Damn Son where Did You Find This? Tobias Hansson, Michael Thorsby, 2016-10 *Damn Son Where Did You Find This?* is the first book ever to focus on the cover art of the modern US hip hop mixtape. A visual world that reached unseen levels at the turn of the millennium, uncensored, unregulated and extreme, it is the most anarchic of all genres of graphic design. Freed from major label guidelines, lawyer opinions and moral hindrances the designers featured in this seminal book are truly unique - something that is hard to come by in today's global world of intertwined visual tendencies. Along with 500 cover artworks from designers Kid Eight, Miami Kaos, Mike Rev, Tansta & Skrilla, including interviews with artists and DJs which tell the stories of how they slipped into the hip hop mixtape industry. They take us through the creative process, how visual trends have come and gone, moral hazards and how designing mixtape covers changed the trajectories of their lives. This book is a document showing the work of five extraordinary Adobe Photoshop wizards who day after day, get up, draw up an epic scene centered around one or more rappers, and finish it off with blazing typography, all in the matter of a couple of hours and for as many hundred dollars. Created by graphic designer Michael Thorsby, and media producer Tobias Hansson

Look at Me! Jonathan Reiss, 2020-06-09 A compelling biography of SoundCloud sensation and rising star XXXTENTACION -- from his candid songwriting and connection with fans to his tragic death. At the age of twenty, rapper Jahseh Dwayne Onfroy-aka XXXTENTACION-was gunned down during an attempted robbery on the streets of Deerfield Beach, Florida, mere months after signing a \$10 million record deal with Empire Music. A rising star in the world of SoundCloud rap, XXXTENTACION achieved stellar levels of success without the benefit of a major label or radio airtime, and flourished via his passionate and unfettered connection to his fans. In *Look at Me!*, journalist Jonathan Reiss charts the tumultuous life and unguarded songwriting of the SoundCloud sensation. Unlike most rap on the platform, XXXTENTACION's music didn't dwell on money, partying, and getting high. He wrote about depression, suicide, and other mental health issues, topics that led to an outpouring of posthumous appreciation from his devoted fanbase. It was XXXTENTACION's vulnerability that helped him stand apart from artists obsessed with being successful and cool. Yet these insecurities also stemmed from and contributed to his fair share of troubles, including repeated run-ins with the law during his teen years, a disturbing proclivity toward violence, and a prison sentence that overlapped with the release of his first single. Through the memories of the people who knew him best, *Look at Me!* maps out the true story of an unlikely cultural icon and elucidates what it was about him that touched the post-millennial generation so deeply.

Foster Dade Explores the Cosmos Nash Jenkins, 2023-05-16 Prep meets *The Secret History* in Nash Jenkins's *Foster Dade Explores the Cosmos*, a searing debut novel about a tragic scandal at an American prep school, told in the form of a literary investigation through a distinctly millennial lens. "[A] striking debut . . . funny, heartbreaking, and real." --Sam Lansky, author of *Broken People* When Foster Dade arrives at Kennedy, an elite boarding school in New Jersey, the year is 2008. Barack Obama begins his first term as president; Vampire Weekend and Passion Pit bump from the newly debuted iPhone; teenagers share confidences and rumors over BlackBerry Messenger and iChat; and the internet as we know it is slowly emerging from its cocoon. So, too, is Foster emerging—a transfer student and anxious young man, Foster is stumbling through

adolescence in the wake of his parents’ scandalous divorce. But Foster soon finds himself in the company of Annabeth Whittaker and Jack Albright, the twin centers of Kennedy’s social gravity, who take him under their wing to navigate the cliques and politics of the carelessly entitled. Eighteen months later, Foster will be expelled, following a tragic scandal that leaves Kennedy and its students irreparably changed. When our nameless narrator inherits Foster’s old dorm room, he begins an epic yearslong investigation into what exactly happened. Through interviews with former classmates, Foster’s blog posts, playlists, and text archives, and the narrator’s own obsessive imagination, a story unfurls—Foster’s, yes, but also one that asks us who owns our personal narratives, and how we shape ourselves to be the heroes or villains of our own stories. Foster Dade Explores the Cosmos is about privilege and power, the pitfalls of masculinity and its expectations, and, most distinctly, how we create the mythologies that give meaning to our lives. With his debut novel, Nash Jenkins brilliantly captures the emotional intensities of adolescence in the dizzying early years of the 21st century.

Most Dope Paul Cantor,2022-01-18 The first biography of rapper Mac Miller, the Pittsburgh cult favorite-turned-rap superstar who touched the lives of millions before tragically passing away at the age of 26—now in paperback Malcolm James McCormick was born on January 19, 1992. He began making music at a young age and by 15 was already releasing mixtapes. One of the first true viral superstars, his early records earned him a rabid legion of die-hard fans—as well as a few noteworthy detractors. But despite his undeniable success, Miller was plagued by struggles with substance abuse and depression, both of which fueled his raw and genre-defying music, yet ultimately led to his demise. Through detailed reporting and interviews with dozens of Miller’s confidants, Paul Cantor brings you to leafy Pittsburgh, seductive Los Angeles, and frenzied New York, where you will meet Miller’s collaborators, producers, business partners, best friends, and even his roommates. Traveling deep into Miller’s inner circle, behind the curtain, the velvet ropes, and studio doors, *Most Dope* tells the story of a passionate, gifted young man who achieved his life’s ambition, only to be undone by his personal demons. *Most Dope* is part love letter, part cautionary tale, never shying away from the raw, visceral way Mac Miller lived his life. Praise for *Most Dope* A tender, studious remembrance. —The New York Times Book Review An insightful exploration of his life . . . painstakingly reported by Cantor, who interviewed more than 100 people during a three-year process. —USA Today An inside look at Miller's life through the eyes of his friends and industry peers, tracking the musician's life journey as he quickly ascended the ranks. —Daily Beast
