**Adam Robots** Adam Roberts,2013-01-17 Gathered together for the first time from a major publisher - a collection of short stories by Adam Roberts. Unique twisted visions from the edges and the centre of the SF genres. Stories that carry Adam Roberts' trademark elegance of style and restless enquiry of the genre he loves so much. Acclaimed stories, some that have appeared in magazines, some in anthologies, some appearing for the first time. Stories to make you think, to make you laugh, to make you wonder, to make you uneasy. Stories that ask questions, stories that sow mysteries. But always stories that entertain.
