Indian Accents Shilpa S. Dave,2013-02-01 Amid immigrant narratives of assimilation, *Indian Accents* focuses on the representations and stereotypes of South Asian characters in American film and television. Exploring key examples in popular culture ranging from Peter Sellers' portrayal of Hundi Bakshi in the 1968 film *The Party* to contemporary representations such as Apu from *The Simpsons* and characters in *Harold and Kumar Go to White Castle*, Shilpa S. Dave develops the ideas of accent, brownface, and brown voice as new ways to explore the racialization of South Asians beyond just visual appearance. Dave relates these examples to earlier scholarship on blackface, race, and performance to show how accents are a means of representing racial difference, national origin, and belonging, as well as distinctions of class and privilege. While focusing on racial impersonations in mainstream film and television, *Indian Accents* also amplifies the work of South Asian American actors who push back against brown voice performances, showing how strategic use of accent can expand and challenge such narrow stereotypes.

Desi Land Shalini Shankar,2008-10-27 *Desi Land* is Shalini Shankar's lively ethnographic account of South Asian American teen culture during the Silicon Valley dot-com boom. Shankar focuses on how South Asian Americans, or "Desis," define and manage what it means to be successful in a place brimming with the promise of technology. Between 1999 and 2001 Shankar spent many months "kickin' it" with Desi teenagers at three Silicon Valley high schools, and she has since followed their lives and stories. The diverse high-school students who populate *Desi Land* are Muslims, Hindus, Christians, and Sikhs, from South Asia and other locations; they include first- to fourth-generation immigrants whose parents' careers vary from assembly-line workers to engineers and CEOs. By analyzing how Desi teens' conceptions and realizations of success are influenced by community values, cultural practices, language use, and material culture, she offers a nuanced portrait of diasporic formations in a transforming urban region. Whether discussing instant messaging or arranged marriages, Desi bling or the pressures of the model minority myth, Shankar foregrounds the teens' voices, perspectives, and stories. She investigates how Desi teens interact with dialogue and songs from Bollywood films as well as how they use their heritage language in ways that inform local meanings of ethnicity while they also connect to a broader South Asian diasporic consciousness. She analyzes how teens negotiate rules about dating and reconcile them with their longer-term desire to become adult members of their communities. In *Desi Land* Shankar not only shows how Desi teens of different socioeconomic backgrounds are differently able to succeed in Silicon Valley schools and economies but also how such variance affects meanings of race, class, and community for South Asian Americans.

Warrior Life Pamela Palmater,2020-10-28T00:00:00Z In a moment where unlawful pipelines are built on Indigenous territories, the RCMP make illegal arrests of land defenders on unceded lands, and anti-Indigenous racism permeates on social media; the government lie that is reconciliation is exposed. Renowned lawyer, author, speaker and activist, Pamela Palmater returns to wade through media headlines and government propaganda and get to heart of key issues lost in the noise. *Warrior Life: Indigenous Resistance and Resurgence* is the second collection of writings by Palmater. In keeping with her previous works, numerous op-eds, media commentaries, YouTube channel videos and podcasts, Palmater's work is fiercely anti-colonial, anti-racist, and more crucial than ever before. Palmater addresses a range of Indigenous issues – empty political promises, ongoing racism, sexualized genocide, government lawlessness, and the lie that is reconciliation – and makes the complex political and legal implications accessible to the public. From one of the most important, inspiring and fearless voices in Indigenous rights, decolonization, Canadian politics, social justice, earth justice and beyond, *Warrior Life* is an unflinching critique of the colonial project that is Canada and a rallying cry for Indigenous peoples and allies alike to forge a path toward a decolonial future through resistance and resurgence.

The Queen of Tuesday Darin Strauss,2021-05-25 Lucille Ball, Hollywood's first true media mogul, stars in this "bold" (The Boston Globe), "boisterous novel" (The New Yorker) with a thrilling love story at its heart—from the award-winning, bestselling author of *Chang & Eng* and *Half a Life* A WASHINGTON POST BEST BOOK OF THE YEAR • "A gorgeous, Technicolor take on America in the middle of the twentieth century."—Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* This indelible romance begins with a daring conceit—that the author's grandfather may have had an affair with Lucille Ball. Strauss offers a fresh view of a celebrity America loved more than any other. Lucille Ball—the most powerful woman in the history of Hollywood—was part of America's first high-profile interracial marriage. She owned more movie sets than did any movie studio. She more or less single-handedly created the modern TV business. And yet Lucille's off-camera life was in disarray. While acting out a happy marriage for millions, she suffered in private. Her partner couldn't stay faithful. She struggled to balance her fame with the demands of being a mother, a creative genius, an entrepreneur, and, most of all, a symbol. *The Queen of Tuesday*—Strauss's follow-up to *Half a Life*, winner of the National Book Critics Circle Award—mixes fact and fiction, memoir and novel, to imagine the provocative story of a woman we thought we knew.

Shutterbabe Deborah Copaken,2001-03-10 NATIONAL BESTSELLER • The remarkable memoir of an ambitious young photojournalist who went off to war as a twenty-two-year-old girl—and came back, four years and many adventures later, a woman "Eloquent and well observed, not only about the memoirist, but about the world: war, death, photojournalism and, of course, the worldwide battle between the sexes." —The Washington Post Book World In 1988, fresh out of Harvard, Deborah Copaken Kogan moved to Paris with a small backpack, a couple of cameras, the hubris of a superhero, and a strong thirst for danger. She wanted to see what a war would look like when seen from up close. Naïvely, she figured it would be easy to filter death through the prism of her wide-angle lens. She was dead wrong. Within weeks of arriving in Paris, after begging to be sent where the action was, Kogan found herself on the back of a truck in Afghanistan, her tiny frame veiled from head to toe, the only woman—and the only journalist—in a convoy of rebel freedom fighters. Kogan had not actually planned on shooting the Afghan war alone. However, the beguiling French photographer she'd entrusted with both her itinerary and her heart turned out to be as dangerously unpredictable as, well, a war. Kogan found herself running from one corner of the globe to another, each linked to the man she was involved with at the time. From Zimbabwe to Romania, from Russia to Haiti, Kogan takes her readers on a heartbreaking yet surprisingly hilarious journey through a mine-strewn decade, her personal battles against sexism, battery, and even rape blending seamlessly with the historical struggles of war, revolution, and unfathomable abuse it was her job to record. In the end, what was once adventurous to the girl began to weigh heavily on the woman. Though she had finally been accepted into photojournalism's macho fraternity, her photographs splashed across the front pages of international newspapers and magazines, Kogan began to feel there was something more she was after. Ultimately, what she discovered in herself was a person—a woman—for whom life, not death, is the one true adventure to be cherished above all.

Unbirthday Liz Braswell,2020-09-01 What if Wonderland was in peril and Alice was very, very late? Alice is different than other eighteen-year-old ladies in Kexford, which is perfectly fine with her. She'd rather spend golden afternoons with her trusty camera or in her aunt Vivian's lively salon, ignoring her sister's wishes that she stop all that nonsense and become a respectable member of society. Alice is happy to meander to Miss. Yao's teashop or to visit the children playing in the Square. She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he was sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects-the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all-a badly-injured dark-haired girl asking for Alice's help.Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she able to do so . . . before the End of Time?
