Marlene Dietrich

**Marlene Dietrich's ABC's** Marlene Dietrich, 2022-08-16 A collection of the icon's surprising and heartfelt thoughts on topics A-to-Z, plus recipes and photos—a wonderfully addictive scrapbook for fans. From the wonderfully varied and witty mind of Marlene Dietrich comes an alphabetized collection of her most zany, honest, and heartfelt thoughts. Offering her take on a range of ideas, people, and items, Marlene Dietrich's ABC is an unprecedented glimpse into one of history's brightest and most enigmatic stars. Nothing is too small or grand for Dietrich's unique eye. From her entry for hardware store—"I'd rather go to a hardware store than to the opera"—to her entry for egocentric—"If he is a creative artist, forgive him"—she transforms both the mundane and the mysterious into snapshots of her own spirit. Complete with photos from her vast career, Marlene Dietrich's ABC is an unexpected and addicting treat.

**Dietrich Icon** Gerd Gemünden, Mary R. Desjardins, 2009-01-01 Few movie stars have meant as many things to as many different audiences as the iconic Marlene Dietrich. The actress-chanteuse had a career of some seventy years: one that included not only classical Hollywood cinema and the concert hall but also silent film in Weimar Germany, theater, musical comedy, vaudeville, army camp shows, radio, recordings, television, and even the circus. Having renounced and left Nazi Germany, assumed American citizenship, and entertained American troops, Dietrich has long been a flashpoint in Germany's struggles over its cultural heritage. She has also figured prominently in European and American film scholarship, in studies ranging from analyses of the directors with whom she worked to theories about the ideological and psychic functions of film. *Dietrich Icon*, which includes essays by established and emerging film scholars, is a unique examination of the many meanings of Dietrich. Some of the essays in this collection revisit such familiar topics as Germany's complex relationship with Dietrich, her ambiguous sexuality, her place in the lesbian archive, her star status, and her legendary legs, but with fresh critical perspective and an emphasis on historical background. Other essays establish new avenues for understanding Dietrich's persona. Among these are a reading of Marlene Dietrich's ABC—an eclectic autobiographical compendium containing Dietrich's thoughts on such diverse subjects as "steak," "Sternberg (Joseph von)," "Stravinsky," and "stupidity"—and an argument that Dietrich manipulated her voice—through her accent, sexual innuendo, and singing—as much as her visual image in order to convey a cosmopolitan world-weariness. Still other essays consider the specter of aging that loomed over Dietrich's career, as well as the many imitations of the Dietrich persona that have emerged since the star's death in 1992. Contributors. Nora M. Alter, Steven Bach, Elisabeth Bronfen, Erica Carter, Mary R. Desjardins, Joseph Garncarz, Gerd Gemünden, Mary Beth Haralovich, Amelie Hastie, Lutz Koepnick, Alice A. Kuzniar, Amy Lawrence, Judith Mayne, Patrice Petro, Eric Rentschler, Gaylyn Studlar, Werner Sudendorf, Mark Williams

**Dietrich's Ghosts** Erica Carter, 2019-07-25 This text looks at the star system under the Third Reich. Following the experiments of Weimar, much of cinema after 1933 became part of a wider Nazi backlash against modernism in all its forms. This study contributes to contemporary debates concerning the historical study of film spectatorship.

**Sean of the South** Sean Dietrich, 2015-11-30 The first volume of a collection of short stories by Sean Dietrich, a writer, humorist, and novelist, known for his commentary on life in the American South. His humor and short fiction appear in various publications throughout the Southeast.

**Dietrich & Riefenstahl: Hollywood, Berlin, and a Century in Two Lives** Karin Wieland, 2015-10-05 A Boston Globe Best Book of 2015 A Washington Post Notable Nonfiction Pick of 2015 Magisterial in scope, this dual biography examines two complex lives that began alike but ended on opposite sides of the century's greatest conflict. Marlene Dietrich and Leni Riefenstahl, born less than a year apart, lived so close to each

other that Riefenstahl could see into Dietrich's Berlin apartment. Coming of age at the dawn of the Weimar Republic, both sought fame in Germany's burgeoning motion picture industry. While Dietrich's depiction of Lola-Lola in *The Blue Angel* catapulted her to Hollywood stardom, Riefenstahl—who missed out on the part—insinuated herself into Hitler's inner circle to direct groundbreaking if infamous Nazi propaganda films, like *Triumph of the Will*. Dietrich, who toured tirelessly with the USO, could never truly go home again; Riefenstahl could never shake her Nazi past. Acclaimed German historian Karin Wieland examines these lives within the vicious crosscurrents of a turbulent century, evoking piercing insights into the modern era's most difficult questions, about illusion and mass intoxication, art and truth, courage and capitulation (New Yorker).

**Dietrich** Malene Sheppard Skærved, 2003 A actress in Germany before the war, a frontline entertainer for the allies in the 1940's, and later one of the world's greatest entertainment icons. She was an artist of constant reinvention.

**Blue Angel** Donald Spoto, 2000 Marlene Dietrich's story spans Germany's cabarets, Hollywood's silver screen and beyond.

Marlene Dietrich Steven Bach, 2000-04-06 In an achievement as grand and sweeping as Dietrich's own life, Steven Bach reveals the woman and examines her myth in a biography that will stand as the ultimate authority on a singular star. Based on six years of research and hundreds of interviews—including conversations with Dietrich herself—this is the last, best word on one of the century's greatest movie actresses and performers, an icon who embodied glamour and sophistication for audiences around the globe.

*Marlene* Charlotte Chandler, 2011-03-29 In *Marlene*, the legendary Hollywood icon is vividly brought to life, based on a series of conversations with the star herself and with others who knew her well. In the mid-1970s Charlotte Chandler spoke with Marlene Dietrich in Dietrich's Paris apartment. The star's career was all but over, but she agreed to meet because Chandler hadn't known Dietrich earlier, "when I was young and very beautiful." Dietrich may have been retired, but her appearance and her celebrity—her famous mystique—were as important to her as ever. Marlene Dietrich's life is one of the most fabulous in Hollywood history. She began her career in her native Berlin as a model, then a stage and screen actress during the silent era, becoming a star with the international success *The Blue Angel*. Then, under the watchful eye of the director of that film, her mentor Josef von Sternberg, she came to America and became one of the brightest stars in Hollywood. She made a series of acclaimed pictures—*Morocco*, *Shanghai Express*, *Blonde Venus*, *Destry Rides Again*, among many others—that propelled her to international stardom. With the outbreak of World War II, the fiercely anti-Nazi Dietrich became an American citizen and entertained Allied troops on the front lines. After the war she embarked on a new career as a stage performer, and with her young music director, the gifted Burt Bacharach—whom Chandler interviewed for the book—Dietrich had an outstanding second career. Dietrich spoke candidly with Chandler about her unconventional private life: although she never divorced her husband, Rudi Sieber, she had numerous well-publicized affairs with his knowledge (and he had a longtime mistress with her approval). By the late 1970s, plagued by accidents, Dietrich had become a virtual recluse in her Paris apartment, communicating with the outside world almost entirely by telephone. Marlene Dietrich lived an extraordinary life, and Marlene relies extensively on the star's own words to reveal how intriguing and fascinating that life really was.

*Marlene Dietrich's A B S* Marlene Dietrich, 2011-10-01

Marlene Marlene Dietrich, 2022-08-16 DIVA fascinating self-portrait of one of the greatest entertainers of Hollywood's golden age /divDIV Film star. Cabaret sensation. Recording artist. Writer. Marlene Dietrich was nothing short of enchanting—and remains so as she chronicles her fabulous rise to stardom in *Marlene*. From her early career in Germany as a chorus girl to her breakout role as Lola in *The Blue Angel* to her courageous

wartime tours, Dietrich recounts a life that captivates on the page just as she smoldered on the screen. She writes passionately of her friends—including Charlie Chaplin, Orson Welles, and Edith Piaf, among many others—and she shares memories of what she calls her greatest accomplishment: entertaining the Allied troops during World War II. A sustained expression of her bold, sophisticated style, Marlene reminds us why Dietrich remains an international icon and a true Hollywood legend. /div

*A Woman at War* J. David Riva, Guy Stern, 2006 In this collection of interviews and photographs, the many facets of Dietrich's personality and of her life during World War II are recounted by those whose lives she touched--Front flap of jacket.

*Marlene Dietrich's ABC's* Marlene Dietrich, 2022-07-26 From the wonderfully varied and witty mind of Marlene Dietrich comes an alphabetized collection of her most zany, honest, and heartfelt thoughts. Offering her take on a range of ideas, people, and items, Marlene Dietrich's ABC is an unprecedented glimpse into one of history's brightest and most enigmatic stars. Nothing is too small or grand for Dietrich's unique eye. From her entry for hardware store - I'd rather go to a hardware store than to the opera - to her entry for egocentric - If he is a creative artist, forgive him - she transforms both the mundane and the mysterious into snapshots of her own spirit. Complete with photos from her vast career, Marlene Dietrich's ABC is an unexpected and addicting treat. In this edition Marlene offers her unique blend of wit, a sometimes mordant humor, sensitivity and acute observations of the world as she has known and, to some extent, shaped it. By blending the absolutely practical with her whimsical, poetic and sometimes moving observations, Dietrich creates in yet another field that special magic with which she has held the world enthralled for decades.

**Willing Seduction** Barbara Kosta, 2012 Josef von Sternberg's 1930 film *The Blue Angel* (*Der blaue Engel*) is among the best known films of the Weimar Republic (1919-1933). A significant landmark as one of Germany's first major sound films, it is known primarily for launching Marlene Dietrich into Hollywood stardom and for initiating the mythic pairing of the Austrian-born American director von Sternberg with the star performer Dietrich. This fascinating cultural history of *The Blue Angel* provides a new interpretive framework with which to approach this classic Weimar film and suggests that discourses on mass and high culture are integral to the film's thematic and narrative structure. These discourses surface above all in the relationship between the two main characters, the cabaret entertainer Lola Lola (Marlene Dietrich) and the high school teacher Immanuel Rath (one-time Oscar winner Emil Jannings). In addition to offering insight into some of the major debates that informed the Weimar Republic, this book demonstrates that similar issues continue to shape the contemporary cultural landscape of Germany. Barbara Kosta thus also looks at Dietrich as a contemporary cultural icon and at her symbolic value since German unification and at Lola Lola's various incarnations.

**Marlene Dietrich** Jean-Jaques Naudet, 2001 Marlene Dietrich never threw away anything. She kept her good-luck black rag doll (it appeared with her in *The Blue Angel* and followed her to dressing tables on every movie set). She kept the letters (every last one) she received from her lovers and her husband of fifty-three years. She kept every article of clothing made for her by the great French couturiers and the legendary Hollywood costume designers. She kept everything. And she believed in storage. Six storage companies, from New York to California, London, and Paris, held pieces of Miss Dietrich's life, locked away for decades like the pieces of the life of Charles Foster Kane. Over the years, hundreds of thousands of dollars were paid in rental fees. After Dietrich's death, the articles were gathered together—twenty-five thousand objects and eighteen thousand images. Some were auctioned at Sotheby's in Los Angeles. The major pieces of Dietrich's vast collection were assembled in an archive and given to the FilmMuseum Berlin. Now, her treasures are brought together in 289 photographs from her own collection, with extended captions by

her daughter, Maria Riva. We see Dietrich as a child, in velvet dress and golden ringlets...Dietrich as a young actress in Berlin...as the newly married Mrs. Rudolf Sieber, standing proudly with her husband. We see love letters and letters marking the ends of affairs. We see Dietrich in Hollywood...with Chaplin...with Fritz Lang...at the Paramount commissary...Dietrich captured in snapshots by her movie-creator, Josef von Sternberg...Dietrich as a mother. We see her at war...in never-before-published photographs of a USO tour...in uniform (tailor-made for her, of course) disembarking from a transport plane...Dietrich with the 82nd Airborne...Dietrich rolling into Germany in a U.S. tank. Here she is with her directors and fellow actors: Katharine Hepburn, Claudette Colbert, Judy Garland, John Wayne, Ernst Lubitsch, Clark Gable, Cary Grant, Tyrone Power. Here are portraits of her by Cecil Beaton, Horst P. Horst, Milton Greene, John Engstead. And here is Marlene, shimmering, in Las Vegas, the consummate performer, and at the Palladium in London, triumphant!

Sternberg and Dietrich James Phillips, 2019-02-01 James Phillips's *Sternberg and Dietrich: The Phenomenology of Spectacle* reappraises the cinematic collaboration between the Austrian-American filmmaker Josef von Sternberg (1894-1969) and the German-American actor Marlene Dietrich (1901-92). Considered by his contemporaries one of the most significant directors of interwar Hollywood, Sternberg made seven films with Dietrich that helped establish her as a style icon and star and entrenched his own reputation for extravagance and aesthetic spectacle. These films enriched the technical repertoire of the industry, challenged the sexual mores of the times and notoriously tried the patience of management at Paramount Studios. *Sternberg and Dietrich: The Phenomenology of Spectacle* demonstrates how under Sternberg's direction Paramount's sound stages became laboratories for novel thought experiments. Analysing in depth the last four films on which Sternberg and Dietrich worked together, Phillips reconstructs the cinematic philosophy that Sternberg claimed for himself in his autobiography and for whose fullest expression Dietrich was indispensable. This book makes a case for the originality and perceptiveness with which these films treat such issues as the nature of trust, the status of appearance, the standing of women, the ethics and politics of the image, and the relationship between cinema and the world. *Sternberg and Dietrich: The Phenomenology of Spectacle* reveals that more is at stake in these films than the showcasing of a new star and the confectionery of glamour: Dietrich emerges here as a woman who is at ease in the world without being at home in it, an image of autonomy whose critical potential has yet to be realized, let alone exhausted.

Dietrich's Story Dietrich, 2004

*Dietrich's Ghosts* Erica Carter, 2007-07-07 This text looks at the star system under the Third Reich. Following the experiments of Weimar, much of cinema after 1933 became part of a wider Nazi backlash against modernism in all its forms. This study contributes to contemporary debates concerning the historical study of film spectatorship.

**Marlene Dietrich** Peter Riva, Jean-Jacques Naudet, 2022-07-26 Marlene Dietrich never threw anything away. She kept her good-luck rag doll (it appeared with her in *The Blue Angel* and followed her to dressing tables on every movie set). She kept the letters she received from, friends, colleagues, lovers, and her husband of fifty-three years. She kept every article of clothing made for her by the great French couturiers and many from legendary Hollywood costume designers. She kept everything. After Dietrich's death, all of the memorabilia were cataloged—25,000 objects and 18,000 images. *Marlene Dietrich: Photographs and Memories* brings together her treasures as depicted in 289 photographs from her own collection and features extended captions by her daughter and sole biographer, Maria Riva. We see Dietrich across the years and roles of her life: a child, a young actress in Berlin, a newlywed, a devoted American, a mother, and of course, a glamorous Hollywood legend. An intimate look into the life of an unforgettable star, this

collection offers fans more than just photos and memorabilia—it shares perspective from Marlene herself.

*Marlene Dietrich's ABC* Klaus-Jürgen Sembach, Josef Von Sternberg, 1984

**Dietrichs: Bestsellers in 2023** The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. **The Must-Read :** Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. **Uncover the Best :** Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Discover the Magic :** Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. **The Secret History** is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
