Independence and Accountability of the Higher Indian Judiciary Arghya Sengupta,2019-05-23

Provides an account of appointments, transfers, impeachment, and post-retirement employment of Supreme Court judges in India. Each of these facets leads to the critical questioning of judicial independence and accountability, and the book argues that they are not in conflict with each other and are crucial for an effective judiciary.

Disciplining Judges Richard Devlin,Sheila Wildeman,2021-01-29 Globally, countries are faced with a complex act of statecraft: how to design and deploy a defensible complaints and discipline regime for judges. In this collection, contributors provide critical analyses of judicial complaints and discipline systems in thirteen diverse jurisdictions, revealing that an effective and legitimate regime requires the nuanced calibration of numerous public values including independence, accountability, impartiality, fairness, reasoned justification, transparency, representation, and efficiency.

Asia-Pacific Judiciaries H. P. Lee,Marilyn Pittard,2018 Explores judicial independence, integrity and impartiality in Asia-Pacific countries.

Gods, Heroes and their Story Tellers V. Hari Saravanan,2014 We can hear Urumula Naganna's drum roll during the rendition of the Sri Akammagaru Kaviya. An oral tradition which is as old as the hills is captured in the book Gods, Heroes and their Storytellers. Do you know the story of how the

Madiga community came to inherit the right to skin cattle carcass and produce leather articles? How are contemporary Folk Oral Literatures connected to the Ramayana and the Mahabharata? There are many such stories and tradition bearers who doggedly go on in spite of the onslaught of the digital media. The author here has tried his best in keeping these traditions alive by not only telling the stories but also by living with the story tellers themselves. The rich details give us a window to a world which is not only very far away for our everyday mundane existence but also makes us retrospect on what we are missing out. Each of the tradition bearers are different and so are their stories and the region to which they belong. These are not merely stories but a way of life for these oral narrators who are fast disappearing in today's consumerist landscape. The need of the hour is to keep alive these traditions and the tradition bearers.

Justice versus Judiciary Sudhanshu Ranjan, 2019-04-17 There can be no dispute that the judges of the high courts and the Supreme Court of India wield tremendous powers. However, power comes with a price which bestows huge responsibility. Building on this narrative, the book advocates that judges must be made accountable not only in respect of their personal conduct and integrity, but also in respect of the judicial verdicts they deliver. This book, thus, critically discusses Articles 141, 142, and 144, which make the Supreme Court the most powerful institution in the country, and Articles 32 and 136, which also confer wide powers on it. Using these powers, the apex court sometimes, unmindful of the budgetary and other vital implications, tends to pass orders which lack the scope for implementation. The book suggests measures to improve the functioning of Indian judicial system and save the institutions of justice from turning autocratic and narcissistic.

The Constitution, Government and Politics in India Patil S.H., Comprehensive text on the Constitution of India, with a holistic approach• Covers the evolution of the Indian constitution, government and politics from Independence to the present day• An appendix at the end of every chapter providing the latest information• Useful for the students and teachers of political science and law, and candidates appearing for the competitive examinations conducted by the Union Public Service Commission and the state public service commissions

Ecofeminism and the Indian Novel Sangita Patil, 2019-07-08 Ecofeminism and the Indian Novel tests the theories of ecofeminism against the background of India's often different perceptions of environmental problems, challenging the hegemony of Western culture in thinking about human problems. This book moves beyond a simple application of the concepts of ecofeminism, instead explaining the uniqueness of Indian novels as narratives of ecofeminism and how they can contribute

to the development of the theory of ecofeminism. In examining a selection of novels, the author argues that Indian texts conceptualize the ecological crisis more as a human problem than as a gender problem. The book proposes that we should think of ecofeminism as ecohumanism instead, seeing human beings and nature as a part of a complex web. Novels analysed within the text include Kamala Markandaya's *Nectar in a Sieve* (1954), Shivram Karanth's *Return to Earth* (2002) and Na D'Souza's *Dweepa* (2013). *Ecofeminism and the Indian Novel* will be of great interest to students and scholars of ecofeminism, ecocriticism, ecological feminism, environmental humanities, gender studies, ecological humanities, feminist studies and Indian literature.

Justice, Judocracy and Democracy in India Sudhanshu Ranjan,2014-03-21 This book offers an innovative approach to studying ‘judicial activism’ in the Indian context in tracing its history and relevance since 1773. While discussing the varying roles of the judiciary, it delineates the boundaries of different organs of the State – judiciary, executive and legislature – and highlights the points where these boundaries have been breached, especially through judicial interventions in parliamentary affairs and their role in governance and policy. Including a fascinating range of sources such as legal cases, books, newspapers, periodicals, lectures, historical texts and records, the author presents the complex sides of the arguments persuasively, and contributes to new ways of understanding the functioning of the judiciary in India. This paperback edition, with a new Afterword, updates the debates around the

raging questions facing the Indian judiciary. It will be of great interest to students and scholars of law, political science and history, as well as legal practitioners and the general reader.

The Empress Kalyani Shankar, 2017-09-10 The book captures the life and times of 'puratchi thalaivi' Jayalalithaa who through sheer will and determination rose to become the chief minister of Tamil Nadu in 1991. Under her leadership the AIADMK came to power four times: 1991, 2001, 2011 and 2016. Her death on December 5, 2016 was sudden. For many, Jaya was a cult figure, who remained an enigma all her life. She could garner votes and pull crowds on the basis of her charismatic appeal, which she had cultivated during her initial years as a movie star. Known as the 'Iron Lady' of Tamil Nadu, her autocratic style brooked no dissent from her party whose members fawned over her with slavish displays of obedience. Hailing from the celluloid world, Jaya's life story runs like a screenplay. She excelled in two fields: films and politics. She was introduced to films by her mother and to politics by her mentor and the AIADMK founder M.G. Ramachandran, himself a super star. From filmdom to politics, her life remains an interesting subject of study. She was known as 'Amma' (mother) to her voters, and though a Brahmin, her appeal transcended caste, language and creed. She pioneered welfare schemes and portrayed herself as the champion of poor by introducing schemes to provide cheap food, medicines, cement and even mineral water. The book portrays the ups and downs in her life, her legal and political battles and her political dominance in Tamil Nadu. Jaya may be dead, but she has ensured that her legend lives on. She was an empress when alive, and continues to reign from the afterlife.

Post Googлизм and Other Short Stories R C Natarajan, 2019-04-01 This collection of short stories is for the fast-paced millennials, whom the author calls “The Post Googлизм Generation” who want everything hastily, at their fingertips and on the go. The language has also shrunk in size to allow the pace. The world-view of this generation is that what cannot be done through an app cannot and should not be done. Their expectations of a story are a striking start, a quickly built middle and an interesting end. Stories in the collection seek to meet these expectations of this generation talking to them in their own language. They also echo the changing lives and changing aspirations of the time.

Sisters Under the Skin: Margaret Laurence and Vaasanthi Dr. Sheela P. Karthick, 2022-01-01 The book is a masterpiece and should be kept in the bookshelf of every household, and also be read by all critical minded individuals, as to fully come to terms with what the women are passing through in the present day society.

Selvakumar Knew Better Virginia L. Kroll, 2006 Based on a true story from the devastating tsunami of 2004, this tale is about a courageous and loving dog who saved a boy's life. When Papa yells for his family to run, seven-year-old Dinakaran misunderstands and runs toward his house by the shore. Luckily, his dog Selvakumar knows better and drags him out, forcing him to flee up the hill to safety. Animal lovers of all ages will love this heartwarming story with incredibly rendered illustrations.

Churchless Christianity Herbert E. Hofer, 2001 The purpose of this book is to describe a fact and reflect upon it theologically. The fact is, there are thousands of people who believe solely in Jesus Christ as their Lord and Savior but who have no plans to be baptized or to join the local church. Churchless Christianity is based on research from the early 1980s among non-baptized believers in

Christ in Tamil Nadu, India. This revised edition includes all the original text plus five additional chapters and a new foreword.

Truly Devoted H. Norman Wright, 2013-09-01 Bestselling author and Christian counselor H.

Norman Wright (2.7 million books sold) combines biblical principles with his enthusiasm for dogs in this warmhearted and inspiring devotional. In stories of loyalty and perseverance, Norm draws parallels between the dog world and the human world to reveal God's love in action: A dog's tendency to gnaw on bones reflects how people handle worry. Instead, people can give God their fears and experience His peace. A cowering dog becomes joyous when forgiven. When people confess their sins, they receive God's forgiveness and joy returns. A dog who rescues a boy in a tsunami shows how the Holy Spirit convicts people of sin so they'll turn to Christ and be saved. From daily antics to extraordinary deeds, these dogs personify the ups and downs of life and highlight the joys and benefits of following God.
