mirror showed nothing for years. Then one day he was drawn to it to see the image of a young girl. But who she was and where she dwelled remained mysteries. In time, as the girl grew into a beautiful woman, Cray discovered her home with the help of demons of Fire, Air and Ice—a magnificent palace in the realm of Ice. Cray discovered that she was Aliza, a sorceress dedicated solely to the study of her craft. And Cray realized that his quest had just begun—for Aliza was as much prisoner as mistress of her Crystal Palace, and even Cray might not master the power to break the spell and set her free...

**The Violence of Modernity** Debarati Sanyal,2020-03-03 The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism--irony, intertextuality, self-reflexivity, and formalism--to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary wound culture. In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of art for art's sake and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies--including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre--to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.
