**Unholy Endeavors** John Rick O.

Evangelista, 2022-01-28 SHIKIZUMO I feel the anvil in my chest. I can't move. Can't breathe. Can't relax and calm myself. This anvil who knows nothing. Nothing but to craft destruction, To cast desolation upon my heart. Pain is painful. It touches you. It screams at you. It soothes within you. It demands to be and to keep on being. Until you resist it no longer, And until you let it leave your side willingly. COSMOS Will you bear the sin of hypocrisy? All heroes are such, Null this primitivity, Burn the very fabric of reality, With quintillion singularities, Septillion abnormalities, sextillion anomalies, None remained. I'm a hero and a hypocrite. I never wanted pain, but I still did it. I'm a hero to those I saved, And a hypocrite for betraying myself. So, if you need a hypocrite, I will be. A hero, I will be. Through this book, I will be.

Girl In Room 105 Chetan Bhagat, 2024-02-23 Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I

tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

**Karma Of Brown Folk** Vijay Prashad, 2001-03-12  
Village Voice Favorite Books of 2000 The popular book challenging the idea of a model minority, now in paperback! "How does it feel to be a problem?" asked W. E. B. Du Bois of black Americans in his classic *The Souls of Black Folk*. A hundred years later, Vijay Prashad asks South Asians "How does it feel to be a solution?" In this kaleidoscopic critique, Prashad looks into the complexities faced by the members of a "model minority"—one, he claims, that is consistently deployed as a weapon in the war against black America. On a vast canvas, *The Karma of Brown Folk* attacks the two pillars of the "model minority" image, that South Asians are both inherently successful and pliant, and analyzes the ways in which U.S. immigration policy and American Orientalism have perpetuated these stereotypes. Prashad uses irony, humor, razor-sharp criticism, personal reflections, and historical research to challenge the arguments

made by Dinesh D'Souza, who heralds South Asian success in the U.S., and to question the quiet accommodation to racism made by many South Asians. A look at Deepak Chopra and others whom Prashad terms "Godmen" shows us how some South Asians exploit the stereotype of inherent spirituality, much to the chagrin of other South Asians. Following the long engagement of American culture with South Asia, Prashad traces India's effect on thinkers like Cotton Mather and Henry David Thoreau, Ravi Shankar's influence on John Coltrane, and such essential issues as race versus caste and the connection between antiracism activism and anticolonial resistance. The Karma of Brown Folk locates the birth of the "model minority" myth, placing it firmly in the context of reaction to the struggle for Black Liberation. Prashad reclaims the long history of black and South Asian solidarity, discussing joint struggles in the U.S., the Caribbean, South Africa, and elsewhere, and exposes how these powerful moments of alliance faded from historical memory and were replaced by Indian support for antiblack racism. Ultimately, Prashad writes not just about South Asians in America but about America itself, in the tradition of Tocqueville, Du Bois, Richard Wright, and others. He explores the place of collective struggle and multiracial alliances in the transformation of self and community—in short, how Americans define themselves.
