The Infernal Device and Others Michael Kurland, 2001-08-11 Since their original appearance more than two decades ago, Michael Kurland's two novels feature Professor James Moriarty--The Infernal Device and Death by Gaslight--have been among the most acclaimed of the works based on the characters first introduced by Author Conan Doyle. In Doyle's original stories, Professor Moriarty is the bete noire of Sherlock Holmes, who deems the professor his mental equivalent and ethical opposite, declares him the Napoleon of Crime, and wrestles

him seemingly to their mutual deaths at Reichenbach Falls. But indeed there are two sides to every story, and while Moriarty may not always tread strictly on the side of the law, he is also, in these novels, not quite about the person that Holmes and Watson made him out to be. In Kurland's fictions about Moriarty, the truth is finally revealed: *The Infernal Device*--A dangerous adversary seeking to topple the British monarchy places Moriarty in mortal jeopardy, forcing him to collaborate with his nemesis Sherlock Holmes. *Death by Gaslight*--A serial killer is stalking the cream o England's aristocracy, baffling both the police and Sherlock Holmes and leaving the powers in charge to play one last desperate card: Professor Moriarty. *The Paradol Paradox*--The first new Moriarty story in almost twenty years, it has never before appeared in print. Brilliantly and vividly evoking late Victorian England in all its facets, this first-ever omnibus of the adventures of Proefssor James Moriarty will delight longtime fans as well as readers new to the milieu.

Moriarty Takes His Medicine Anna Castle, 2017-01-15 **Professor & Mrs. Moriarty tackle a case too ticklish for Sherlock Holmes to handle on his own...** James and Angelina Moriarty are settling into their new marriage and their fashionable new home — or trying to. Then Sherlock Holmes comes to call with a challenging case. He suspects a prominent Harley Street specialist of committing murders for hire, sending patients home from his private hospital with deadly doses or fatal conditions. Holmes wants to investigate, but the doctor's clientele is exclusively female. He needs Angelina's help. While Moriarty, Holmes, and Watson explore the many ways a doctor can murder patients with impunity, Angelina poses as a nervous woman seeking treatment from their primary suspect. Then half-truths and angry words drive James and Angelina apart, sending her deep into danger.

They must find the courage to trust each other as they race the clock to win justice for the murdered women before they become victims themselves.

Truly Madly Guilty Liane Moriarty, 2016-07-26 “Here’s the best news you’ve heard all year: Not a single page disappoints....The only difficulty with Truly Madly Guilty? Putting it down. —Miami Herald “Captivating, suspenseful...tantalizing.” —People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of *The Husband’s Secret*, *Big Little Lies*, and *What Alice Forgot*, about how sometimes we don’t appreciate how extraordinary our ordinary lives are until it’s too late. Six responsible adults. Three cute kids. One small dog. It’s just a normal weekend. What could possibly go wrong? In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there’s anything they can count on, it’s each other. Clementine and Erika are each other’s oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don’t hesitate. Having Tiffany and Vid’s larger than life personalities there will be a welcome respite. Two months later, it won’t stop raining, and Clementine and Sam can’t stop asking themselves the question: What

if we hadn't gone? In *Truly Madly Guilty*, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

Other People's Diasporas Sinéad Moynihan, 2013-04-04 With the economic rise of the Celtic Tiger in the 1990s, Irish culture was deeply impacted by a concurrent rise in immigration. A nation tending to see itself as a land of emigrants suddenly saw waves of newcomers. In this book, Moynihan takes as her central question a formulation by sociologist Steve Garner: What happens when other people's diasporas converge on the homeland of diasporic people? Approaching the question from a cultural rather than a sociological vantage point, Moynihan delves into fiction, drama, comedy, and cinema since 1998 to examine the various representations of and insights into race relations. *Other People's Diasporas* draws upon the recent fiction of Joseph O'Connor, Roddy Doyle, and Emma Donoghue; films directed by Jim Sheridan and Eugene Brady; drama by Donal O'Kelly and Ronan Noone; and the comedy of Des Bishop to present a highly original and engaging exploration of contemporary Irish discourses on race.

The Story of Modern Skiing John Fry, 2017-03-14 This is the definitive history of the sport that has exhilarated and infatuated about

30 million Americans and Canadians over the course of the last fifty years. Consummate insider John Fry chronicles the rise of a ski culture and every aspect of the sport's development, including the emergence of the mega-resort and advances in equipment, technique, instruction, and competition. *The Story of Modern Skiing* is laced with revelations from the author's personal relationships with skiing greats such as triple Olympic gold medalists Toni Sailer and Jean-Claude Killy, double gold medalist and environmental champion Andrea Mead Lawrence, first women's World Cup winner Nancy Greene, World Alpine champion Billy Kidd, Sarajevo gold and silver medalists Phil and Steve Mahre, and industry pioneers such as Vail founder Pete Seibert, metal ski designer Howard Head, and plastic boot inventor Bob Lange. Fry writes authoritatively of alpine skiing in North America and Europe, of Nordic skiing, and of newer variations in the sport: freestyle skiing, snowboarding, and extreme skiing. He looks closely at skiing's relationship to the environment, its portrayal in the media, and its response to social and economic change. Maps locating major resorts, records of ski champions, and a timeline, bibliography, glossary, and index of names and places make this the definitive work on modern skiing. Skiers of all ages and abilities will revel in this lively tale of their sport's heritage.

Miss Moriarty, I Presume? Sherry Thomas, 2021-11-02 Charlotte Holmes comes face to face with her enemy when Moriarty turns to her in his hour of need, in the USA Today bestselling series set in Victorian England. A most unexpected client shows up at Charlotte Holmes's doorstep: Moriarty himself. Moriarty fears that tragedy has befallen his daughter and wants Charlotte to find out the truth. Charlotte and Mrs. Watson travel to a remote community of occult practitioners where Moriarty's daughter was last seen, a place full of lies and liars. Meanwhile, Charlotte's sister Livia tries to make sense of a mysterious message from her beau Mr. Marbleton. And Charlotte's longtime friend and ally Lord Ingram at last turns his seductive prowess on Charlotte—or is it the other way around? But the more secrets Charlotte unravels about Miss Moriarty's disappearance, the more she wonders why Moriarty has entrusted this delicate matter to her of all people. Is it merely to test Charlotte's skills as an investigator, or has the man of shadows trapped her in a nest of vipers?

From Holmes to Sherlock Mattias Boström, 2017-08-01 “If you love Sherlock Holmes, you’ll love this book...the best account of Baker Street mania ever written.”—Michael Dirda, *The Washington Post* Winner of the Agatha Award for best nonfiction work Edgar Award finalist for best critical/biographical work Anthony Award finalist for best critical/nonfiction work Everyone knows Sherlock Holmes. But what made this fictional character, dreamed up by a small-town English doctor in the 1880s, into such a lasting success, despite the author's own attempt to escape his invention? In *From Holmes to Sherlock*, Swedish author and Baker Street Irregular Mattias Boström recreates the full story behind the legend for the first time. From a young Arthur Conan Doyle sitting in a Scottish lecture hall taking notes on his medical professor's powers of observation to the pair of

modern-day fans who brainstormed the idea behind the TV sensation Sherlock, from the publishing world's first literary agent to the Georgian princess who showed up at the Conan Doyle estate and altered a legacy, the narrative follows the men and women who have created and perpetuated the myth. It includes tales of unexpected fortune, accidental romance, and inheritances gone awry, and tells of the actors, writers, readers, and other players who have transformed Sherlock Holmes from the gentleman amateur of the Victorian era to the odd genius of today. From Holmes to Sherlock is a singular celebration of the most famous detective in the world—a must for newcomers and experts alike. “Riveting...[A] wonderfully entertaining history.”?TheWall Street Journal “Celebrates the versatility of one of fiction’s most beloved characters...terrific.”?TheChristian Science Monitor

Larry Cohen: The Stuff of Gods and Monsters Michael Doyle, 2015
Best Film Book - The Phantom's Annual Bwards 2017
Larry Cohen: The Stuff of Gods and Monsters traces the extraordinary career of the legendary writer/producer/director responsible for such cult and classic films as *Black Caesar*, *It's Alive*, *God Told Me To*, *The Private Files of J. Edgar Hoover*, *Q - The Winged Serpent*, *The Stuff*, *Maniac Cop*, and *Phone Booth*. Creator of some of the most diverse and thematically rich genre films that have been made in American independent cinema, Cohen's oeuvre has embraced horror, science fiction, thrillers, Westerns, comedies, the biographical film, and blaxploitation gangster movies. At turns provocative, disturbing, and humorous, his distinctly personal works in film, television, and theater are distinguished by their ferocious intelligence, biting satire, and powerful emotionalism. Over the course of 28 chapters, this in-depth career-length interview is an entertaining, enlightening, and

gripping account of the singular career of a true American original. For those of us who love the works of Larry Cohen, this is the most revealing and informative material ever published about him. And if by some chance you don't know about Larry's remarkable career, take this opportunity to learn how one maverick writer/director/producer has been able to survive and flourish in the ever changing madhouse of show biz. -- Joe Dante, director of *The Howling*, *Gremlins* and *The 'Burbs* Basically a 600-page Q&A followed by extensive notes and appendices, Larry Cohen delivers the longtime maverick moviemaker's story straight from the auteur's mouth. Following a recounting of Cohen's youth, early success as an episodic TV writer, and subsequent work as a big screen scenarist, Cohen and Doyle explore the writer/director's prolific output film by film, from his provocative 1970 racial fable, *Bone*, and subsequent Blaxploitation fare (*Black Caesar*, *Hell Up in Harlem*), through such subversive scare classics as the *It's Alive* trilogy, *Q:The Winged Serpent*, *The Stuff*, and the *Maniac Cop* series, up to his 2005 *Masters of Horror* episode, "Pick Me Up." Having interviewed the auteur during his Phone Booth and Cellular thriller resurgence (VS #48), we can attest to the filmmaker's storytelling skills, on more than ample display in this massive volume. Cohen-heads will not want to miss. -- Videoscope
