The Dream Chronicle — Book Two Dave Rotenberg, 2023-11-20 It's a future time. A time of extremely long life spans, almost perfect health, human colonization of planets throughout the galaxy—and dreamlessness. It has been over three hundred years since any human being's sleep has been disturbed by the anarchy of dreams. Centuries earlier, at the time of the first alien contacts, humanity made the proverbial trade with the devil—its basic freedoms in exchange for security and safety. An unexpected side effect of this swap was the gradual cessation of dreaming. Then an S3 fully armed starship disappears through a hole in space—A GATEWAY. All that remains of the huge vessel is a scattercast message heard throughout the galaxy: YOUR MACHINES ARE USELESS HERE. YOUR WAY OF THINKING IS OF NO VALUE HERE. FOR BEYOND HERE LIE DREAMS!! The Dreamers are in trouble. Cas never made it off of Moscovy and is shortly going to be a prisoner of a powerful Russo matriarch. The other four dreamers are dealing with Mama (the AIU) who seems to have lost her mind. They land in order to get Mama a “doctor” and stumble across cave drawings—and a blind painter— who is clearly one of them. Meanwhile back on New Omaha Beach, Danazir Yi Qal breaks out of the ether dome and tries to find the Outlanders—the only ones not infiltrated by Cyrus Malone and his S3 thugs. Slowly it's coming into view for Mickelmast that Homer's great poem The Iliad somehow holds the secret to all of this—to the Gateway—to Dreaming—to everything.

Where Dreams End Jethro Punter, 2019-05-26 Finally, Adam has found where his mum could be hidden, deep within the dream world of Reverie. But finding her won't be easy. For a start she is somewhere far on the other side of the world, a place where no sane person would ever choose to go, the place the Nightmares come from. Even worse than that, the Queen of the Nightmares has her own plans in place, and Adam is caught right in the middle of her schemes. Then there is the small matter of a war between Nightmare factions, an impossible voyage across the great sea of dreams and clashes with the most ancient beings in all of Reverie. Fortunately for Adam he has the help of an even odder group of friends than usual, which in Reverie means very odd indeed. But even with the help of friendly dream beings, Nightmare freedom fighters and clockwork cyborgs, this time Adam is in real trouble, stuck in the place where dreams end. 'Where Dreams End' is the third book in the Daydreamer Chronicles series.

The Dream Traveler Kathrine LaFleur, 2015-03 Four hundred years ago everyone in Cardonia Gifted with Telepathy was exiled to the Badlands, a stretch of unforgiving, unlivable desert. Now the spirits of those who were so cruelly and unjustly punished have invaded Cardonia, and they are out for revenge. With no warning, Raven and her family are forced to leave home and join their fellow Cardonians on a journey to the kingdom's shielded core, four mountain ranges each encircling a protected space. For once she has bigger worries than the fact that she is the only one her age still lacking a Gift. When her Gift does emerge, it sets Raven on a course of action that can either save Cardonia or cause her to lose everything she holds dear.

Frozen Dreams Jethro Punter, 2020-12-13 Adam thought he had won. The Queen of the Nightmares defeated and Reverie made safe; but he was wrong and now the Dream World is in greater danger than ever, with enemies both old and new threatening him from every side. The best chance of saving the Stairway of Dreams could lie within Adam's pendant, and the only person able to unlock those secrets lives deep in the icy homeland of the Drömer. It's a cold and inhospitable wasteland, and the only thing Adam and his friends are guaranteed is a frosty reception. To make matters worse there is a mysterious new

Daydreamer in Reverie and only time will tell if they're a friend or foe. 'Frozen Dreams' is the fourth book in the Daydreamer Chronicles.

It's Just A Dream Series Tshgofatso Oshyn Gaebuelwe,2020-12-14 The world of dreams is one fascinating world for many especially for those on their journey of becoming. You realise along the way that some dreams carry messages, directives to your life and that all you have to do is to pay attention to the characters, the symbols, and the things your dream show you. Sometimes you dream while consciously awake, dreaming of the past, present, and future. Then there are times when you dream of places and people, known and unknown to you. This series takes us on a world of dreams and mysteries of a village girl whose life is entangled by people and places known and unknown to her. It's Just a Dream, is a fictitious series that explores dreams of ancestry in modern times. At the age of 12, she had a dream that introduced her to the subliminal world of dreams and fantasies. Are they just dreams or is there a story behind, a veil curtailing us to explore? Are we part of the narrative?

A Dream Come True Chariss K Walker,2019-01-05 Mike and Danny met long before they were introduced in The Vision Chronicles series. They met in their dreams and had a profoundly deep soul-connection - one that spanned throughout the ages. Now, Mike Lewis boldly shares this fantastical story as he is taken back to the time when he stopped his psychic ability and lost the thread of his dream world with Danny. Now, he remembers. Read the prequel to The Vision Chronicles eight-book thriller series to get the full importance of their meeting in Juarez. This short story includes an excerpt from Kaleidoscope, The Vision Chronicles, Book 1.The Vision Chronicles series is a slice-of-life metaphysical/visionary story that details Mike's changing ability as he protects himself, his family, and his friends from those who doggedly pursue him. The Who-Man Chronicles Patrick Miele,2023-03-15 About the Book Despite the words on the cover, the pages in no way are a type of a self-help rehabilitation guide, informative in any way, nor will you gain knowledge in any way. Instead, if you have ever been diagnosed with ADHD (or not and just went through undetected, as there are more out there than you think), there is absolutely no structure. Author Patrick Miele often changes direction in mid-thought, and there are no chapters more than about three pages long. If you get a I never thought of that, Yeah, he's right on there, "I hate it when that happens, or just a chuckle, then his intentions of The Who-Man Chronicles have been achieved. The entire memoir was written during a two-year off-and-on stint in drug/alcohol rehabilitation inpatient treatment programs. This was supposed to be his journal/notebook during sessions but he strayed a bit. Two years later these pages were compiled. As a people observer, Patrick is intrigued by human behavior and some of the idiosyncrasies of society and these rehabs were

an observer's utopia. If you don't comprehend the concept of random thoughts, you will by the time you finish reading these pages. About the Author Patrick Miele was a high school physical education/English teacher in the town of Westford, MA, for 26 years. He coached baseball, wrestling, golf, and volleyball during that time and bartended in various place all over Massachusetts. He ran summer camps and clinics as a form of fundraising for his school. Some of his demons and a major back surgery forced him to early retirement. He was a workaholic so when he early retired lull time was his worst enemy. As a result he really hit the bottle and his physical pain caused him to give up golfing and a Manchester, NH, baseball team he played for. Drinking got heavier with all his spare time and living alone after a recent divorce, which is why he ended up in the rehabs. Patrick currently lives in Worcester, MA. He takes an annual golf trip to the mountains of Maine, Vermont, and New Hampshire with a dozen of his friends from old baseball/softball teams. His family is from Billerica, MA; he has two sisters, Eva and Betty, and a brother, Bruce. He has a daughter, Amanda, 22 years old, who lives in Bridgewater, MA. Patrick went to Worcester State College, received a degree in English and Physical Education, and played baseball and started his bartending journey mistake, sticking with it for almost 40 years, but now he would be like a kid working a candy counter.

Escape with the Dream Maker Gilbert L Morris,1997-01-05 Something strange and terrible has been happening in Nuworld. Some of God's most trusted servants have disappeared- simply vanished! With only a list of the missing persons and a secret password, God has sent the Seven Sleepers on another mission: Find My servants and bring them back, but be very careful. You might be one of the next to disappear. That could never happen, of course. Josh, Sarah, Dave, and the others- they know God too well to be tricked by one of His enemies... Or do they? What starts out as a harmless game- a stress reliever- could be the end of the Sleepers, and the end of all of God's servants. Come along as Josh Adams and his friends learn a few unexpected lessons about deception and addiction, and a lot about themselves. Join the Seven Sleepers on their most dangerous mission yet!

The Boy Called Dreamer JB Malatji,2024-01-10 Tom's mundane existence underwent a profound transformation when he discovered the extraordinary potential of his newfound ability. Dreams became the vivid canvas for his imagination, offering a realm where he could soar through the skies, converse with talking animals, and embark on incredible adventures. Unbeknownst to him, this revelation marked only the inception of a journey that would blur the lines between the waking world and the enchanting domain of dreams. As Tom delved deeper into the fantastical dreamscape, he encountered beings that defied the laws of nature. Majestic, winged lions left trails of sparkling stardust in their wake, while friendly sprites flitted between the branches of luminescent trees, their laughter echoing like wind chimes. In the Dreamer's Chamber, where dreams intertwined in a delicate dance, Tom sensed a disturbance. The ethereal Dream Keepers reflected concern, revealing a looming threat—The Dream Thief, a dark echo born from forgotten nightmares, harboured malevolent intentions to exploit children's dreams. On a crisp afternoon, bathed in golden sunlight streaming through the library's windows, Tom was drawn to an unexplored section. In a forgotten corner where time seemed to slow, he discovered a peculiar book—a tome unlike any other. Nestled between weathered spines and forgotten tales, the enigmatic Dreamer's Code awaited. The library, once a familiar haven, transformed into a portal to the unknown as Tom deciphered ancient symbols, embarking on a magical adventure where the ordinary converged with the extraordinary. Each page of the cryptic tome revealed not just symbols, but a narrative woven into the fabric of dreams—the forgotten prophecy. In the glow of a single candle, Tom read about a time when dreams held the power to shape reality. The prophecy spoke of a chosen Dreamer destined to traverse the Dream Realm and restore balance disrupted by encroaching darkness. As night fell, Tom found himself drawn back into the mystical embrace of The Boy Called Dreamer. The prophecy's words resonated with the symbols he had deciphered, realizing that he was the chosen Dreamer fated to embark on a quest beyond the waking world. The weight of destiny settled on Tom's young shoulders, eliciting a mix of excitement and trepidation. The Dream Realm unfolded before Tom like a canvas painted with the hues of imagination—enchanted landscapes adorned with floating islands of cotton candy clouds and rivers sparkling with starlight wishes. Amidst this dreamscape, three radiant figures emerged—Lumara, Zephyr, and Whisper, the Dream Keepers. Lumara embodied the hopes within every dream, Zephyr symbolized the freedom of flight, and Whisper held the secrets lurking in dream shadows. Now, the once-enchanted Dream Realm faced imminent peril, and Tom, as the

chosen Dreamer, bore the weight of preserving its existence amidst encroaching shadows.
