**Tales from the Dead of Night: Thirteen Classic Ghost Stories** Various, 2013-09-26 From a beautiful antique that gives its owner a show he'd rather forget, to 'ghost detective' whose exorcism goes horribly wrong and a sinister masked ball which seems to have one too many guests, these ghost stories of supernatural terror are guaranteed to make you shiver, thrill and look under the bed tonight. From rural England to colonial India, in murky haunted mansions and under modern electric lighting, these master storytellers - some of the best writers in the English language - unfold spine-tinglers which pull back the veil of everyday life to reveal the nightmares which lurk just out of sight. They are lessons in ingenuity and surprise, sometimes building slowly to a chilling climax, sometimes springing horror on you from the utterly banal. And as you'd expect from these writers, the stories are more than simply frightening - they're also disquieting exposures of mortality, loneliness and the human capacity for both evil and remorse. We wish you pleasant dreams. Contains ghost stories by: Ruth Rendell, M. R. James, Rudyard Kipling, Edith Wharton, E. F. Benson, E. Nesbit, Saki, W. W. Jacobs, W. F. Harvey, Hugh Walpole, Chico Kidd and LP Hartley.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the

result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Am I the Only One (Sheet Music) Dierks Bentley, 2011-08-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

**Soon and Very Soon** ,2015-09 The classic contemporary gospel song receives a fresh setting in this soulful arrangement. It is full of the joy and hope of eternity, and with the optional rhythm and brass accompaniment, your church might experience a little touch of heaven!

Here's Your Sign Bill Engvall, 2005-09-27 Stupid people are everywhere! Last summer, says Bill Engvall, I got a flat tire and pulled into a gas station lot. The attendant walked out, looked at the tire, and asked, 'Tire go flat?' I kept a straight face and replied, 'No, I was driving down the road when all of a sudden those other three just swelled right up on me.' Without batting an

eyelash, he nodded his head and said, 'Yep. The heat'll do that.' What else could I say? I just reached into my briefcase and handed him his very own Stupid sign. For the first time in print, here are more than 200 classic Here's Your Sign jokes along with silly product warnings and some favorite family stories. Bill's hilarious look at the ridiculous things people say and do will keep you laughing. I was carrying out a bag of garbage the other day and my neighbor yelled across the fence, Are you taking out the trash? I said, No, I'm going to feed our pet rats. Here's your sign! After fishing with a buddy, we pulled our boat into the dock and lifted out this big string of fish. A guy on the dock asked, Y'all catch all them fish? I said, Nope. We talked them into giving up. Here's your sign!

*He Didn't Have to Be* Brad Paisley, Kelley Lovelace, 2001 This gift book for anyone who filled a father's role by choice is a reminder that being a father is far more than just biological, it's a relationship. *He Didn't Have to Be* is a tender salute to a stepfather who becomes a loving dad to a child even though he didn't have to be one. And as the child - now grown and a new father - considers the birth of his own baby, the new father hopes that he is at least half the dad that his stepfather didn't have to be. Written by CMA award winning and Grammy nominated Brad Paisley and songwriter Kelley Lovelace, and including a CD of the popular song, *He Didn't Have to Be* will be a much-given gift this holiday season and again at Father's Day.

**Bottoms Up** Brantley Gilbert, 2014-02-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

**Diamonds** Caroline de Guitaut, 2012 From jewelry of the highest quality and finest craftsmanship to gemstone-laden tiaras and diamond-encrusted swords, this accessible volume presents a visually stunning selection of diamonds from among the Royal Collection's awe-inspiring array. Published

to celebrate the forthcoming Diamond Jubilee of Queen Elizabeth II--as well as a special exhibition planned for Buckingham Palace in 2012--Diamonds: A Jubilee Celebration explores the undeniable appeal of diamonds and the many royal uses to which they have been applied throughout the centuries. These precious stones have long played a part in royal ceremonies and gift-giving, and the book features numerous photographs--many newly commissioned--including close-up views of each piece.
